## He couldn't make friends until he found out why—"B.O."

GIRLS admired George—at a distance. But when he came close—they quickly lost all interest. What was the matter? George couldn't guess. But luckily, someone put him wise—"B. O." Body Odor! Today, George is popular everywhere. Read his story below.

"I'm always pretty active, naturally I perspire. In summer especially, what with heat and exercise, the sweat just drips off me. "Yet I never dreamed I was guilty of 'B. O.' Thousands are fooled like this, I've learned, because we become insensitive to ever-present odors. But everyone perspires as much as a quart of odor-causing waste daily."

"Now, I play safe—and I'm strong for Lifebuoy. Man, there is nothing else can make me feel so clean. Its antiseptic lather purifies pores. No chance for 'B. O.' "Lifebuoy's a great skin soap, too. Its pleasant, extra-clean scent, that vanishes as you rinse, just tells you Lifebuoy purifies."
