

50 DOUKHOBORS STAGE ANOTHER PARADE IN NUDE

Canora, Sask. (AP)—Three score men and women Doukhobors were under jail sentence Thursday for holding another nude parade. Thirty-seven children among the paraders were held for the child welfare bureau.

The nude parade was staged Wednesday and was the first since that two weeks ago for which 108 Doukhobors were sentenced to six months in jail from Nelson, B. C. Those sentenced for Wednesday's parade are to serve six months at Prince Albert jail. The charges were indecent exposure. They are members of the Sons of Freedom, an outcast branch of the sect.

The demonstration was made after the arrest of eight leaders of the sect at Midado, Sask., women and children appeared without clothing and men attempted to disrobe but were prevented by the arrival of Royal Canadian police armed with riding whips.

Those under arrest are part of the 250 who a week ago engaged in a battle with police when they attempted to enter Kamsask.

Newberg Smoke Eaters Want \$35 For Practice Run

With the fires still smoldering around the Newberg bridge but well under control so the bridge is considered past all danger, the county court was given a jolt Wednesday when it received a bill for \$35 from the Newberg volunteer fire department.

From the tenor of remarks dropped by members of the court the Newberg fire department is apt to go without its \$35. All of the work and expense, they state, of keeping the fires under control and saving the bridge has been done by J. L.

Cook, road patrolman, and such men as he enlisted on the job. It is true, they state, that the Newberg fire department made a run over to the bridge but it got out onto the bridge, looked around, smelled the smoke and went away not entering into the fire fighting spirit at all. The court doesn't feel like paying \$35 for a practice spin.

CONGRESSMAN'S DEATH ACCIDENT

Fergus Falls, Minn. (AP)—Death of Congressman O. J. Kvale, of the seventh Minnesota district, was "accidental," county authorities said and no inquest will be held.

Mr. Kvale's charred body was found in the ruins of his cottage near Battle Lake, Minn., early Wednesday. The cottage had been destroyed by fire, which is believed to have been started by the explosion of a gasoline lamp, according to coroner J. G. Vigen, who investigated.

HEIR OF CUDAHY MILLIONS DEAD

Chicago (AP)—Through issuance Wednesday of a burial permit, the death of Dwight, Ill. Monday of John J. Cudahy, son of the late John Cudahy, millionaire packer, became known here.

Cudahy died at the home of Andrew Mickelson, a barber, to whose home he was taken a week ago by two men who remained with him until death. The death certificate ascribed death to myocarditis, and gave Cudahy's age as 46. Mrs. Mickelson said Cudahy was seriously ill when he arrived. The Mickelson home is known as a boarding house patronized by patients at the Keeley Cure institute.

Under his father's will a trust fund of \$1,500,000 was created for the son who has received the income from it since 1915.

Helping Mother Prepare

For the Opening of School

Back to School! That glorious adventure of childhood! And what an important part pretty, stylish clothes play in helping your child enjoy school hours. Ten million Mothers will tell you that when you buy your school outfits here, they are not only stylish and serviceable, but actually save you money.

Why School Outfits Cost Less In Our Store

Probably you have wondered why things cost so much less here. The answer is that we plan and economize when buying, exactly as Mother does when selecting the school wardrobes for her family. But where Mother only buys for two or three youngsters, we buy for millions of them, and Mother's savings of a penny here and a dollar there, amount to a very large sum when you are buying for millions of families at once.

School Days will soon be here! We extend an invitation to Thrifty Mothers to pay us a visit of inspection.

Gobi Desert yields some truths about eggs... and coffee!

Copyright Natural History 1929. Reproduced by permission American Museum Natural History.

IN the trackless wastes of Central Asia, the

Roy Chapman Andrews Expeditions discovered fossil eggs more than a million years old. Definite proof was found that the first animal life of the world originated here. Priceless data about Pre-historic Man, has been brought to light by these expeditions.

Out of the Mongolian Desert, where temperature often changes 70° between day and night, has also come a new knowledge of food supplies.

ROY CHAPMAN ANDREWS, famous leader of Gobi Desert Explorations, checking in a supply of M.J.B. Coffee just unloaded from a camel train at a camp in Central Mongolia.

M.J.B., the Full Flavored Coffee was chosen for the Gobi Expeditions. Packed by the unique M. J. B. Vacuum Method, M. J. B. Coffee retains all its natural richness, even under torrid desert conditions.
