Wouldn't Take \$1000 for Good Sargon Did Him

I wouldn't take one thousand dollars for the good Sargon did me; I only wish I could have had it fifteen years ago.

"My liver and stomach became disordered to the point where I couldn't digest anything at all, it seemed, and I lost my appetite entirely. For fifteen years I suffered with constipation and used to have splitting headaches that would last for hours at a time. I was so nervous that sound sleep was impossible. Nothing I took seemed to do any good."

"The very first bottle of Sargon helped me and now, after the third bottle, I feel like a new man. My appetite is wonderful and my food never hurts me in the least. My nerves are calm and quiet and I get plenty of refreshing sleep. Sargon Soft Mass Pills ended my constipation and those awful headaches have stopped. I just can't say too much good about Sargon."

The above statement was made recently by John W. Wolfe, 152 Republican St., Seattle.

Sargon may be obtained in Salem at Perry's drug store.
