## COUGAR COACH IS OPTIMISTIC OVER OUTLOOK

Fullman, Wash. (AP)—Football hopes at Washington State college have been on the upturn for several days and following a full game of scrimmage between two squads Monday, Coach Babe Hollingberry expressed keen satisfaction.

It was Hollingberry's climax to a strenuous week of practice for the first game of the season, against the College of Idaho Saturday. During the rest of the week, the team will engage in light practice.

The game Monday between the crimson and gray elevens ended in a 6 to 6 tie. Hollingberry has not announced the line up he will use against Cornell's men yet and probably won't until Saturday.

All eyes watched the tackle positions closely to determine the successor of Dressel and Spidel, 1928 stars, who were lost through graduation. Glen Edwards and George Hurley from last year's freshmen eleven showed well and Ahlskog, substitute last year, showed much improvement.

Indications were that the backfield, would probably consist of Schwartz at full; Melbourne at quarter; Leinhardt and either Jones, Schroeder or Ellingsen at half. Archie Buckley, another quarter, will probably be unable to play for a week or so because of injury.

The Cougars, in the light of early practice and Monday's game, seem well fortified with substitutes, and this fact coupled with the growing knowledge of the Hollingberry system among the youngsters—this is Babe's fourth year at Washington State—were held sure to give the Staters a better break than they have been "figured" for.

## Lew Comes Back

LEW FONSECA

Cleveland (AP)—A good part of the punch that has boosted Cleveland to a high position in the American league has come from the bat of Lew Fonseca.

And the former castoff has been fielding like first base had been his permanent home. The fact is Lew was sent to first because the Indians had no one else to play that bar.

Lew is crowding Jimmy Foss for the league batting crown and, since the Athletics' slugger has been in a slump, he stands a good chance of ousting him.

## BRITON TAKES DECISION OVER VIC CAMPOLO

New York (AP)—The shuffling shifty figure of Phil Scott, British champion, Tuesday occupied the heavyweight contender's position that most of the experts had reserved for the galling Gauchro from the Argentine, Victorio Mario Campolo.

Scott won the 10 round decision from Campolo Monday night at Ebbetts field and, as a result, must be reckoned with in the heavyweight derby, regardless of the outcome of the 15 round eliminating match Thursday night between Jack Sharkey and Tommy Loughran at the Yankee stadium.

Scott's margin was so close that it took a 2 to 1 decision to give him the victory. He received the vote of the two judges but Referee Arthur Donovan cast his ballot for Campolo.

It was a picturesque battle of giants, with Campolo scaling 223 1/2 and Scott 215 1/4. A crowd of 11,000 that paid \$45,674 as the two "leaning towers" put up a brick battle.

## Little Known Italian Wins Feather Title

Hartford, Conn. (AP)—There was a victory over Al Brown, the world's bantamweight champion of the world Tuesday — a hitherto unknown Italian youngster of 21, "Bat" Battalino of Hartford.

Battalino, whose previous claim to fame was a victory over Al Brown, the world's bantamweight champion, now wears the 126 pound toga by virtue of a 15 round victory over Andre Routsis of France at the Hurley Stadium here Monday night.

Routsis, managed by Joe Jacobs, and disqualified in New York state, risked his championship here against the rugged Connecticut Italian, and was decisively defeated. Battalino won ten of the 15 rounds easily.

## SENATORS SPURT WITH SEASON NEARLY OVER

By The Associated Press

For a large part of the current major league season, Washington provided one of the leading enigmas of the American league. Picked in the pre-season as a club to be feared and one which probably would finish well up in the standing, the Senators put their backers to shame early by starting badly.

At the traditional turning point of the season, July 4, the Senators had an average of 382. Ten days later, when they completed the first half of the season, they had won but 30 of the 77 games for a mark of 390.

Their upward climb did not start until the middle of August, too late to do much good, but since then they have been playing baseball of real championship calibre. Monday's victory over the Chicago White Sox set their record at 69 victories and 77 defeats for an average of 473.

Since August 11, the start of the period in which they have been winning more games than they have lost, the Senators have piled up a record of 26 victories against 17 defeats. Their average in this period was .605.

Only one other game was on Monday's brief schedule. The St. Louis Cardinals opened their series at home against western opponents by batting out a 6 to 4 victory over the Cincinnati Reds.

## Trainer Dies

Sam Hildreth, Turf

New York (AP)—Sam Hildreth, trainer for Harry F. Sinclair's Ranocas stable, died Tuesday morning in a Fifth Avenue hospital. He was 68 years of age.

Hildreth had been ill for nearly a year.

Mrs. Hildreth and the trainer's physician, Dr. Benjamin T. Tilton, were at the bedside when the end came.

"Uncle Sam" as the 68-year-old turf veteran was familiarly known about the track—was connected with conditioning race horses of one kind or another since his childhood days.

Zev probably was the best known horse ever developed by Hildreth. This star of six years ago won \$272,000 to become the leading money winning horse of American turf.

## SALEM GRIDMEN TURN OUT IN LARGE NUMBERS

If numbers mean anything, Salem high school should enjoy one of the best grid seasons in years, for more than 40 boys turned out Monday afternoon for suits in answer to the first call from Coach Hollis Huntington. Whether the quality of the players will be on a par with former red and black warriors remains to be seen, although the coach expressed himself as well pleased over the initial showing.

Monday was devoted to getting the prospects outfitted. Several had to be turned away as there was equipment sufficient for but 35 boys. The work for the remainder of the week will consist principally of fundamentals and conditioning.

Not all of the eligible veterans were on hand Monday, several having signified their intention of coming out Wednesday. Those that did show up included King and Elgin, back field; Wright, tackle; Adams, end, and Drager, guard. Charles and Bob Kelly, backfield men, were among the missing.

A tentative schedule has been worked out which calls for the opening game with Columbia university high of Portland here October 12. Two other home games have been arranged, Eugene and Chemawa being the opposition. Albany, Astoria and Corvallis will be met on those school's home fields.

The races were not on the regular schedule, hence were not official and no purses offered. Racing men agreed to put them on as part of the entertainment connected with the grandstand dedication.

In the four and a half furlong running event Boy Friend, with Owens up, took first in 57 1/4. Runpoor, who has been doing good work all over the northwest, got into a spasmodic mood and ran all over the track, failing to place.

## COAST SEASON NEARS FINISH

By The Associated Press

San Francisco's Mission Reds and the Hollywood Stars were scheduled Tuesday to open a series at Recreation park which was generally regarded as the potential climax to the second half of the 1929 Pacific coast league campaign.

With the Killifer crew holding honors for the first half of the season and only one game behind the league leading Hollywood club in the second half of the race, there was every reason to regard the series as a crucial one. The San Francisco Seals and the Portland Ducks were tied for third place three games from the top.

The series between the Reds and Stars should provide a week of much intense baseball, with the penultimate as the prize, barring certain events. Meanwhile, the Seals were scheduled to open a series in Los Angeles while Portland was to entertain Oakland in the northern city. Seattle and Sacramento were slated to meet in the northern metropolises.

Two teams played a doubleheader Monday, Oakland winning the first 3 to 4 from Seattle in the north, and the second 3 to 2. Late rallies won both for the bay city club.

## MANDELL WINS

Memphis, Tenn. (AP)—Sammy Mandell, champion of lightweights, outpointed Ray Kiser, Tulsa, Okla., in an eight round bout here Monday night.

## SPECIAL RACES FAST AFFAIRS

## CONDITION OF HUGGINS SAME

New York (AP)—Miller Huggins, manager of the New York Yankees, who is critically ill at St. Vincent's hospital, passed a comfortable night, hospital attaches announced Tuesday morning.

Little change in the little baseball veteran's serious condition was noted, the bulletin saying merely that it was "about the same."

Huggins is suffering from an infection that followed an attack of influenza and cryptosporidiosis.

The Hawthorne gold cup, a mile and a quarter, worth \$25,000, will be decided at the Hawthorne track at Chicago October 7.
