

STRONG WINDS FAN SLASHING FIRES TO LIFE

Scotts Mills—A call was sent in here for men Saturday afternoon when sparks from the sawdust pile at the Grant & Gibbons sawmill which is located on the John Ferguson farm about two miles east of town, set fire to the logged off land. As the wind was blowing strong it soon covered a number of acres.

The fire on the Ben Thomas farm adjoining the Ferguson farm which had practically burned out and was causing no trouble, was again revived and got beyond control, burning out the Whitlock Bros., Frank Bros., Frank Bros. and O. J. Thomas farms. The two fires run together, covering around 500 acres.

Men have been busy ever since Saturday afternoon fighting to keep it from spreading any more than possible and it is pretty well under control at present unless the strong wind causes it to get away again.
