Although the cab on the truck was virtually demolished, Woods escaped with a few minor cuts on his chest. Woods was proceeding toward town while Patrick, who as going south, endeavored to cross to the left and make a turn into Judson street, Woods stated. It is necessary for a traffic officer to regulate traffic for some time while the wreckage was being cleared away.

BUNGLED HITS GIVE VICTORY, MACKMEN

(Continued from page 1)

The last one for a weak fly over short which Simmons easily caught. Malone kept up his wildness in the fourth and was knocked out with the Athletics extending their lead to six runs.

An error by English helped get Malone into trouble in this round and once he was in the hole he kept digging in deep. Dykes opened with a single to right. Boley sacrificed and fumbled Earnshaw's grounder. Blane took Malone to the 3 and 2 count and then walked to fill the bases. English made a nice stop of a grounder by Haas and started to throw to Hornsby for a double play but the rajah was in on the grass and could not beat Blasing to second so he ran to the bag for an unassisted force out, letting Dykes assist. Malone continued unsteady and walker Cochrane to fill the base again and while making certain to keep the ball over the plate to Simmons, he got one in Al's alley and saw it smacked to center for a single which scored two runs and finished Malone's labors in the box.

Blake came to Pat's relief and stopped that rally, pitched out of trouble in the fifth while holding the A's scoreless and was withdrawn for a hitless pinch hitter in the sixth. For the past two years Malone's pitching, getting one in the seventh and two in the eighth. Singles to left by Fox and Dykes with a sacrifice by Miller in between produced the run in the seventh. A pass to Cochrane with two out and a homer over the right field bleachers by Simmons, piled up misery in the eighth.

From then on the Cubs were through while the Mackmen were scoring. The three runs off Carlson's pitching, getting one in the seventh and two in the eighth. Singles to left by Fox and Dykes with a sacrifice by Miller in between produced the run in the seventh. A pass to Cochrane with two out and a homer over the right field bleachers by Simmons, piled up misery in the eighth.

LEAD MADE INTO GOLD CLAIM OF CHEMIST

Munich, (AP)—Rigid tests of the state mint have failed to disprove a claim of Franz Tausend that he had achieved the dream of all chemists throughout history—the conversion of lead into gold.

Tausend is awaiting trial on charges of fraud in connection with his asserted invention. He is charged with obtaining money under false pretense from several persons, including Field Marshal Ludendorff.

The director of the state mint declared he had put Tausend's method to a successful test under conditions which he said were so rigid that cheating was impossible. Upon the strength of the director's report, Tausend's attorney demanded that his client be freed and that newspapers conduct tests to prove his claims.
