

OREGON REACHES PEAK PHYSICALLY, MENTALLY

VANDALS AND WEBFOOTS OUT ON THE FIELD

Portland, (AP)—The Oregon and Idaho football teams arrived here Friday for their conference game at the Multnomah field Saturday. Both teams, in excellent condition had light workouts on the field.

Coach Leo Calland brought 28 players with him for the contest, while Coach John J. McEwan's squad consists of 33 players. Both teams were accompanied by the respective schools' coaching and managerial staffs.

Later in the day approximately 300 to 400 Idaho students are expected to arrive with two special trains from Eugene scheduled to arrive late Friday and Saturday morning.

Although the odds are slightly in favor of the Webfeet the encounter is expected to be one of the most brilliantly played games of the season. It is the Northwest.

Eugene, (AP)—Oregon Friday had reached the peak of its preparation for the Idaho struggle at Multnomah stadium, Portland, Saturday in the opinion of Coach John J. McEwan. The Webfeet's mental level is high not only because of the physical, but of the mental attitude was equally favorable.

Repeated rumors of Vandal power have not been disregarded by the Oregon athletes. McEwan maintained they served only to put his squad on a keener edge.

The Oregon coach looks to Johnny Kitzmiller, the "flying dutchman" of the Webfeet, to do much in Saturday's contest. Kitzmiller, the outstanding back of the Oregon squad, has been "going great guns" in practice, to quote McEwan.

Five players on the Oregon squad will face the Vandals for the second and, incidentally, the last time when the two teams romp onto Multnomah field. They are: Stuckman, center; Wood (reserve); Williams, halfback and Robinson, quarterback. All five played against Idaho in 1927, when the Vandals and Oregon battled to a 0-0 tie here.

The final practice session of the Oregon team Thursday was devoted to familiarizing the Webfeet with formations used by the Vandals both on offense and defense.

TWO NORTHWEST TILTS SATURDAY

The first real test of the northwest conference football season will come Saturday when the Whitman Missionaries will play the College of Idaho squad at Caldwell. Previous performance would indicate that Whitman will win the game, as Idaho met an unexpected defeat at the hands of the inexperienced eastern Oregon normal squad at LaGrande, while the Missionaries had a walk away with Linfield at Walla Walla last Saturday, running up a 71 to 0 score.

But one other regular conference game will be played this Saturday, that between Pacific university and Linfield at McMinnville. Pacific had a close squeak last week-end, just losing out Albany college 14 to 12 in the last minutes of play. Deposits, however, pick the Badgers to beat the Wildcats.

Willamette has not played a conference tilt as yet. The Bearcats will hold a scrimmage contest, believed closed doors, with Albany college Saturday morning.

SHAWKEY GETS MANAGER JOB FOR YANKEES

New York, (AP)—Unconditionally released by the club two years ago, Bob Shawkey, ex-sailor, has been named manager of the New York Yankees, leaders since the death three weeks ago of Miller J. Huggins.

A great right-handed pitcher in his day, coach of the Yankees during the last season, Shawkey never has had any managerial experience. His contract is for one year.

Shawkey's selections surprised the experts who had expected that Arthur Fletcher, Yankee coach, or Bob Connerly, president of the St. Paul club of the American association, would be named to the post.

"I do not want to manage the Yankees or any other club," Fletcher said when the offer was made. "If the club wishes me to continue as coach I will be satisfied."

The offer then was made to and accepted by Shawkey.

ATHLETICS FETED BY PHILADELPHIA

Philadelphia, (AP)—The Athletics winners of the world series, were feted Thursday night by the city, the Chamber of Commerce and the Philadelphia Sports Writers' association.

Connie Mack and Eddie Collins were presented with trophies. Electric clocks went to a number of players and each member of the club received a wrist watch.

"We hope to win another pennant next year," Connie Mack said, "but we will have to fight all the way."

Mack said the A's were successful because they were not a one-man team.

GRID PLAYER BREAKS ARM AT WOODBURN

Woodburn—The first football casualty of the season occurred at the West Side grade school Wednesday afternoon when Elaine McCord, Jr., suffered a broken left arm during a football scrimmage. He was taken to the office of Dr. Donnelly where he bore up bravely while the injured member was set and is now back in school with his arm in a sling.

MAIL PLANE BURNS

Elm Creek, Neb., (AP)—A west bound Boeing airmail plane was destroyed here by fire Friday. Pilot C. V. Pickup, by a quick landing, saved half the cargo of mail. He was not injured and the plane carried no passengers.

UNBEAT TEAMS OF EAST FACE STRONG SQUADS

New York, (AP)—Battles of undefeated eastern college football eleven will attract thousands of spectators Saturday. Army invades Harvard stadium to meet a team that has shown signs of winning its way back into the football sun. The experts disagree as to whether Harvard's line can check Cagle, star Army back.

Dartmouth comes to New York to play Columbia. These unbowed eleven, each with high scoring stars in their line-ups, promise one of the most thrilling games of the day.

At Philadelphia the University of California plays Pennsylvania in the biggest intersectional fray. California chances look good to many experts.

Some of the east's might will be striving to regain prestige lost by poor showings in the early season combats. Yale, which bowed before Georgia, will stack up at New Haven against a Brown team which has shown signs of strength after a weak start. Princeton, beaten by Brown, will strive to recoup at Ithaca, N. Y., against an undefeated Cornell team.

Besides the Columbia-Dartmouth clash, New York will see a couple of other first class encounters. New York University will entertain Penn State and an inspired Fordham team will combat another Jesuit eleven, Holy Cross.

Penn State will face a team enraged by a 26 to 0 defeat last week at the hands of Fordham.

Navy entertains Duke and West Virginia looks good to the experts to emerge victorious over Washington and Lee. Washington and Jefferson battles Carnegie Tech at Pittsburgh.

Pittsburgh, strong again this year, meets a heavy Nebraska team on its home grounds.

BACKFIELD MEN AT WU NAMED

It begins to appear that Coach Spec Keene has solved part of the backfield problem on his Bearcat football squad, for Pete Gretsch and Walt Erickson seem destined for permanent berths behind the line. They have shown particularly well during the past few evening's scrimmages. Both are in fine shape physically and are in condition to go the whole 60 minutes of play.

Neither man is particularly hefty, each weighing around 150 pounds. The whole Bearcat squad is rounding into shape and is beginning to function as a team should, those who have been spectators at nightly workouts state, and while the coach will not admit it, which of course is natural, it is beginning to be bruited about that Williamette will have a regular football squad this year.

EYE INJURED WHEN SHOTGUN EXPLODES

Jefferson—Guy Johnston who lives southeast of town across Green's bridge, met with a painful accident Wednesday while out hunting. For some unknown cause his gun exploded, filling his right eye with powder. He was taken immediately to the doctor at Albany, who dressed the injured optic. Johnston will be obliged to remain in a dark room for several days, but it is reported that his eye sight is not endangered.

MEDFORD GAME HELD UNLIKELY

Unless the southern school management has a change of heart, there will be no football game played between teams of Medford and Salem high schools, it was learned Thursday.

Early this season Medford wrote asking for a game with the locals. A prompt reply was sent, making a proposition for either a game here or at Medford, upon terms that were considered reasonable.

A few days ago a letter was received by Salem school authorities stating that the proposed game between the two schools would interfere with Medford's annual row with Ashland.

During the lapse of time between the first and second Medford missives, Medford had a narrow squeak in a game with Grants Pass, winning in the last minute by a 7 to 0 score, while Ashland was defeated by Marshfield. Marshfield had previously been beaten by Medford.

Persons interested in the local high school squad are doing a little wondering.

PARRISH JUNIORS PLAY MILWAUKIE

No other than a son of the famous Rube Saunders, the famous Indian athlete of former years at Chemawa, will be seen in action when the Parrish junior high squad faces the Young Rube plays center for the local juniors. The remainder of the line-up will probably be Jeff Hogate, right guard; Glen Moody, right tackle; Al Boardman, right end; Fred Berger, left guard; Glen Kantock, left tackle; DeGardin, left end; John Perrine, quarter; Rowell Houghton, fullback; Sugar, left half and Phil Brownell, right half.

SALEM HI HAS TOUGH GAME SERIES AHEAD

Salem high school's football squad will be without a game for Saturday. Every effort to find some outfit that was not tied up for the week end proved fruitless, and a much needed scrimmage in preparation for tough games to come seems unlikely now.

Starting next Saturday, when the red and black goes to Albany to play the strong team of that place, the local squad will have one tough game after another on succeeding Saturdays.

Following the Albany game, Salem will go to Astoria where the fishermen of that city will be met November 2. Eugene, ancient rival of rivals will come here for participation in an Armistice day double-header on the 11th. The Chemawa Indians are scheduled for November 16, but as both teams seem anxious to put this game over, it will probably be played on Thanksgiving day. The game on November 23 with Corvallis in the latter's field is the last scheduled contest of the season.

DAYTON PLAYS

Dayton—Dayton high school football team will play at Amity Friday.

Vancouver, B. C., (AP)—Frank Slavin, 68, famous heavyweight prizefighter of two decades ago, died in the Shaughnessy military hospital Thursday after an illness lasting more than a year.

Born in New South Wales, Australia, Slavin rapidly fought his way to the top of the ring. He was in the Yukon for many years after leaving the ring and at the outbreak of war enlisted in Victoria and served overseas with the 67th Western Scots.

STANFORD-AGGIE GAME BROADCAST

O. A. C. Corvallis—Play by play results of the Stanford-Oregon Aggie college football game in Palo Alto Saturday will be broadcast over KOAC, the college station, as received by a special telegraphic leased wire to the press box there. This broadcast is the fifth this season to be sponsored by the state college alumni association for the benefit of those unable to attend the games on the Beaver schedule. The broadcast will begin shortly before 2 o'clock.

PRIVATE FIGHT PROMOTION IN PORTLAND WINS

Portland (AP)—The prize fight industry which has had an exceedingly bearish action during the past few weeks took another flop Friday and was looking bullish with prospects for a fight card on October 22.

It will be—if it is held—the first privately promoted fight for ten years in Portland, the boxing commission—or what was the local Thursday evening—having tired of putting on shows which were profitless.

Developments in the industry in the past 24 hours were:

1—Joe Wood, for eight years business manager of the commission, who has been under fire, resigned, "because of the state of my health."

2—The three remaining members of the municipal boxing commission, Frank J. Loneragan, Fred N. Bay and Robert Sawyer, met and decided to turn fights over to private promotion.

3—Having so decided they issued a license to conduct a box fight show to Ralph Groman, one time (1912-1914) lightweight contender, and for many years official referee here, and Augustus Christopher Ardiss (Bobby Evans), one

time matchmaker for the commission, man-about-town, and big horse race man.

3—Groman-Evans announce a card for October 29.

4—Commanders' council of Veterans organizations recommend Harry Dorman and Dr. W. O. Scott to Mayor George L. Baker for appointment to boxing commission.

And so, unless Dorman and Scott essay to spill the beans, there may be a fight here a week from next Tuesday. The promoters, commission, etc., have been in engrossed in getting the industry back on its feet they are not yet able to name the fighters who will work for the uplift in Portland.

NEGOTIATE FOR GAME RENEWAL

New York (AP)—Renewal of the annual army-navy football classic hinged Friday upon a meeting to be held in Washington between Major General William R. Smith, superintendent at West Point, and Rear Admiral S. S. Robinson of the Naval academy.

There is a chance that the teams will meet December 6 at Soldier's field in Chicago. The chance, however, is remote because examinations at the military academy begin on December 18 and continue through December 28. After that the cadets will leave for the west coast for the Stanford game on December 28.
