

# OREGON GIVEN EDGE OVER WASHINGTON GRIDDERS

## WEBFOOT TEAM RECORD BETTER THAN HUSKIES

Eugene (AP)—For the first time in many seasons, the University of Oregon football team is considered to have more than an even chance to defeat the University of Washington Huskies at Seattle next Saturday because of the showing last year.

Oregon's Webfoots were victorious over Washington last year by 27 to 0. The doubtful strength of the Huskies this year is illustrated in its 6 to 6 tie with Montana and its crushing defeat by the University of Southern California, 48 to 0, is another point in Oregon's favor.

The rivalry between the two schools, existing since Oregon's victory in the first game in 1900, has been emphasized in the past few years more than during earlier days. In 1924 Oregon surprised the conference by defeating the Huskies in an upset at Eugene, 7 to 3.

However, the greatest battle between the two schools was waged at Seattle the year following. That year Washington won the Pacific coast conference title, but in the final game of the season was nearly knocked from its position when an Oregon team, coached by Dick Smith, rose up to hold the Huskies 15 to 14.

The first game of Captain John J. McEwan's era at Oregon was lost to Washington 23 to 9 at Portland in 1926. The next year was another battle typical of Oregon-Washington rivalry, but Washington won by the last quarter spur, 7 to 0. Last year at Portland, the Webfoots scored their greatest triumph over Washington since the 43 to 0 win in 1900.

## BIG SQUAD AT DALLAS HIGH

Dallas—Coach Wright of Dallas high has a tough proposition to train the football team into shape for a winning season, after beginning practice three weeks behind all opposing teams of the schedule with the exception of one.

The only school on the Dallas schedule that has not played at least three games already this season is Sheridan and that team has played one game; whereas the first game of the season for Dallas is scheduled with Sheridan for October 25.

However, Coach Wright reports an abundance of material—more than he ever had turn out before at Dallas. After several weeks' practice some of these new men are showing up quite well.

The most satisfactory of them are: Fred Keate, Glen Stevenson, Everett Miller, Harold Hyde, William Cadle, and Russell Humphreys. Bill Garner, a guard and letterman of last year, is ill with rheumatism and may not be able to play all season.

## FIELDS WILL MEET NEGRO RINGSTER

San Francisco (AP)—Jackie Fields, welterweight champion, will stake his reputation if not his title in a 10 round bout here Monday night with Gorilla Jones, clever negro ringster from Akron, Ohio.

The pair will come in at 149 pounds, two pounds over the welterweight limit, with Fields a strong favorite to defeat the cagey negro, despite the latter's somewhat imposing record. A specialist at body betting and continuously aggressive, Fields is expected to set too fast a pace for Jones.

## ST. MARY'S BEATS GONZAGA, 32 TO 0

San Francisco (AP)—A crowd of 35,000 saw St. Mary's college defeat Gonzaga football stalwarts of Spokane, here Sunday by a 32 to 0 score at Kesar stadium. Outplayed in the first half, St. Mary's came back in the last two periods to sweep the invaders off their feet.

## BONE FRACTURED IN DAYTON GRID GAME

Dayton—Johnny Nichols, a football player on the Dayton high school squad received a fracture of one bone in the left leg between the knee and ankle in the game with Amity last Friday. The fracture will necessitate the use of crutches for two months, attending physicians report. The game resulted in a scoreless tie.

## "A Few Variations" Ahead For Notre Dame

Outside of saying that there will be a "few variations" this fall, Knute Rockne reveals nothing about his plans for his Notre Dame eleven. Captain Law, a guard, and Brill, a half, stand out as big cogs in the South Bend machine.

## Plus Fours Are Not Balloons, Man Discovers

Chicago (AP)—James Meers has made the startling discovery that golf nickers may look like a balloon, but aren't.

Meers, who is 66 years old, put on a pair of plus-fours and went out with the boys early Sunday. The conversation turned to aviation and Meers had an idea. Inflate the knickers, he figured, and the wearer could fly a 1 through space or upon a surface of water.

With his companions he adjourned to a filling station and the plus-fours were pumped full of air. The boys then went to the roof of a small building on the Chicago river bank and Meers jumped.

Police pulled him out. "It's very strange," said Meers, wringing water from the bums. "Probably it's the trouser air one gets at the filling station nowadays."

## VANDALS LOSE TO OREGON, 34-7

San Francisco (AP)—After spotting its opponents to a 7 point start, shortly after the start of the game, the University of Oregon Webfoot football machine got started and defeated the University of Idaho Vandals at Portland Saturday 34 to 7.

Comparison of game statistics shows that Oregon is about two touchdowns better than Idaho.

Stanford continued to show that it has a remarkable team this year, when it trounced the Oregon Aggies at Palo Alto 40 to 7. The Oregonians made their lone tally shortly after the start of the game when they caught the Cardinals napping and slipped over a long pass.

Washington State played true to pre-game dope and although the Huskies showed over two touchdowns in rapid succession in the first period the Cougars came to life and emerged on the long end of a 20-13 score.

## WHITMAN LEADS IN CONFERENCE

Portland (AP)—Displaying a strong offensive attack, Whitman college continued its march for the north-west conference football championship Sunday, defeating College of Idaho, 31 to 21 at Caldwell, Idaho. The Missionaries, through the efforts of Appligate, quarterback, had made 25 points to College's seven at the end of the first half. In the final period, Whitman coasted on the 25 to 7 score, making one more touchdown while the Coyotes romped across the goal line for two touchdowns.

In the only other conference game, Pacific, dark horse of the league, defeated Linfield 20 to 0 and went into a tie with Whitman for first place honors. It was Pacific's first game.

## MINNESOTA AND PURDUE CENTER BIG TEN TALK

Chicago (AP)—Around Purdue and Minnesota, the former a "dark horse" at the start of the season and the latter an admitted title contender, the majority of Big Ten interest centered Monday as all conference teams began practice for next Saturday's games.

The favoritism toward the Gophers and Boilermakers was the result of the ability exhibited by both teams in games up to date, each has shown enough real football to create the impression that it will be hard to win from either.

At present Ohio State is leading the conference as the result of two victories scored over Iowa and Michigan, and no losses. Three other teams—Chicago, Minnesota and Purdue—have perfect records but each of these has won only one game. Illinois has neither victory nor defeat charged to it but its Illinois record is marred by a 7-7 tie play with Iowa last Saturday and that after Iowa had lost to Ohio.

## Cardinal And Trojan Clash To Be Torrid; Teams On Zero Basis

New York (AP)—There should be football fireworks sufficient for entertainment along every sector this week-end but the main detonation is likely to echo from the big bowl at Palo Alto, Calif. Close to 25,000 spectators in this far western counterpart of Yale's famous arena will see Stanford and Southern California light the fuse of their sensational rivalry.

This clash between Cardinal and Trojan, between the coaching systems of Pop Warner and Howard Jones, not only figures to decide the championship of the Pacific coast but to have a vital bearing upon the national title situation.

Both elevens have their eyes focused on this twin goal as well as on each other. Southern California takes later in Notre Dame and Carnegie Tech later as part of its drive for national honors. Stanford winds up its season by entertaining Red Cagle and his Army mates, so that the incentive to win is about as keen as it can possibly be.

Until last Saturday, U. S. C. was generally expected to be the favorite. The Trojans were off to a fast start and reached a peak of power by crushing Washington 48 to 8 on the latter's own gridiron. Stanford, coming along more slowly, aroused its backers by polishing off Oregon State 40 to 7, a margin of exactly 19 points more than Southern California's edge over the same team. On this basis and the fact that Warner always has something up his sleeve for a big game, Stanford now rates at least an even choice.

Both have California to contend with later. U. S. C. in fact, meets the Golden Bears the following Saturday at Los Angeles, but California, to justify any title hopes, must show more than it did Saturday in beating a scrappy but subnormal Pennsylvania team.

## BAGSHAW QUILTS SOON, SEATTLE PAPER REPORTS

Seattle (AP)—The Post-Intelligencer said Monday that Enoch Bagshaw may resign soon as head football coach for the University of Washington Huskies.

The newspaper said that details by Southern California and Washington State college, together with the tie game with Montana brought football matters to a head. The Post-Intelligencer said that after the game with Washington State Saturday, which the Huskies lost 20 to 13, a conference was held between Bagshaw's advisers and student body heads. The student board of control sought Bagshaw's resignation last winter.

The newspaper said that some of the coach's friends advised him to resign and then offer his services for the rest of the season because of the difficulty of obtaining a new coach on short notice.

## What A Muff!

Joe Laffreda

But it became a classic when an alert photographer snapped Joe in the act.
