

NEW BEAR LUMINARY TO START AGAINST TROJANS

'RUSTY' GILL PROVES WORTH AGAINST CLUB

Berkeley, Cal. (AP)—When the Bears of California university attack the Trojan line at Los Angeles Saturday, a new 1929 star of the gridiron will make his debut in an important conference clash. That young man will be "Rusty" Gill, who last Saturday proved his worth in the battle against the San Francisco Olympic club, which the Bears won 21 to 13.

Gill turned out with the rest of the varsity in Monday's practice, and engaged in several plays to be used against the strong Southern California phalanx. It was quite certain that Gill would be in the starting line-up Saturday. He is a sophomore and takes the fullback position. In the game against the winged O's Gill tore the opposing line to shreds. At one point he chucked up three successive first downs, making gains of 7, 11 and 13 yards.

Several California regulars who saw the Trojans hand Stanford a 7 to 0 beating Saturday were back at work Tuesday, with a definite idea of the task that awaits them in the southern battle ground.

UCLAS PREPARE FOR WEBFOOTS

Los Angeles (AP)—Heartened by two victories over Southern College conference opponents, the University of California at Los Angeles Bruins Tuesday busied themselves with plans for their invasion of the northwest for a game with the Oregon Webfoots at Eugene next Saturday. Despite the fact that the Oregonians reign favorites to trounce his Bruins by virtue of their Pacific coast conference wins over Idaho and Washington, Coach Bill Spaulding remained optimistic over the possible outcome.

Until time to depart, which is set for Wednesday, the U. C. L. A. squad will devote much time to defensive play. The forward wall still appears to be weak in the face of hard hammering. In Cliff Simpson, Buddy Foster and Jerry Russon, however, Coach Spaulding has a fast deceptive backfield.

ROCKNE GROWING WORSE

PROBLEMS FACE BUSH, NEW HEAD OF WHITE SOX

Chicago (AP)—Donie Bush, the scrappy one who recently was appointed manager of the Chicago White Sox will be coming to town this week to take over that new job which appears to have anything but rosy prospects.

Donie's first work will be a conference with Owner Charles Comiskey, the old Roman, who after a spell of sickness has regained enough of his health to get back into harness. There are many problems to be considered but one which right now has the interest of the fans centers around the great Art Shires.

The fans are wondering what Donie's attitude will be toward Art who was indefinitely suspended shortly before the season closed because he blacked the eyes of Lena Blackburne, then pilot of the White Sox. Art also had done that once before during the season.

Whether Donie will elect to keep Shires, who really is a good ball player, or whether some disposal will be made of the first baseman, is being discussed.

The mid-mannered Blackburne is the opposite of Bush, who always was looked upon as a scrappy ball player.

Taking over his new job, Bush has some muscled to work with but the present White Sox roster isn't the type which gladdens managerial eyes. Two pitchers, Al Thomas and Ted Lyons are good and Moe Berg will do as a catcher but Bush probably will be looking around for some one to share the work with Berg.

Wille Kamm is one of the three best third basemen in baseball but the rest of the infield needs strengthening if Shires is not put back on first base.

Kerr is a good fielder at either short or second but a weak hitter. The Sox outfield is fair but needs additional hitting strength. There are reports that other American league clubs are ready to do some trading with the Sox for Chicago is a good baseball town for a winner and the entire league profits when a winner inhabits Comiskey park on the southside.

MONMOUTH PLAYERS SCOUT ASHLAND

Monmouth—Residents of Monmouth who accompanied the football team to Arcadia last week stopped with the team to see Ashland play a college in San Francisco at Ashland. The coach reports that Ashland has a very strong team and he expects the game with them here next Saturday to be a very close one.

GOOD WRITING NEEDED TO SELL FARM IDEAS

East Lansing, Mich. (AP)—Michigan state college has added a course in journalism to better train prospective extension specialists to "sell" its agricultural program to farmers.

WOMAN HEROINE AT 80

Ogdensburg, N. Y. (AP)—Saving a man from drowning is nothing out of the ordinary to ninety-year old Mrs. Henry Bushey. She recently pulled Louis Seigel, sixty-three, from the water. "Although I could swim well once, I am not as strong as I used to be," was her only comment.

PARRISH TEAMS ON EQUAL BASIS

At least 22 boys continue to turn out each night at Olinger field under the direction of Coach Fletcher of Parrish junior high school. And while the juniors may not win a majority of their games they are picking up a working knowledge of the game and by the end of the season should present a fairly competent grid machine.

The players have been divided into two squads and so far Coach Fletcher has been unable to determine which is his "first team." They will likely continue through the season known as "A" and "B" teams. The "A" squad consists of Fisher, right end; Moody, right tackle; Quezeth, right guard; Saunders, center; Hogate, left guard; Kanto, left tackle; Boardman, left end; Bronnell, left half; Sugar, right half; Houghton, fullback; Perrine, quarter.

"B" team players are Sanders, right end; Wagner, right tackle; Berger, right guard; Miller, center; Green, left guard; Ramage, left tackle; DeJardin, left end; Nicholson, right half; Yoshaki, left half; Kelly, quarter; Hughes, fullback.

BOYS INSURE WINDOW

Shelbyport, Wis. (AP)—Packed automobiles with glass windows and doors were a problem for students of the Lincoln grade school playground here until a 12-year-old boy, Gordon Hildebrandt, and four other young business men of the school organized the Lincoln School Class Casualty Co. The "firm" has sold more than 250 policies at ten cents a policy since its inception last year.

Protection is given policy holders against window breakage in the school yard between the hours of 7:45 A. M. and 4:45 P. M., on school days. The policy also covers windows in nearby buildings and passing automobiles.

When a policy is to be paid for a breakage, President Hildebrandt and four other officers, acting as a board of adjusters, interview the policyholder and ascertain if the window was broken accidentally. Careless breakage is covered only by half payment of the policy.

LEG INFECTION AGGRAVATED BY CARNEGIE TRIP

South Bend, Ind. (AP)—Rumors were current on the Notre Dame university campus Tuesday that the condition of Knute Rockne, famous football coach, had taken a turn for the worse.

An announcement by the university that Rockne's trip last week to Pittsburgh for the Notre Dame-Carnegie game had aggravated his condition and the coach's absence from practice Monday afternoon was accepted as partial substantiation of the rumors. The Rockne telephone was disconnected Monday night and no word was forthcoming from the residence as to his condition.

BEAVERS DRILL TO ELIMINATE FUMBLES

Corvallis, Ore. (AP)—A three-day stiff practice session started Tuesday for Oregon Agricultural college's football team, after resting Monday following the Idaho game. Coach Schisler will spend much of the practice time between now and Saturday when the Beavers meet Washington State at Portland, to prevent an epidemic of fumbles which was notable in the Vandal contest. The Aggie came through the Idaho game in good condition, none being out because of injuries.

HUDKINS SEEKS MICKEY'S CROWN

Los Angeles (AP)—On a canvas-covered battle ground, roped off within the setting of Wrigley field, Mickey Walker, middleweight champion, Tuesday night will defend the time-honored crown which is his by right of might, against the savage rushes of his most persistent challenger—Ace Hudkins.

Reared in the ring school that teaches "no quarter asked and none given" these two gladiators are expected to settle a flat dispute, in ten rounds or less, that will go down as one of the memorable fights of the game.

One year ago they came together in an encounter which since has provoked much comment, both for and against the decision. The Rumson, N. J., bulldog retained his title after ten furious sessions but Hudkins always has claimed he was the victim of a poor decision.
