COOPER NAMES M'CULLOCH AS OHIO SENATOR

Columbus, Ohio (P)—Governor Meyers Y. Cooper Tuesday appoint-ed Roscoe C. McCulloch, republi-tan, Canton, United States senator eding the late Senator Theodore E. Burton of Cleveland,

dore E. Burton of Caveiana.

McCullech, 48, son of a farmer,
former congressman, lawyer and
once special assistant United States
attorney general, will resign his
present post as chairman of the
state public utilities commission
and will leave for Washington at

and will leave for Washington at conce.

He will serve until December 15, 1930, and under state law in order to complete Senator Burton's term which expires on March 4, 1933, mus. run for election next year.

McCalloch is the father of two children, a daughter 21, and a son, 17. He was born on a farm in Holmes county, was educated in the Millersburg public schools, Wooster preparatory school, Ohio State university law school. He was admitted to the bar in 1903.

He served three terms in congress from 1915 to 1921. He first ran for the lower house in 1912, but was defeased. He was an unsuccessful candidate for the republican gubernatorial in 1920. Shortly after the war McCalloch was appointed special assistant United States attorney general to prosecute and collect claims against war-time contractors. He was aspointed to his present utilities commission poet shortly after Governor Cooper assumed office.

Only One Voter To Cast Ballot In N. Y. Precinct

New York, (A) — George Schrader, an engineer living at 228 West 38th street, was quite an important person in Tuesday's city election. He was the lone voter registered in the 38th election district of the 10th assembly district of Manhattan.

Four election board members and a policeman were appointed to receive Schrader's vote. They have all day to count it as they must remain at their posts until 6 p. m.

But Schwader feet, but it is a tree and a their posts until 6 p. m.

p. m. But Schrader took his time But Schrader took his time about voting. He approached the polls about 9 o'clock, peered in and walked away without saying a work, which was a break for the newspaper photographers who were not on the job so early. Schrader then sent word that he would pose for pictures and vote late in the afternoon.

RASKOB DENIES SPECULATION IN WALL STREET

BEPUT ON LIST

Portland, Ore, (#)—A resolution asking President Hoover to include development of the Columbia river in his national waterways program was adopted Tuesday after a meeting of the state committee appointed by Governor Patterson,

A committee of three others were named to devise ways and means of bringing the resolution before the president.

The special committee of the Hoover resolution is composed of J. E. Bennett, John B. McCourt, Portland and James E. Alexe, Pensonness and in a large measure responsible for the collapse of security values.

"The answer is that I do not samble in the stock market," Raskob wrote Harrison, who presented the letter before the senate. "I have always purchased stocks outright, investing in the securities of those advantages in the securities of those alternative future and have held the stocks until such time as I felt they were selling for all they were worth."

Raskob accused Robinson of deliberately trying to "contruse the president.

Washington (IP)—President Hoover should demand the resignation of Secretary of Treasury Andrew W. Mellon, for failure to enforce prohibition "and get a Smedley Butler or some one like that," Senator Smith W. Brookhart, ardent Iowa dry and independent republican told the senate Tucaday in describing what he called a "Wall street booze party" to United States senators at a Washington hotel in 1926.

PLAN TO USE DETROIT ROAD

J. F. Bewley, road patrolman in the Detroit road district covering the road between Detroit and Miagara and into the Brettenbush country, was in Salem Tuesday and stated that a portion of the \$4000 road tax assessed at the recent apecial road meeting there will be expended for the purchase of a snow plow to be used on the Detroit-Niagara road and other district roads during the coming winters. He states that it is planned to purchase a standard hydraulic snow plow to handle the situation which has somewhat baffled the road forces up there in the past when attempting to use a grader for the work. Seattle, (P)-The Rev. Dr. Mark A. Mathews, nationally known cru-sader, Tuesday hoped to "lead the way back to a sane America which will respect all laws." He told the United Press he had

the work.

Bewley says that last winter the heaviest single snow fall on the road was 27 inches but at times the snow was 30 inches deep in that section. With the snow plow he states there With the snow plow he states there will be no difficulty experienced in keeping the road open to the end at any time turing the winter. This road would link with the new proposed road across the mountains through Hogg pass.

Bewier also stated that the special tax will also be used for maintenance of a mile of the new Brettenbush road to mile post 17 maintenance.

which is growing graver every lour and if public opinion is not so tenance of which will be taken over effectively aroused to produce some prompt and heroic remedy the day will come when the regularly constituted machinery for the maintenance of the Detroit-Niagara road.
