

IOWA PROVES MENACE TO MINNESOTA & PURDUE

COACH SPEARS ELABORATES ON TEAM OFFENSE

Chicago (AP)—Minnesota and Purdue, racing step and step toward Western conference football honors, both are haunted by the same specter—Iowa.

The Iowa menace is Minnesota's concern this week for they will meet at Iowa City Saturday. With Northwestern and Indiana out of the way, Coach Spears Monday started to elaborate on his offense, in preparation for the game that may make or break the Gopher season. The situation caused by the schedule may work to the advantage of Purdue, which will meet Iowa after Minnesota takes its crack at Burt Ingwersen's team.

Ohio State's prospects of a victory over Northwestern Saturday were halted Monday when Coach Sam Williamson of the Buckeyes suspended Charlie Coffee, one of his star halfbacks, for the remainder of the season for infraction of training rules while the team was in Pittsburgh last week end.

Illinois started drilling for its inter-sectional clash with Army Saturday, after Coach Zuppke finished telling the varsity how bad it looked against Northwestern last Saturday.

Although battered in its defeat by Purdue, Wisconsin received no day of rest Monday. Coach Thielathwaite immediately went back to work to try to develop an offense which will function enough at least to score on Chicago Saturday. The Badgers have yet to score a point in conference competition.

GERVAIS HIGH TO MEET PARRISH 11

Parrish junior high's football squads were being sent through their paces early this week in an endeavor to tighten up their defense in anticipation of their next game which will be played with Gervais next Friday afternoon on the latter's gridiron. The play of the locals last Friday was particularly ragged in stopping end runs, the husky visitors reeling off huge chunks of yardage around the flanks. Coach Fletcher had his proteges rolling all over the place Monday evening in an endeavor to emphasize the necessity of "getting" the defensive backs on the opposing side.

OREGON RESTS

Eugene (AP)—Oregon's football team took the usual Monday rest after a Saturday and Tuesday was preparing to start a two weeks session of strenuous practice for the annual Oregon football classic—Oregon versus O. A. C. on Hayward field here, November 16. The Webfoots came through Saturday's tilt with U. C. L. A. without any injuries.

BAKER GRID TEAM DECIDES TO QUIT

Baker, (AP)—Baker high school's football season was at an end Tuesday. The team, suspended by the Oregon high school athletic association for the playing of allegedly ineligible players, turned in its suits Monday night. Meanwhile the Baker citizens committee, organized to fight the order of the association in suspending the team, is planning to carry its fight for vindication of the charges to the annual meeting of the association to be held in December.

Coach George Scott issued a call for basketball practice Tuesday. His gridders were contenders for the eastern Oregon high school football championship when the suspension order was issued.

DOYLE FOULS

Capetown, Union of South Africa. (AP)—"Kid" Nicholson of England beat Mickey Doyle of the United States on a foul in the fourth round of their 15-round boxing match here Monday night.

AKERS' RECORD IN CALIFORNIA IS ATTRACTION

Although he has not been given much of an opportunity to prove his worth to Salem fans, Art Akers, who will meet Johnny Hawks, Seattle, in a ten round main event here Wednesday night, has established an enviable record for himself in California, according to a statement Tuesday of Charley Evans, the scrapper's manager.

Such boys as Frankie Bolt, Kid Jap, George Savage, Earl Barren and Battling Siki have given way before the flying fists of Akers, while local followers of the game know what he did to Chasley O'Leary here one night not many weeks ago.

Ever since Akers won over Ted Poy on a foul, Matchmaker Plant has been trying to get someone to meet the soaking Akers. Benny Peltz, who challenged the winner of the Fox-Akers embroglio, changed his mind and refused to enter the ring with Akers. Portland was combed for an opponent, but none could be found. Finally Plant went down deep into the old pocketbook and told Hawks, northwest lightweight title claimant, to come down. The match should be good.

Twenty-eight rounds of boxing have been scheduled for Wednesday night, with interest centering in the Akers-Hawks and Kelly-McRea bouts. The latter affair is attracting unusual interest, because of the manner in which the principals disposed of their opponents on the last card.

LOMSKI SIGNED FOR DETROIT BOUT

Chicago, (AP)—George Courtney, Oklahoma light heavy-weight, and Leo Lomski, Aberdeen, Wash., puncher, have been matched for a 10-round bout at Olympia Arena, Detroit, November 20.

The bout will be an elimination affair, and Dick Dunn, Olympia promoter, and Scotty Montelth, matchmaker, hope to match the winner with the victor of the Yale Okum-Maxie Rosenbloom fight in New York, in Detroit December 20.

O'GRADY WINS

Medford (AP)—Gene O'Grady, Ashland, knocked out Kid Dennis, Denver, in the first round here Monday night. O'Grady was floored for the count of eight in the first minute of the fight but recovered. Billy Bredlove, Bend, and Teddy Miske, Los Angeles, fought six fast rounds to a draw.

Basketball Has Right of Way Over Philosophy

Madison, Wis. (AP)—Dr. Walter Meanwell, the "Little Giant" of Wisconsin basketball, likes philosophy but not when it interferes with his favorite sport.

The university auditorium committee refused use of the gymnasium to Bertrand Russell, noted English philosopher, for November 29 because Dr. Meanwell said it would disrupt basketball practice. The campus philosophers have appealed to President Glenn Frank.

COAST LEAGUE DELAYS START IN NORTHWEST

Avalon, Santa Catalina Island, Calif. (AP)—Officials of Pacific Coast league baseball clubs entered the second day of their annual meeting with all the major decisions made, and apparently only enough detail left to keep them occupied until noon Tuesday.

Monday's session, placid to the point of unanimity of opinion on leading questions, resulted in the retention of the split season for 1930 and a 28-week schedule. The opening date was set for Tuesday, April 8, and a bonus of \$15,000 was voted for division at the close of play the third week in October.

Four weeks of the schedule was announced, and in this section of the program was seen an attempt to overcome the bad weather bugaboo of the Portland and Seattle clubs, which held down gate receipts of the opening of the 1929 season. The opening date is one week later than that of 1929, and both Portland and Seattle play in California two weeks before shoving the gates of their home fields ajar.

BAGSHAW WORKS MEN IN SECRET SESSION

Seattle (AP)—University of Washington football fans were trying to figure out Tuesday just what went on behind the locked gates during the Husky workout Monday while Coach Enoch Bagshaw was preparing his men for their fight with Stanford here Saturday. Many Husky supporters believe Baggy is working out some surprise plays for his last Washington team to pull against the crafty Cardinals; and some think the tricks might kick over a lot of pre-game dope.

M'LARNIN IS WINNER OVER SAM MANDELL

Chicago (AP)—Jimmy McLarnin may not become the next world welterweight champion, but he has accomplished something that the present holder of the title, Jackie Fields, found too difficult a task.

McLarnin enhanced his standing as the foremost contender for the welterweight crown Monday night at the Chicago stadium where he gave Sammy Mandell, ruler of the world's lightweights, a thorough beating, winning a decision at the end of 18 rounds of great fighting.

Fields attempted to conquer the Rockford Shiek about a year ago, and received a fine boxing lesson from Mandell.

Mandell gave away six rounds to the slugger from Vancouver, B. C., and the handicap was too great. McLarnin, who was too strong, and too aggressive, was credited with six rounds, while Mandell, who entered the ring the favorite, was given but two.

The outcome was a surprise to most of the 22,212 spectators who paid \$102,368 to see McLarnin completely reverse the decision gained by Mandell in their lightweight championship battle a year ago last summer.

FRENCH BOXER IS FAVORED TO WIN

New York (AP)—Eugene Huat of France Tuesday was established as an outstanding favorite to win the world's flyweight boxing title as a result of his impressive victory Monday night over Corporal Izzy Schwartz, New York, former American champion in the ten round main bout of the first round flyweight championship elimination tournament at Madison Square Garden.

BEAVERS WORK

Corvallis (AP)—Smartering under the 9 to 0 defeat administered by Washington, O. A. C.'s football team Tuesday started training for the Oregon game at Eugene two weeks hence. Coach Paul J. Schissler will work the Beavers hard, drilling them on new offensive plays and perfecting a passing defense.

Oregon Aggies, West Virginia Sked Ten Games

Chicago, (AP)—West Virginia and the Oregon Aggies have agreed to a 10 year Thanksgiving day football program on Soldier Field, Chicago, for the benefit of the Shriner's hospitals for crippled children. The first game will be played in 1930. Several nationally famous football officials will referee the games.

STANFORD ASKS FOR HUSKY TILT

Stanford University, Cal. (AP)—When the University of Washington bombards the invading Cardinals at Seattle Saturday, the battle will not find the Stanford elevens unprepared. Although there remained only three days before their train pulls out for the north, Coach Warner's men were faithfully drilling away at their many plays, thinking of victory only, and looking ahead to the "big game" with the hard fighting, conquering California Bears.

BEARCAT SQUAD GETS DAY OFF TO RECUPERATE

Willamette university's gridiron warriors were given a rest Monday by Coach Keene. Two strenuous battles within a period of eight days, the first with Idaho and the second with Pacific, had developed a bunch of sore shoulders, bruises and other minor hurts, so a day of ease was granted the squad.

With the exception of Garney Cranor, halfback, Coach Keene's players came through the tussle with Pacific in excellent shape. Lang's tender shoulders are still bothering him to some extent. It was for the purpose of giving the big boy a rest that he was benched during the second half of the game with Pacific Saturday.

The team is displaying considerable spirit and are looking forward to their jaunt to Walla Walla on Thanksgiving day with a great deal of enthusiasm. Meanwhile Linfield will have to be beaten on Armistice day if the Bearcat squad is to have a clean win slate.

Increased sensitivity of the screen grid tube has turned the attention of engineers more sharply to the development of line noise eliminators.
