

COUNTY ROAD PAY ROLL DROPS FOR WINTER

While reports are not in for November the number of men employed in road work over the county has probably dropped off half or better since October and will probably continue to go down some until the low mark will be reached in January to add one other phase to be the expected unemployment situation in the county the approaching winter.

The peak mark this year was reached in September when 516 men were employed in road work with a total wage of \$23,267. The next lowest month was in July when 570 men were employed but wages amounted to \$24,050. In August there were 476 men with wages \$27,750 and in October the number was 472 with a payroll of \$16,151.

The apparent discrepancy in payroll which appears at times as though fewer men received greater wages is due to the spread in wages with one man working on different jobs at different times in the month. The figures are obtained from the industrial accident commission reports but show as near as can be obtained labor conditions on the county roads.

In February of this year the payroll had dropped to \$6,456 with but 278 men working and it is expected a similar situation will exist over the next few months up until July when a peak working season will start again.

JAMES M. BURGESS appointed to succeed W. M. Smith as assistant state superintendent of schools. He has been superintendent of city schools at Heppner.

F. Krenz sang "When I Was a Sweet" and "Oh Promise Me", with Mrs. Edison Comstock accompanying on the piano. Mrs. Krenz played the wedding march.

Over the wedding party hung a beautiful arch made of amilax and greenery. The altar was banked with ferns and beautiful chrysanthemums.

The bride wore a gown of pale pink satin back crepe, made sleeveless with an uneven hem line and she carried a shower bouquet of pale pink sweet peas and carnations. The maid of honor wore pale green gorette and carried an arm bouquet of pink carnations.

After the ceremony the wedding party, together with about fifty relatives and friends, motored to the Kzq home where a reception was given the young folk.

Mr. Mulkey is manager of a saw mill south of the Waldo Hills and at present they will make their home near there.

McMinnville Folk Observe Anniversary

Dayton—Mr. and Mrs. John Berry celebrated their golden wedding anniversary at their home near McMinnville Sunday. Mr. and Mrs. Wallace Goodrich and family, Dr. and Mrs. Orr C. Goodrich and family, Mrs. A. M. Yocum and Mrs. J. P. Dorsey were the friends from Dayton who attended.

Mr. and Mrs. Berry are about 75 and 70 years of age respectively, and are well and active.

The celebration was held at the new home of their son and daughter-in-law, Mr. and Mrs. H. Ray Berry, on the farm home separated by only a few rods from the home of their parents. A family dinner was served at noon, and open house from 2 to 5 o'clock was held, with more than 200 friends calling to offer congratulations and best wishes.

The rooms were banked with innumerable bouquets of many varieties of flowers but large yellow, white and bronze chrysanthemums predominated. Among the wonderful shower of beautiful and useful gifts were gold watches for the couple.

Woodburn—Mrs. J. C. Beaumont of Southampton, England, left Monday on her return to England after spending the past three months at the home of her son and daughter-in-law, Mr. and Mrs. Lyman H. Shorey. Mrs. Beaumont was accompanied to Portland by Mr. and Mrs. Shorey and will visit friends at Chicago and New York en route. She expects to sail from New York November 30 on the Homeric. While in Woodburn Mrs. Beaumont was extensively entertained.

Silverton Couple Married Tuesday

Silverton—Miss Helen King, youngest daughter of Elmer King of the Waldo Hills district, and Chester Mulkey, son of Mr. and Mrs. Mae Mulkey of the Silverton Hills district, were united in marriage Tuesday evening at 8 o'clock in the parlors of the Christian church, Rev. J. A. Bennett using the single ring service. Miss Edythe Gilmore of the Waldo Hills, was maid of honor and Arthur Mulkey, brother of the groom, was best man.

Preceding the ceremony Mrs. W.

DRAMA TENSE IN SOUND PICTURE OF BROADWAY

"Broadway" has come to Bligh's Capitol theater. From the instant the spectator's eyes look down from a dizzy height into the churning motion of New York's most expensive sign board district, he is a part of its melodrama. He is swung through the panoramas of latest night club views with un-nerving speed. The activities are merely jagged impressions, but one catches the feeling that this is the actual sensation he would have coming into a night club slightly intoxicated and taking a quick look around.

Throughout the play the spectators feel a decided tension. He is conscious that dramatic things are about to happen. They do, but he is astounded with each happening. "Broadway" is a sharply melodramatic talkie. It is the story of a song and dance man and his sweetheart from the chorus looking for the "big break." Their plans are cut into by a "gentleman" bootlegger, Steve Crandall. But in his back alley business, Crandall has poached on the selling territory of another bootlegger, "Scar" Edwards. "Scar" is shot in the back and then his wife enters to turn the play.

It is a thoroughly well-cast talkie, well produced. The entire play is well knit, consistent, harmonious in its acting elements. Glenn Tryon is a likeable song and dance man, and Myrna Kennedy does well as his partner and sweetheart. Evelyn Brent gets herself deep into the

heart of the picture as the tough skinned trouper and venal wife. But the honors of outstanding portrayal in a group of excellent portrayals go to Thomas E. Jackson as Dan McCormick, the plain clothes arm of the law. His stoic restrained speech is beautiful. His ideas of justice make good drama, and you will always remember the way he says his last line.

This attraction opened at Bligh's Capitol Wednesday and will run until Saturday.

MOSAIC SCRIBBLED BY HOOVER FOR SALE

New York (AP)—An autographed mosaic of triangles, circles, parabolas and spiders' webs purporting to be by President Hoover is on sale at a dealer's. The president has a habit of scribbling such designs on waste paper when listening to callers. As explained by the dealer, one visitor was so fascinated that he obtained the paper with the presidential signature, then he sold it.

The price asked is described as a fair portion of the presidential salary. The symmetry of the free-hand drawing is remarkable.

Scientists have learned much about the stomach in the past few years. Most so-called "indigestion" is caused by excess acids neutralize the acids and relief follows.

The makers of Pape's Diapepsin were among the first to realize this. These pleasant little tablets have brought relief to millions. And permanent correction of minor stomach ills which, if left unchecked, usually develop into serious disorders.

Don't go on suffering from heartburn, gas, belching, sour stomach; nor give up the things you like. You can eat your way to perfect digestion if you let Pape's Diapepsin take care of excessive acidity. Mail the coupon for a box to try FREE. Then "top off" your next hearty meal with one or two of these tablets and see what a difference it makes.

They NEUTRALIZE All Acid; Here is your proof FREE

When you are tormented with rheumatic agony you want to get rid of it as soon as possible.

Broad minded pharmacists will advise Allenru because they know of the countless number of people it has helped.

They know it is a real remedy because of their training and because the makers of Allenru have so much faith in it that they authorize druggists everywhere to dispense it with the distinct understanding that one big bottle must do what the buyer expects it to do or money back.

SCIO MINE OUTLOOK GOOD FOR WINTER

Scio—At the annual meeting of stockholders of the Crown Mining and Milling company in Scio, the board of directors was re-elected, as follows: E. E. Taylor, Lebanon, and G. M. Bilyeu, A. T. Powell, Joe Boyanovsky and R. E. Peery, Scio.

Display of recent rich ore encountered at the Crown mine east of here created unusual enthusiasm at the meeting and a substantial sum of money was subscribed for furtherance of the work, which is to continue without interruption during the winter, it was announced. Samples of gold and copper displayed since the meeting are estimated to run from \$150 to \$175 per ton.
