COULD NOT SLEEP NIGHTS

Helped by Lydia E. Pinkham's Vegetable Compound

Fairhaven, Mass.—"I am taking Lydia E. Pinkham's Vegetable Compound during the Change of Life. When I feel nervous and run-down my husband gets me a bottle right away. It is a great help to me and I think that if other people would only take it when they feel all run-down and take it as the directions say, they would find it a great benefit. My worst symptoms were nervousness and tired feelings. I could not sleep nights and I was so nervous I would cry if anyone looked at me."—Mrs. Ada Russ, 196 Washington Street, Fairhaven, Mass.

An Army Travels on its Stomach!

A famous French soldier, one Napoleon Bonaparte, was first to chalk up the above remark.

But—armies aren't the only ones to travel that way. Most of us use the same method, and we've got to be mighty careful how we treat that stomach.

Let our doughnuts help you travel the road to good health. They are a perfectly balanced food, brimful of nutrition and energy... a distinctly different flavor and a royal treat when your appetite needs a little coaxing.

Try a box for a new food thrill. You won't have to do much traveling to get them, either. Just ask your nearest grocer for
