ooe in payments to the county high schools. Demand has been made for payment and soit has been threatened unless the claims are allowed. The case was referred to the attorney general who ruled relative to the part of the county.

The county court, acting upon the assumption that the tuition fund is a district measure, decided to levy a tax sufficient to make up the deficit and pay this year's costs making \$93,000 included in the 1930 budget, outside of the 6 per cent limitation.

As the road fund is the only item that can be pared, this fund will be reduced to about \$10,000, according to present plans. The arrangement will save about two mills

cerding to present plans. The arrangement will save about two mills in general taxes while unorganized high school districts will be required to bear about an eight mill increase. As a result of this action Douglas county will have about a weed for proad manufacture.
