COLLEGE HONORS SILVERTON YOUTH

Silverton—At a special meeting Thursday of two honor societies, Alpha Kappa Psi and Beta Alpha Psi, at the Oregon Agricultural college chamber of commerce, Marshall Powell, son of Mr. and Mrs. Frank Powell of Silverton, was accorded special honors. Dean Bexell of the school of commerce, and Erskine Sandys, president of Beta Alpha Psi, presented Powell with a loving cup in recognition of his outstanding work in accounting, quality of leadership, and maintenance of a high school scholastic average.

Powell is a sophomore in the school of commerce at O. A. C. He is a member of Delta Sigma Phi fraternity. In addition to scholastic honors he was also chosen as one of two delegates to represent Delta Sigma Phi at a national fraternity convention to be held in Richmond, Va., during the holiday season.

Powell is employed after school hours, Saturdays and throughout the summer holiday at the J. C. Penney company in Salem.

MANCHURIA CHINESE FACING STARVATION

Shanghai, (AP)—Dispatches of the Kuomintang Nationalist government news agency, from Mukden, dated Sunday, said:

"The Chinese population of Manchuria is facing starvation due to a shortage of foodstuffs resulting from the Soviets' refusal to allow anyone to leave the city."

"One thousand miners of Chalmers who escaped when the Soviets bombarded the mines are reported to be imprisoned by the Soviets."

The Soviets again raided Pogranichnaya by air, inflicting slight damage."

LINN COUNTY DRIVE FAILS IN ITS GOAL

Albany—Cash contributions and pledges to the Linn county annual Red Cross roll call drive have reached the \$2000 mark, but lack \$300 of reaching the \$3000 goal necessary to carry on the work of the organization in the county. At present, however, the indications are that the \$3000 mark will not be reached unless individuals and organizations send in some large subscriptions.

Colored Poster Stamps To Advertise Oregon Supplied By Chamber

Over 6,750,000 poster stamps telling the facts and opportunities about Oregon are to be placed in circulation on out going mail through the cooperation of the state's 30,000 business and professional men in the expansion program of Oregon state chamber of commerce. It was announced here by W. G. Ide, manager of the organization.

The first series of 30 stamps now on the press will be ready for distribution soon, it is said.

"The Oregon state chamber has committed itself to a practical and ambitious program for 1930 and through the use of Oregon poster stamps will carry on an aggressive campaign of state wide development calculated to add millions to our new wealth production annually."

"Build Oregon!" is the keynote of the state chamber's program. The state today produces more than \$619,000,000 in new wealth annually from agriculture, mining, lumbering and manufacturing. It is the aim of the organization to conservatively and effectively exploit Oregon to the world in close cooperation with local chambers and trade organizations of the state and add millions new wealth annually to the state production output.

Three goals in attaining the objective of the program are: "Millions new wealth from increased agricultural production." "Millions new wealth from industrial expansion." "Millions new wealth from the scenic resources of Oregon."

The first Oregon poster stamps are printed in four colors and have 30 different stamps to the page. At the bottom of each stamp is the following wording: "Ask for all the facts—write our chamber of commerce." The object of this is to direct inquiries prompted by the poster stamp back to the city first from which the stamp was posted.

Copy on the first stamps is as follows: "Eat Oregon Apples—the nation's finest and most delicious." "Oregon First in Pacific Northwest in Prunes." "Oregon First in U. S. in Hops." "Oregon Where Wheat often yields 60 bushels per acre." "Oregon where you can make greater profits in dairying." "Oregon where poultry pays and hens lay 300 eggs a year." "Oregon Sheep lead the world in wool production." "Ask for Oregon Cherries and you'll get the finest." "Oregon grows 80 per cent of the nation's Bosc pears—finest, highest priced grown."

"Oregon first in U. S. in Fibre Flax." "Oregon grows the nation's finest English Walnuts and Pilberts." "Oregon leads the nation in timber." "Oregon America's fastest growing woods, knit goods and linen manufacturing state." "Oregon where 440 mills cut four billion feet of lumber annually." "Oregon offers industry low cost power—high labor efficiency—favorable rail and water rates to world markets." "Come to Oregon visit Mt. Hood a year 'round scenic playground." "Oregon first in Pacific northwest in canned fruits—over four million cases annually." "Come to Oregon see beautiful Crater lake 7,000 feet altitude—1,996 feet deep."

Come to Oregon see the unparalleled scenic grandeur along the Columbia river." "Come to Oregon 300 miles of marvelous vacation land beaches." "Come to Oregon see the marble halls of Oregon caves in Siskiyou national forest." "Come to Oregon see Wallowa lake and Wonderland—the Alps of America!" "Come to Oregon!—enjoy the thrills of big game hunting and sport fishing." "Oregon has over 4,500 miles of all year scenic highways." "Oregon Where Copper mining is fast becoming a leading industry." "Oregon climate is ideal—no floods, cyclones, or violent

electrical storms." "Oregon where large U. S. irrigation projects are now being developed." "You'll find splendid schools and churches every where in Oregon."

Other series of stamps are now being worked up and will be announced shortly it is said. The various poster stamps being issued will tell what Oregon has, wants, offers, how the state ranks and of its special points of interest to the state visitor.

The number of poster stamps each city and county is expected to place in circulation is now being tabulated. The basis for arriving at the number is figured on "a stamp a day per business man."

Plans for a state-wide campaign to get the stamps in the hands of all the business men are now being worked out.

Silverton—Sylvester (Bunk) Hoyt, son of Mrs. Nettie Hoyt, of the Dawson addition, is in the Silverton hospital as a result of a shotgun wound received about midnight Sunday, when he was in the Mt. Angel district. Details of the shooting were not available here and efforts to learn the cause from Mt. Angel have proven fruitless.
