

SALEM HIGH AND OLD GRADS TO MIX FRIDAY NIGHT

BOB KELLY IS ONLY REGULAR BACK IN GAME

"They never did it while I was coaching here," was Coach Hollis Huntington's mild comment Thursday when it was suggested that the alumni would probably give his Salem high school basketball squad a beating Friday night. Beyond that, the coach didn't go, although neither he nor his squad seem to stand much in awe of the old grads who will congregate in an effort to take the youngsters down a peg.

The game which will start at 7:30 Friday evening will find Kitchen and Pettit at forward; Ray Graber at center; and Bob Kelly and Sanford doing guard duty. Kelly is the only last year regular on the squad. Kitchen, Pettit and Graber all saw service but had no part in the regular lineup. Sanford is the product of Parrish junior high and is a promising lad.

Graber, a tall slim youth, who developed rapidly last year, has taken on weight, and according to the coach, is a smooth and graceful worker, making every movement count. Lack of stamina last year was given as the reason for keeping him on the bench. In practice this season he apparently holds his own with opponents.

Kitchen and Pettit are extremely fast but have the bad habit of missing their "set-ups" and sinking the hard ones. Kelly, who, during the latter part of last season, developed into a fine shot, is continuing to find the basket regularly.

The entire squad is not breaking fast enough to suit the coach and a great deal of work will be necessary to overcome this tendency, he states.

Others who will probably see action Friday night include catcher, guard, from last year's Parrish squad; the West foreman, guard and center, and Hale, Foreman, Calvey and Devers.

Approximately 23 boys were on the floor Thursday, the squad having been reduced through voluntary retirement of several boys. Further reduction in numbers is expected by the coach.

BETHEL, DALLAS TIED FOR LEAD

Dallas—The last county league game before Christmas holidays will be played by Monmouth and Bethel at Bethel Friday evening. Milford Nelson of Monmouth will contest the contest in place of Mason of Salem, who was formerly hired, but was injured recently in an accident at the Salem airport.

On January 3 the league will swing into full action with three games scheduled for that day. Falls City at Bethel; Dallas at Monmouth and Independence at Rickreall.

The teams of the league rate at present as follows:

W	L	Pct.

Dallas	2	0 1.000
Monmouth	1	1 .500
Independence	0	0 .000
Falls City	0	1 .000

CADETS TRAVEL IN LUXURIOUS STYLE

West Point (AP)—The Army football squad, 110 strong, was enroute Thursday on the longest trip ever taken by the gridiron warriors of the military academy. They are due to reach Galesburg, Ill., Thursday afternoon on the first leg of the trip to Palo Alto, Calif., where they will encounter Stanford in the final game of the season, December 23.

The departure of the "West Point Special," a 12-car train which provides every possible comfort for a traveling football team, was made a ceremonial occasion Wednesday, when the academy superintendent, Major General W. R. Smith gave permission for the cadets to give final vocal encouragement to the departing squad. General Smith previously had ruled that the cadets could not be present at the departure on account of examinations, but he relaxed the ruling to permit 500 who were free most of the afternoon to be present.

CHOCOLATE BESTS STRONG OPPONENT

New York (AP)—Kid Chocolate, dusky Cuban featherweight, now can go back home for Christmas with the knowledge that he has met and overcome his strongest opponent since he disposed of Al Siggers last spring. He also has attracted some 20,000 fans as contributors to the Christmas fund of the Fifth Avenue Boys' association.

The Cuban kept most stiff opposition from Dominic Petrone of New York, the biggest and toughest opponent he has encountered in some time Wednesday night. But after a few rounds he came through to add one more triumph to his long list.

CHICAGO IN MARKET FOR BIG GRID GAME

Chicago (AP)—Chicago is in the market for the annual Notre Dame-Army football game next year if military academy officials decide to take the classic from New York.

The city council has unanimously adopted a resolution by Alderman Jacob M. Avery, inviting Army to bring the contest to Soldier Field.

DATES CHANGED

Friday night's scheduled Industrial league basketball games will be played at the Y. M. C. A. Thursday evening owing to a Christmas program which will take place in the gym. Monday night's contests will be postponed as the Kiwanis kids party is scheduled for that evening.

COAST SCHOOLS NAME OFFICERS

San Francisco (AP)—New officers were functioning Thursday for the Pacific coast conference which Wednesday held elections at its closing session here.

Gwynn Wilson of U. S. C. and Earl Campbell of Washington, were elected president and secretary of the graduate managers, while W. B. Owens of S. J. and H. C. Wiley of U. S. C. were nominated to the same posts for the faculty representatives.

A committee composed of Gwynn, Wilson, Al Masfers, and Earl Campbell was appointed to work out a new scheme for determining the conference football championship, as the present system too often results in unsatisfactory triple and quadruple ties as was the case this year.

SCHOOL HEADS DISCUSS THREE MAJOR TOPICS

Portland (AP)—The annual north-west conference meeting was opened here Thursday by faculty and coach representatives.

The major topics: the 1930 football schedule, consideration of Columbia's application to become a conference member and the question of freshman eligibility for varsity teams, were to be discussed by the delegates. Minor business and election of officers also will come before the meeting.

Columbia entered a formal petition for entrance to the conference at the meeting here last fall. Conference members tabled the petition for one year.

During the past season, Columbia football teams have followed the rules of the conference and have played several conference games. At the meeting held last fall, conference members were favorable to admitting Columbia.

Admission of Columbia will bring the conference membership to seven. Other members are Linfield, Willamette, Pacific, College of Puget Sound, Whitman and College of Idaho.

Besides drawing up the football schedule for next season, basketball, baseball, track and tennis schedules will be adopted.

Dean Erickson, Willamette, it was understood, will submit a plan to the conference members for a gymnastic field day to be held next spring.

ANDERSON WINS FROM KUEHNE

Des Anderson, local wrestler, took Harry Kuehne's lightweight wrestling belt Wednesday night when he tossed the Newberg grappler two out of three falls at the armory. A blow from Anderson's foot, accidentally landed, knocked the referee, Jack Brentano, out while the wrestlers were endeavoring for a decision.

Anderson took the first fall with a leg split after 21 minutes, 29 seconds of wrestling. A series of headlocks weakened Anderson and his opponent took the second fall in 17 minutes, 17 seconds. The deciding fall was taken by Anderson in seven minutes, the referee coming to just in time to pat Des on the back in token of victory.

Elston and Raymond Davis, youngsters from Brownsville, put on a preliminary which ended in a draw.

MICKY COCHRANE WOULD PITCH FOR "GREAT" SHIRES

New York (UP)—"Sure, I'm a baseball catcher but that doesn't mean I'd be a catcher in the ring," explained Gordon (Micky) Cochrane, Philadelphia Athletics catcher in defending his announced intention of having a whirl at boxing.

"If this fellow Shires, who doesn't know anything about boxing can pick up a couple of thousand dollars and a rich vaudeville contract for fighting a couple of punks there is no reason why I can't make myself a little extra money. I boxed as a middleweight at Boston University and I'm willing to spot Shires a dozen pounds and fight him," Cochrane said. "When we get to the ring I'll do the pitching and let him do the catching."

INTERCLASS PLAY

Stayton—Interclass games of basketball will be played Wednesday at the high school gym. No games will be outside, until after the holidays. The boy scouts have been designated by their scoutmasters to place a wreath of evergreen across Main street for their part of city decorations.

February Bouts For Big Boys Remote; Return Of Dempsey Held Improbable

New York (UP)—Prospects of an important heavyweight boxing match during the present winter are growing more remote as the dates near for naming the opponents for Jack Sharkey in Madison Square Garden's proposed Miami Beach, Fla. show and for Max Schmeling in the threatened "outrage" show at Atlantic City on February 22.

Both Madison Square Garden and the Atlantic City promoters are whistling to keep up their courage but the bookies along Broadway are offering 2 to 1 that neither of the big February shows are staged.

Sharkey, Schmeling and Jack Dempsey—if he could be prevailed upon to return to the ring—are the recognized leaders of the heavyweight division. None of the other present day heavies, Vittorio Campolo of Argentina, Phil Scott of England, Otto von Perat of Norway, Paulino Uzcudun, Primo Carnera of Italy, or the Americans, Stribling, Black, Griffith and Loughran, could attract sufficient interest to make either of the proposed shows profitable.

A Sharkey-Schmeling bout would be a 10 strike for either group of promoters out with Sharkey under exclusive contract to the Garden and Schmeling at war with the Atlantic City group, such a bout is out of the question.

Jack Dempsey could draw a million dollar house with either opponent but there is little likelihood that he ever will return to the ring. Reports that Dempsey had issued one of his "maybe I will" interviews, in which he said Sharkey and the other contenders were "pretty bad" and that he could beat them all, caused some excitement in boxing circles Wednesday until it was found that the interview was largely imaginary.
