BUTTER EQUALS TEN YEAR LOW; **EGGS CUT CENT**

Another reduction in butter prices was made Saturday simultaneously with a decline of 2c is butterfat buying prices. Butter declined ic on cubes and prints.

There was further depression in the price of eggs locally for the week end. While nominal prices are given by the poullry producers, others are reported as offering at 1 to 2c less. In fact accumulations here are heavy.

There are inadequate supplies of

Black Duck veered and was raked from stern to pilot house.

The law of the United States, Boss said, does not call upon the coast guard to fire a warning shot in such cases and in the event of indictment of the coast guardamen by the state of Rhode Island, no claim would be made that such a warning shot was fired.

Mr. Boss atmounced that he had discovered a new statute covering the activities of the coast guard which superseded the law first quoted in the probe. The first auchted called for a warning shot be-

More power per pound than any other car under \$1000

IT'S a big car-full 114-inch wheelbase. It's a powerful car-its 70 horsepower delivers more power per pound of weight than any other car under \$1000. It's a fast car-your daring dictates the speed you travel. It's a comfortable car-with hydraulic shock absorbers, long springs, deep cushions and generous head and leg room. It's a safe car-with never-failing four-wheel brakes, rugged double-drop frame, and a steel-core steering wheel.

A significant car, first of its type and price—built by Studebaker to its 78-year standards of quality. Those who can command the best will drive no smarter-looking cars than this. Only by actually seeing and driving the new Erskine can you know how impressively It interprets the spirit of these tremendous times.
