Daughters To Sponsor Benefits

Arrangements are being completed by Chemeketa chapter, Daughters of the American Revolution, for the two large bridge benefits which they will sponsor this month. One of the bridge benefits will be given by the Dallas members of the chapter at Dallas Wednesday afternoon, January 15, and a number of the Salem members, as well as other matrons and maids are planning to motor over for the afternoon. Funds secured by the benefits will be used for the Oregon state society loan fund, which has available more than \$2100 to loan to worthy girls for their education. Each chapter in the state contributes to the total and Chemeketa chapter's quota will come from the proceeds of the two benefit bridge parties.
