

SCOUT TROOPS HOLD CEREMONY AT MONMOUTH

Monmouth—The Flying Eagles, Lone Wolves and Cuckoo, local Boy Scout troops, entertained parents and friends with a program Monday night.

A skit was presented by each troop. Three boys of the Flying Eagles administered competent first aid when a hit-and-run scooter driver overturned a non-stop pedestrian. The Wolf patrol, under the leadership of Richard Snider, gave a drama in three acts in which the regular ceremony of becoming a scout was shown. The Cuckoo gave an amusing skit showing the evils of gambling.

Scout Executive G. P. West of Salem, was introduced by Scoutmaster W. B. Morse, and gave a very interesting short talk. West recalled the organization of Monmouth Scouts five years ago and presented the troop charter, which is issued yearly by a representative of the national council.

F. E. Murdoch, reconfirmed chairman of the scouts committee, presented his certificate of authority. Certificates were also issued to J. F. Santee, Dr. C. G. Stem and E. C. Cole, the other committee members.

In a short talk Murdoch told the boys to learn to do the little things, such as are not perhaps taught anywhere except through scouting.

Morse was then reconfirmed scoutmaster and Clive Tittle named as his assistant. Tenderfoot pins were issued to Herbie Moreland, Warren Elliot and Virgil Gates.

Certificates were given to several boys who had paid the membership dues. Those who received certificates are: Veri White, Richard Snider, Glen Halliday, Elton Hoskins, Charles Bennett, Charles Petrie, Curtis Hall, Roger Beckley, Victor Gates, William Cochran, Ralph Winegar, Gordon Ebbert, John Murdoch, Robert Price, Kenneth Roth, and Harold Santee.

Scoutmaster Morse urged the parents to assist their sons to pass the tests for their merit badges. Thirteen troop members are now working for the Eagle badge, and all the boys should be encouraged to do scouting every day in the week. The meeting closed with the scout oath being given by all troop members.

Broadway Stars pass merciless CLOSE-UP TEST

Like 9 out of 10 screen stars, they have long kept their skin at its best with Lux Toilet Soap . . .

THE moment the talkies "arrived," many of the most famous stars of the Broadway stage were signed by the great motion picture studios. Then, under the glare from the huge incandescent close-up lights, they faced the cruellest test a skin can possibly meet.

Unless their skin showed alluringly smooth and fine on the screen, they could scarcely hope to "get across" in talking and singing pictures.

These Broadway stars passed the test, needless to say. Theirs was the flawlessly smooth skin demanded for the innumerable close-ups of sound pictures. And never were they more appreciative of the gentle care Lux Toilet Soap has given their skin.

For long ago the famous women of the theater made Lux Toilet Soap their own. Long ago it was made the official soap in 71 of the 74 legitimate theaters in New

York alone—and in other leading theaters throughout the country.

Hollywood found out years ago that no girl ever becomes a motion picture star unless her skin shows perfect on the screen. That is why, of the 521 important actresses in Hollywood, including all stars, 511 are devoted to Lux Toilet Soap. It keeps the skin lovely and smooth as a flower petal.

It was at the request of the actresses themselves that all the great film studios have made this white, delicately fragrant soap official in their dressing rooms.

You will be delighted with Lux Toilet Soap, too! You can keep your skin attractively clear and smooth just as the famous women of the stage and screen keep theirs—by using it. And it does lather so very generously, even in the hardest water! Order several cakes—today.
