

TERRY KILEEN vs SPUD MURPHY WEDNESDAY NIGHT

Three Real Bouts Appear Likely On Coming Fight Card

WEDNESDAY NIGHT'S CARD

MAIN EVENT—8 ROUNDS
Terry Kileen, Independence, vs. Spud Murphy, Hubbard

SPECIAL EVENT—6 ROUNDS
Jackie Wattenberger, Independence, vs. Jackie Woods, Salem

SPECIAL EVENT—6 ROUNDS
Floyd Ambrose, Salem, vs. Barnard Coons, Salem

SPECIAL EVENT—4 ROUNDS
Pat Haley, Independence, vs. Ted Bechtel, St. Paul

PRELIMINARY—4 ROUNDS
Red Moulton, Salem, vs. Jimmy Stutsman, St. Paul

"I've been trying to get Spud into the ring ever since that night at the old Oregon theater," said Terry Kileen Tuesday afternoon in commenting upon his fight Wednesday night with Spud Murphy. "He beat me that night and, although I realize Spud has improved a great deal, I have not gone back either and I am sure I can beat him."

Terry broke his right fist during the second round of his scrap with Murphy, but rather than disappoint the crowd went the full ten rounds.

To prove that he had not been idle since his first scrap with Spud, Kileen displayed a list of some 14 scraps participated in during the past year. He did not win all of them but made a good showing against some of the best boys in the business in the northwest.

During the past year he has secured a draw with Fred Lenhart, Kenneth Kent, Ole Nelshem and Rocky Rogers; won from Joe Blackwell, Frankie Warneke, Frankie Burnell, Willard Norton, Denny Artell, Babe Jubb and Tex Johnson. He defeated Johnson and Artell via the knockout route. He has lost to Walter Kleghorn, Ketchell, Babe Jubb and Olympia Kid Johnson.

Kenneth Kent is the boy who recently knocked out Rogaway in Portland during a spectacular battle.

Kileen and Murphy are scheduled to settle their difficulties in an eight round main event engagement at the armory Wednesday night.

At least two other bouts on the card give promise of plenty of pyrotechnics. They are the six round fights between Jackie Kileen (Wattenberger) and Jackie Woods, and between Floyd Ambrose and Barnard Coons. The latter fight has been substituted for the Red Hayes-William Dodge scrap. The substitution should prove popular, for these two youngsters have been issuing challenges and counter challenges and telling their admirers what they were going to do when they get into the ring, that if they accomplish half of what they believe they will do, the affair should be worth the price of admission.

Rumors of greatly imposed form shown by Jackie Woods will be a chance for verification when he goes up against Wattenberger. Heretofore the latter has appeared too strong for the Salem boy, but in view of the showing Woods made against St. Paul and his great desire to meet the Independence youth, Matchmaker Plant signed them.

Pat Haley of Independence, will box the special even tenth Ted Bechtel of St. Paul, while Red Moulton of Salem and Jimmy Stutsman are scheduled to start the evening's entertainment. Stutsman was originally billed to go against Haley, but Plant figured the card would be strengthened by bringing in Moulton and Bechtel.

BILLIARD PLAYERS MAKE NEW RECORDS

Portland (AP)—New records were made Tuesday night in the Pacific northwest amateur 18.2 ballline billiard tournament being held here when Conrad C. Wallgren, Everett, coast title holder and former world champion defeated Sam Cooper, Seattle, 250 to 87 in 12 innings.

Wallgren's victory over Cooper gave him three wins and no defeats. C. O. Olaguer, Portland, holds two wins and no defeats. Wallgren and Olaguer will meet Wednesday night.

Olaguer, Portland city handicap champion, scored the first upset of the tournament when he defeated Sam Cooper, 250 to 154 in 47 innings. He averaged 5.32 billiards an inning.

DECISION ON FIGHT CHANGED

Chicago (AP)—The "eleven-day decision" has joined the now famous "fourteen count" as Chicago's contributions to the oddities of the prize ring.

Tuesday night, eleven days after Leo Lomski, the "Aberdeen assassin," had exchanged round house rights and lefts for 10 rounds with James Braddock, the rugged light-heavyweight from Jersey City, the Illinois state athletic commission revealed that an error had been made by the referee and that Lomski was entitled to the decision instead of a draw.

The ruling was made official and many fans, who wagered heavily on the outcome of the match, found themselves receiving or paying out as the unexpected ruling dictated.

Undue excitement and poor arithmetic on the part of the referee, Davey Miller, were blamed for the mix-up by the commission. At the conclusion of the fight, one judge voted for Lomski, another voted for Braddock, while Miller called the match a draw with his deciding vote. The decision was booed by thousands of the fans, most of whom believed Lomski to be the winner by a wide margin even though he was floored once. The next day, Secretary Walter George of the commission examined the score sheets of the judges and referee, the commission's explanation said, and discovered that while the judges had totaled their points correctly that referee Miller had made a mistake, his tally sheet showing four rounds for Lomski, two for Braddock and four even.

PRESBYTERIAN 5 TRIMS METHODISTS

Although the South Salem Friends team of the Church basketball league defeated the West Salem quint at the Y. M. C. A. Tuesday evening, the game was declared forfeited to West Salem because an ineligible man played with the Friends.

The score was 39 to 23. The other games played resulted in Fruitland defeating Calvary Baptist, 26 to 13 and First Methodist losing to the Presbyterians 23 to 20. The latter contest required a five minute overtime period to decide.

ELK SURVIVE GUNS MONTANA HUNTERS

Great Falls, Mont. (AP)—Soft-hearted sportsmen may express concern over various open seasons on protected elk, but the fact remains that the elk seem fairly capable of taking care of themselves.

This opinion was voiced the other day by State Game Warden Robert Hill following a survey of Montana hunting conditions. Among other things, the state official said that descriptions of the "slaughter" on the Highwood game reserve were grossly exaggerated. At the outside, only 70 elk were killed whereas 150 should have been slain to reduce the herd to conform with available forage. When the shooting began on the reserve, elk simply retired into the closed parts of the sanctuary.

The season was also opened on the northern Yellowstone herd of approximately 13,000 animals in order to reduce the number. But hunters could only kill about 20, which is considerably less than the natural annual increase.

M. Hill pointed out that forage was not available in unlimited quantities and that elk herds could not be allowed to increase indiscriminately.

SALEM QUINTS MEET WOODBURN WEDNESDAY EVE

Minus the services of its first team center, Graber, Salem high's A and B basketball teams will go to Woodburn Wednesday evening for a return game with the Bulldogs of that place. Despite the handicap of playing without the elongated center, members of the red and black believe they have a good chance to repeat their early season performance of winning over Woodburn. The foul shooting jinx which has hampered scoring of the locals during the year and which robbed them of a win at Astoria may have a great deal to do with the outcome Wednesday evening.

West will probably start at center for Salem with Kitchen and Poreman or Bones at forward and Sanford and Sachtler at guard.

Luke O'Connell, coach of the second string will take 10 men with him—Brown, McCarthy, Harrison and Beall, forwards; Bowden and West, centers; Fletcher, Cross, Kimple and Devers, guards.

MARCUS GIVES CARTER KAYO

Portland (AP)—Joe Marcus, 133, Portland, knocked out Benny (Kid) Carter, 127, Los Angeles, in the fourth round of their scheduled 10 round match here Tuesday night.

Marcus and Carter met in midring in the first round. There was a scuffle and Carter sunk back dazed by a blow. Carter came back again only to receive another jolt. The battling Mexican went down for a count of nine and came back only to go down and have the referee count him out.

Mickey Dolan, Portland, and Jimmy Anderson, Astoria, fought through 10 rounds to a draw in the semi-windup. After the start of the fight it looked like Mickey might score a knockout over the Astorian when he dropped Anderson for a count of nine but Anderson came back strong.

Result of other matches were: Kenneth Kent, Portland, knocked out Joe Blackwell, Eugene, in the fifth round; Billy Jenkins, Portland, knocked out Freddy Hart, Portland, in the fourth round, and "Suede" Nelson, Vernonia, won a decision over Pete Byrnes, Portland.

RISKO TOO SMALL COMMISSION SAYS

New York (AP)—The decision of the New York boxing commission that Johnny Risko, who has battled the largest, toughest and ablest of present day fighters, is too small to meet Victorio Campolo, Argentine heavy-weight, has aroused the ire of President W. F. Carey of Madison Square Garden.

Carey, when notified the commission had banned the Campolo-Risko match, at the Garden, February 7, said he would appear before the commission Friday to demand the action be rescinded. If the commission refuses, he said, the Garden would take action to test the board's authority to bar matches arranged by promoters.

Women Entrants In Dog Derby At Lake Tahoe

Tahoe Tavern, Cal. (AP)—Two young women met in the snow here Wednesday, shook hands and sealed a pact. "May the best woman win," they said. "But above all, may the best man lose."

The women were Thelma Geelan of McCall, Idaho, and "Whistling" Lyd' Hutchinson of Ashton, Idaho, sole feminine entrants in the 90 mile dog derby to be run through the snow between Tahoe and Truckee Friday, Saturday and Sunday. By their pact they are out to beat the men.

The race is to be run in daily laps of 30 miles each. Cash prizes, totaling \$4,000 and possession for a year of the Marco Hellman trophy go to the winners.

PARRISH QUINT SIGNS 3 GAMES

Games for the Parrish junior high school basketball team have been hard to find this season, but Coach Frank Brown has succeeded in finding three quintets willing to meet his boys on the maple floor. Wednesday night he will take his squad to Chemsawa where the "B" team of that school will be played. Next Friday evening they will journey to McMinnville to take on the junior high squad of that place.

Two of the McMinnville players have brothers that have won considerable fame in athletic circles. One of them is a brother of Peterson, attending Willamette as a freshman, and the other is a brother of John Versteeg, Bearcat football lineman. Coach Brown figures the Yamhill county players are good and a tough game will result. Later on Corvallis will bring a team here.

Coach Brown believes he has three boys who will make valuable additions to Salem high. They are Slatner, Kelly and Perrine.

SPECULATION OVER SHAWKEY'S TRIP

New York (AP)—Although New York Yankee officials declare Manager Bob Shawkey's hurried trip from Miami, Fla., is prompted by his desire to attend the annual baseball writers' dinner here Sunday, a conference between Shawkey, Secretary Ed Barrow and Col. Jacob Ruppert, owner of the Yanks, has been scheduled for Friday.

Ruppert is anxious to discuss the Babe Ruth situation, and it is expected an official announcement will be made after the meeting. Ruth has rejected the Yankee offer of a two year contract at \$75,000 a season and is demanding \$85,000 per season for three years. The Babe's desire to be excused from exhibition games is a major point of disagreement and may delay his signing until after the Yanks finish their spring tour 32 games.

Walter Hoyt furnished a second problem for the Friday conference. The veteran pitcher has been asked to accept a salary cut, which Barrow denies is from \$16,500 to \$10,000, and has joined Ruth as a holdout.

An order was made recently at Blackpool, England, for the payment of a debt of \$60.30 at the rate of six cents a month, which will require more than 80 years to clear up the account.

HUSKY QUINT DROPS SECOND GAME TO OAC

Corvallis (AP)—Oregon Agricultural college won its second consecutive basketball game from Washington by a score of 12 to 17 here Tuesday night. The Oregon victory placed the Huskies, Idaho and Oregonians in a tie for second place and Washington State alone in the lead.

Close checking featured the contest throughout. The score was the lowest of any game played here this season. Both teams fought through the contest, Washington making only five field goals during the contest.

The Huskies, through the stellar playing of McClary, lanky center, led 10 to 9 at the close of the half. Both coaches made numerous substitutions during the final period. Callagan went out on personals for O. A. C. and Paganis, who starred in Monday night's victory was retired from the contest with an injured ankle.

Torsion and Lyman, substitutes for the Aggies, each made goals to bring the Beavers out from under a 16 to 15 lead and save the game for their team.

Buck Grayson played a star game at both defense and offense for the Beavers. He was high point man with 14 points and held his men scoreless.

FIGHT FEATURES BUCKAROO WIN

Seattle (AP)—In a fast game of hockey, with a fist fight for a side attraction, the Portland Buckaroos defeated the Victoria Cubs here Tuesday night with a 3 to 2 overtime victory.

Jack Pratt, Portland defense man, was banished from the game, with 34 minutes to play, and was fined \$25 for striking Goal Judge Frank Vance during an argument over Victoria's second point.

Pratt is still liable to additional punishment from Frank Patrick, league president. It is the second major penalty and fine incurred by Pratt on two successive evenings.

Pratt was the first to score for the Buckaroos when he slipped past the Victoria defense in the first period. Early in the second session Joe McGoldrick, Portland defense, added another point to his team's score.

The Cubs then tightened up and played a close game. Jimmy Evans shot a backhander past Aitkenhead for the first Victoria score. When the period was over, Kelley scored the tying point from a pass by Paul Runge.

The third period was scoreless. Early in the overtime session, Coupez circled the Victoria goal and shot home the winning point.

RETIREMENT OF GASPARRI, AGED PRELATE, SEEN

Rome, (AP)—Now that Cardinal Gasparri is 77 years of age, he is ready to retire. The great work of settling the "Roman Question" is finished and is regarded as the crowning achievement for any Vatican diplomat.

It is said in the Vatican that the aged prelate often expressed the desire of turning over his office to a younger man, but Pope Pius XI always encouraged the cardinal to stay.

Cardinal Gasparri will be 78 on May 8 next, but he certainly does not appear as old as that, as he is quite active physically and extremely keen mentally. His native strength is phenomenal and almost every winter, he overcomes his periodic influenza with exceptional recuperating power.

Of course, there is mention of a probable successor. The one on whom the mantle seems destined to fall is Cardinal Cerretti, who has been trained from a young man in the Vatican diplomatic service. He was also assistant secretary of state to Cardinal Gasparri and has successfully held difficult posts including that of nuncio to France in very tricky times.

Cardinal Cerretti is well-known in America as he was auditor of the Apostolic delegation in Washington and is greatly thought of by the American bishops and archbishops. He was the Pope's choice as papal-legate to the world's eucharistic congress in Sydney, Australia. He is credited with having initiated the first negotiations for the settlement of the Roman question, when he was assistant secretary of state.
