

PIONEER DAYS ARE RECALLED BY CLUB WOMEN

Hubbard—"Pioneer Day" at the Hubbard Woman's club brought out a large group of members. The meeting was held at the home of Mrs. Sadie Scholl, who, as the daughter of George W. Weller, knew intimately what pioneer days meant in the Hubbard district. She was assisted in entertaining by Mrs. Kathryn Will. Roll call was recorded with incidents of early pioneer life and some of the older members brought out many interesting bits of family and Oregon history. Miss Mary Goudy gave a most descriptive talk of those early days as she recalled them.

McLaughlin, Marcus Whitman, and Jason Lee were introduced to the club through a paper prepared and read by Mrs. Lorena Duncan and the "Pioneer Women" were presented by Mrs. Neva McKenzie. Mrs. Lois Miller sang an original song, "Oregon, My Home," which was most enthusiastically received. She was accompanied by Mrs. Kathleen Beckman. Mrs. Ida Garland recited "Oregon Trees," by Dr. J. B. Horner; this too, was greatly appreciated as a great number of the members had but recently listened to a talk by Dr. Horner on the beauties and wonders of the Oregon country.

Mrs. Christina Stauffer and Geo. W. Weller, sister and brother in a family of pioneers, were guests at the meeting, which had the best attendance for the club year, thirty members being present.

The next meeting will be held February 19 with Mrs. Edith Riky and Miss Mary Goudy as hostesses. The former announced that the meeting will be held at the Hubbard Mineral Springs hotel. As the program committee featured this meeting as "Champion day" it is expected that practically the entire membership will attend. Mrs. Edith Toder Weathered will give a review of Oregon's early days.
