

OFFICIALS SAY STORY OF BOOZE BANQUET FALSE

Detroit (AP)—Detroit officials came forward Thursday with their version of the party held here last November for state and local officials, accounts of which figured in testimony before the house judiciary committee at Washington Wednesday.

Walter Liggett, a writer who appeared before the committee, described the affair as one at which liquor was served and dancers performed for the edification of Governor Fred W. Green, former Police Commissioner William P. Rutledge, four municipal judges and other officials.

One of the judges, who was a guest at the party, said that nothing stronger than ice cream was served and that the entertainment was furnished by a boys' band of 40 pieces. Other officials not so explicit, branded Liggett's story of the party as a "lie."

From Lansing came word that Governor Green would be glad to appear before the congressional committee should that body care to question him about prohibition conditions in his state.

Judge Homer Ferguson of the circuit court said Liggett's story was an attempt to discredit Governor Green. He said speeches were given at the party by the governor and other officials after which the Catholic Boys' band played and a short program of songs and dances was furnished by professional performers who he said "have appeared before some of the best men and women in Detroit."

Commissioner Rutledge said: "I don't go where liquor is served or where dancers entertain. Anybody who says I do is a liar."

82ND BIRTHDAY IS OBSERVED AT AMITY

Amity—Mrs. Amelia Stinson celebrated her 82nd birthday Sunday at her home here by having a few relatives invited in for dinner. Mrs. Stinson is one of the oldest pioneers living here and a native of Oregon. She was born in Portland in 1848.

Those present at the birthday dinner were Mr. and Mrs. Frank Jones and children, Verle and Lucille, of McMinnville; Mr. and Mrs. Peter Thomason and son, Owen, of Turner; James Warren, of Grand Island; Orin Stinson, of Battledore, Sack, and Mr. and Mrs. William Butterick of Amity.

TRADE UNIONISTS TO GET COUNCILS' HELP

Russellheim, Germany (AP)—The workers council of the Opel-General Motors works decided Thursday to support the trade unions in opposing disturbances at the big automobile plant here.

SEEK TO REVIVE 40 AND 8 HERE

Efforts are being made to resurrect the "Joy order" of the American Legion, La Societe des 40 Hommes et 8 Chevaux, which had lain dormant for several years.

Each voiture, as the local organizations are known, has as its purpose keeping alive various activities of the American Legion. For the last three years it has not been necessary for such a group to function, but with the membership campaign lauding, it has been thought best to throw in reinforcements in the shape of the 40 & 8.

J. T. Delaney, manager of the Oregon-Washington Water service company and a past vice department commander of California, is anxious to get in touch with all former 40 & 8 men for the purpose of reorganization and to make plans for some "wrecks" as initiations are designated. Delaney has held all offices in a voiture and is willing, though a newcomer to Salem, to take an active part in the revival campaign.

Former members are asked to get in touch with Delaney at the water company plant and help make arrangements for a meeting of the order. Several years ago some highly successful "wrecks" were staged in Salem, Dallas and Silverton, but for some reason the organization was permitted to die a lingering death. Interest was revived again during the state convention last August when a big "wreck" was staged at the fairgrounds. The official 40 & 8 train, with its French type boxcars and equipment, became a familiar sight during the three day gathering of the American Legion here.

CLUB INVITED
Wacunda—The Wacunda community club will hold its regular meeting at the home of Mrs. William McGilchrist in Mission Bottom Wednesday, February 19 from 10 o'clock until 4, with a pot luck dinner, served at noon. Mrs. Richard Tuve and Mrs. Henry C. Stafford will have charge of the recreation hour.

SAWYER BUSY AT WASHINGTON

Portland (AP)—Robert W. Sawyer, Bend, state highway commissioner, is conducting his conference with department officials and members of the Oregon delegation with reference to legislation for acquiring scenic strips and woodlands along the highways, according to a dispatch from the Oregon Journal's Washington correspondent.

A bill is to be introduced to effect this object by exchange of lands of the Oregon and California and Coos Bay wagon road grants, which appears to be the most feasible plan of approach, the dispatch said.

This will avoid questions of diminishing federal aid funds and administrative problems involved in general legislation of this character and at the same time will provide substantial development of the idea of roadside protection and recreation, it was pointed out.

The Food That Fights Fat

It's a bland food, now used to correct the known cause of so much excess fat. Doctors now employ it the world over. And now, without starvation, multitudes are gaining new youth and beauty, vim and vigor. You see the results wherever you look. Fat is the exception now.

Marmola prescription tablets embody this modern method. People have used them for 22 years—millions of boxes of them. Some of your own friends, doubtless, can show you what they do. Let them bring you what they have brought to so many. The results will delight and amaze you. A book in the box explains the effects. Go now and ask your druggist for a \$1 box of Marmola. You owe that to yourself.
