

LEGION PLANS TO REORGANIZE ITS DRUM CORPS

Plans for the re-organization of the drum corps and the visit to Forest Grove in connection with the dedication of the American Legion home of that city will be discussed by members of the drum corps, prospective members and post officers at the armory Friday evening. Transportation will be provided for those unable to take their own machines, with the advance guard scheduled to leave shortly before noon Saturday.

In order to pep up the drive for members, Biddy Bishop, post commander, announces that every ex-service man who pays his dues between now and the last of the month will win a prize of retail value of \$1.25, the membership to be credited to any team that is taking part in the Clifford Brown and George P. Griffith memorial membership contest. Only members who attend the next two meetings of the post will be eligible to receive their prize, Bishop stipulates.

CHASE CHOSEN FOR ILLINOIS

Urbana, Ill. (AP)—Dr. Harry Woodburn Chase, head of the University of North Carolina for the last ten years, was elected president of the University of Illinois Thursday, succeeding Dr. David Kinley, retired.

The resignation of Dr. Chase from the North Carolina school's presidency was accepted late Thursday. Dr. Kinley offered his resignation a year ago after reaching the retirement age of 68, but has held office since, pending selection of a successor.

Born in Groveland, Mass., 47 years ago, Dr. Chase was graduated with the bachelor's degree from Dartmouth in 1904 and received his master's degree from there in 1908. In 1910, he was given the degree of doctor of philosophy from Clark university. Since then, he has received the degree of doctor of laws from Dartmouth, the University of Georgia, Lake Forest college and Lenoir-Rhyne college.

During the past year, Dr. Chase served as president of the National Association of State Universities and had previously been the association's secretary-treasurer since 1922.

INDEPENDENCE HAS NOVEL LODGE NIGHT

Independence—At the regular meeting of Cloverdale Rebekah lodge this week following the usual ritualistic work, a social evening was spent by the members. There were a number of visitors from Monmouth and these joined in the social good time.

A skit was put on by several of the members, in which they were trying to represent would be movie actors and actresses.

Refreshments were served after which dancing was indulged in. Those participating in the program of the evening were Mr. and Mrs. Willard Craven, Mrs. Anna White, Mrs. Ed Wunder, Mrs. James Robble, Mrs. L. E. Vongal, Mrs. Lena Jones, Mrs. Ellen Davis, and Mrs. Charles Calbreath.

ANOTHER GALE HITS NEWFOUNDLAND AREA

St. John's, N. F. (AP)—Southern Newfoundland fishing ports, swept three months ago by an earthquake tidal wave which claimed 26 lives, were lashed again Sunday by a terrific southeast gale. Three men perished and hundreds of thousands of dollars damage was done.

Only meagre reports have been received through interrupted telegraphic communications. La Maline reported the loss of three lives. Property loss at Burgeo, one of Newfoundland's important fishing ports was estimated at \$100,000.

Bay Largent, Little Bay, and East Harbour, all situated at the foot of Port au Port bay, reported heavy property damage.

Building projects in cities of Italy are reported to number 60 per cent more than a year ago.

Single prescription made a family doctor famous

SELDOM has any single act been of greater benefit to mankind than the one which Dr. Caldwell performed back in 1885 when he wrote the prescription which has carried his fame to the four corners of the earth.

Over and over, Dr. Caldwell wrote this prescription as he found men, women, and children suffering from those common symptoms of constipation, such as coated tongue, bad breath, headaches, gas, nausea, biliousness, poor appetite, or lack of energy, etc. And it invariably relieved these symptoms so much more pleasantly, so much quicker than other things, that his patients simply had to tell other people about it.

The demand for this prescrip-

INCREASE DUTY ON GRASS SEED

Washington (AP)—Senate democrats called a halt Thursday on the coalition's hoisting of farm food rates.

When Senator Brookhart, republican, Iowa, sought to raise the tariff rate on lard to four cents a pound after it already had been raised from one to three cents, democrats told him he was going too far and defeated his amendment, 23 to 53.

Duties on grass seeds were increased as follows:

Alfalfa from 5 to 8 cents a pound; also clover from 5 to 8 cents a pound; crimson clover, 1 to 2 cents a pound; sweet clover, 3 to 4 cents a pound.

An attempt to increase the duty on timothy was defeated when Senator Blaine, republican, Wisconsin, warned that "wild attempts" to increase duties on agricultural products "will merely give the president an excuse to veto the bill and the debenture provision."

PAST NOBLE GRAND CLUB ENTERTAINED

Independence—Mrs. Ed Wunder and Mrs. Job McLeod, were hostesses to the Past Noble Grand club members at the home of Mrs. Wunder on West Monmouth avenue Wednesday evening. The evening was spent in cards and conversation. They also served refreshments.

In the group were Mrs. J. H. Hart, Mrs. E. E. Kullander, Mrs. Mae Hanna, Mrs. J. N. Jones, Mrs. O. A. Kreamer, Mrs. Anna White, Mrs. Irvin Hain, Mrs. Eva Wood, Mrs. Marie Ruef, Mrs. James Robble, Mrs. C. W. Irvine, Mrs. Sarah Irvine, Mrs. Wunder and Mrs. McLeod.

SLUSH FUND PROBE

Washington (AP)—A senatorial investigation of the campaign expenditures of the 35 senatorial candidates in the coming primaries was sought Thursday in a resolution introduced by Senator Norris, republican, Nebraska.

Norris asked an appropriation of \$100,000 for the investigation.

VETS GUESTS AT ELKS CLUB

Four patriotic military organizations were represented by several hundred ex-service men who were guests at the Elks' annual veterans night entertainment Thursday night. Commanders of each occupied places of honor on the stage when the program was formally opened by W. H. Paulus, exalted ruler.

Walter Keyes, a past exalted ruler, formally welcomed the guests with responses made by H. B. Carman, Sedwick Post No. 10, G. A. R.; Ludwig Michaelson, Hal Hibbard Camp No. 5, U. S. W. V.; Byron Conley, Marion Post No. 661, V. P. W., and A. C. (Biddy) Bishop, Capital Post No. 9, American Legion.

Entertainment consisted of a revue presented by the Booth Theatrical company of Portland which included singing, dancing and comedy numbers. C. E. Knowland, chairman of the entertainment committee, told several stories. Arrangements for the evening were in charge of Frank Cain and Eddie Armstrong.

Veterans' night was instituted in 1921 and proved so popular that it was made an annual affair. The guests included twelve members of the G. A. R., three of whom made the trip from Silverton. Dallas was represented by a delegation of 45 American Legion men, headed by B. Penton post, the men making Jack Eakin, commander of Carl the trip to Salem in a caravan of ten automobiles in charge of a state traffic officer. Other posts of the districts were represented. The guests were given the courtesy of the temple while the regular lodge session was held.

Enjoys Best Health In 25 Years

DAVID S. BECKMAN

"At the age of 79 I am still active in business and I attribute my entire present good health, energy and vitality to the benefits I derived from Sargon. I actually believe this wonderful medicine has added years to my life.

"For five years my health had been failing steadily. My nerves were all to pieces, and I hardly knew what a sound night's sleep meant.

"Since taking the Sargon treatment I feel as well and strong as I was 25 years ago. I have a fine appetite, sleep good, and constipation, biliousness and dizzy spells are all things of the past."—David S. Beckman, 328 Kearney St., San Francisco, Calif.

Sargon's aim is not mere temporary relief, but new and abundant health. Don't experiment—profit by the experience of others.—adv. PERRY'S DRUG STORE, SALEM STEELHAMMER'S DRUG STORE, Silverton—Agents

500 SUFFERERS FROM CANCER BEING TREATED

San Francisco (AP)—Dr. Walter B. Coffey, co-discoverer with Dr. John D. Humber of a new treatment for cancer, Thursday disclosed that more than 500 cancer sufferers are being treated with the cancer extract. Six patients heretofore bedridden at the St. Francis hospital, he said, were so improved they were released Thursday and are now "up and around." They will receive further treatment at the Southern Pacific General hospital clinics.

Dr. Coffey appealed to the people of San Francisco who can afford it to subsidize the University of California and Stanford hospital so that these institutions can carry on investigations of the extract. He announced the College of Medical Evangelists in southern California has been promised a \$500,000 endowment to investigate the extract.

Mrs. Gertrude Edwins, brought here in a plane from Wenatchee, Wash., by her husband, Irving Edwins, to receive the Humber-Coffey treatment, was reported at the hospital Thursday by her attending physician as "pretty good." He added that her condition was still "very serious." She has been strengthened by two blood transfusions in her desperate fight against cancer and has received three injections of the extract.

Prayers for the success of the extract were offered Thursday by the Congregation of Grace cathedral, seat of the Protestant Episcopal Diocese of California.

LEGION IS GIVING BENEFIT FOR HALL

Monmouth—Friday night the American Legion, supported by other civic organizations of Monmouth, is giving a basket social for the public, in the new Legion home over the recently completed city hall.

BEE MEN FACE HONEY STRIKE

Riverside, Cal. (AP)—Riverside bee men were today facing an unusual problem—a strike on the part of their honey gatherers.

Reese Powell, local bee raiser, was quoted as saying that lack of food and ill care were responsible. Other apiarists sought to excuse themselves by blaming it on the weather and lack of funds.

However, that may be, the bees were evidently voting a solid majority. They refused to raise more children unless they got more food. But the bee men couldn't supply more food unless the bees raised more children to gather more honey, and the bees refused to raise more children unless they got more food, so the deadlock remained unbroken, and it appeared that only time could settle it.
