

# SALEM HIGH PLAYS AT CHEMAWA SATURDAY NIGHT

## BOTH QUINTETS REPORTED FIT FOR STRUGGLE

Two teams which are rivals in every sense of the word will meet Saturday evening when Salem high and Chemawa Indian school basketball quintets meet on the Indians' floor for the first of their two game series.

Coch Downey of Chemawa stated Saturday morning that his team looked better this week than at any time during the season and that if his players were defeated it would simply mean that Salem had the better team. Apparently a great deal depends on Simmons, the fast Chemawa forward. "If this boy is on Saturday evening Salem will have a hard time beating us," was Downey's comment.

Salem has been an in-and-out aggregation this season, playing like champions one evening, only to look like a bunch of dubs the next. However, since the Indians are foes of long standing, persons who attend the game Saturday night should see a worthwhile battle.

The Indians, seemingly tireless, pass the ball with bullet-like speed and maneuver with whirlwind rapidity. Their shooting luck has been none too good and that is where Salem may hold the edge. The latter, playing a more deliberate, although speedy game, apparently get in better position before taking a shot. "If" squads of both schools will play a preliminary starting at 7 o'clock, with the main game following immediately.

The starting line up for the main game will probably be:

CHEMAWA		SALEM	
Simmons	F	Kitchen	F
Pretyman	F	Bone	F
Marodon	C	Graber	C
Mivette	G	Sanford	G
Miller	G	Sachler	G

## BULLDOGS AGAIN BEAT SILVERTON

Woodburn—In an exciting m.p. and tuck basketball game Woodburn was victorious for the second time this season over Silverton Friday night on the Woodburn floor by a score of 18 to 16. The game was mostly defensive, with long shooting by Silverton. Two men were taken from each team on personal fouls. Woodburn failed to play up to their usual standard due to illness of several players during the week.

At the half the score was 13 to 6 in favor of Woodburn and in the last quarter Silverton managed to get just one point behind, her enemy as the score stood 17 to 16. Woodburn kept the lead however and chalked up two more points at the end of the game.

The audience was on its toes most of the time.

This completes the regular schedule of the season. Whether Woodburn will play another game with Chemawa will be decided Saturday.

Lineup: Woodburn, 4, Green; H. Schooler, 5 F; Davenport, 4 C; F. Johnson, 1 L; Schooler, 2 G; E. Johnson, A. Schooler, 3 G; 7, Hatwood, 1 S; Chapelle, 11 S; Arbuckle, 1 S; Kroll, 1 S; Prehtius, 1 S.

Shanghai, China, will have a new clubhouse costing nearly a half-million dollars.

## Spears Departs For Oregon After Rousing Welcome in Portland

Portland (AP)—Dr. Clarence (Doc) Spears, new University of Oregon gridiron mentor, left for Eugene Saturday with battle cries of a half dozen colleges flung between here and Dartmouth ringing in his ears following his reception here Friday night at which more than 1,000 citizens of Oregon gave him a rousing sendoff.

At Eugene, the former University of Minnesota coach, will get his first glimpse of the material which he hopes to mold into a Pacific coast conference championship team. He will be accompanied by a traveling party of eleven, although he was given a slight insight Friday night when Johnny Kitzmiller, the "Flying Dutchman" of Oregon, Mark Shields and a half dozen other football stars of Oregon attended the banquet here.

Dr. Spears spoke on football for its own value, rather than an attempt to mask it under far-fung phrases or returns to the state by publicity and character building. He said it was impossible for any coach to install fight into men but that the fight, inherited by men from the community in which they were reared, often was aroused on the football field.

# Parrish To Face Silverton Quint

## JUNIOR HIGH SQUAD PRIMED FOR INVADERS

Parrish junior high's basketball squad Saturday evening will face one of the few teams which has been able to lower its colors this season. Silverton high. The game which will be played on the Parrish floor will probably be one of the most hotly contested of the season, with the locals confident that they will be able to turn the tables on the invaders.

Parrish lost by a small margin early in the season when it invaded Silverton. An overtime period was necessary to decide the contest. Since then Silverton has given Oregon City one of the few beatings the Clackamas county squad has received.

The last few games Parrish has played, the players have not been forced to extend themselves, and should the contest Saturday night be close, which probably will be the case, spectators should witness one of the outstanding cage classics of the year.

In Brownell, Ellis, Kelly, Perrine, Slater and Mosher, Coach Frank Brown has one of the speediest quintets in the Willamette valley. They have often been handicapped by lack of height and size, but this has resulted merely in spurring them on. Silverton played a tough game with Woodburn Friday night, and may be somewhat weary from the effort. Woodburn managed to win the contest by a close margin.

## MONMOUTH AND BETHEL LEADING

Monmouth — Bethel and Monmouth basketball squads will meet on the local floor Saturday evening at 7:30 to decide the championship of Polk county, both teams having emerged winners in previous games. Should Bethel win Saturday night's struggle, a second game will be played Monday, but should Monmouth prove victorious it will mean that Monmouth wins the title.

Tight play featured Friday's contests, with Independence and Dallas being eliminated. The first contest of the day went to Bethel over Independence by a 29 to 18 score. Bethel had a comfortable lead throughout.

The game between Monmouth and Dallas, which resulted in a 26 to 23 win for the former, was a hard fought affair, with Dallas leading throughout the first half. Monmouth went into a 17 to 10 lead at the end of the third period, but Dallas came back to knot the count at 17-all at the end of regular time. The teams tied again at 20-all, then Monmouth succeeded in putting the game away.

After having a safe lead up until the end of the third period, Dallas succumbed to the savage attack of Bethel in the third game of the evening and was beaten 26 to 24. The score was tied at 24-all a few seconds before the end of the game, with Bethel sinking the winning basket just as the struggle came to an end.

## AGGIES, WEBFOOTS PLAY FOURTH GAME

Corvallis (AP)—Oregon Agricultural and University of Oregon basketball teams meet here Saturday night in a crucial game for the Webfoots. Oregon, in second place in the northern division of the Pacific coast conference, still has an outside chance of tying the Washington Huskies for the title.

In the present series Oregon hold the edge over the Aggies, having won two out of three games.

Williams went to his barn and found a newly born calf so badly frozen that it was almost dead. The result was the complete recovery of the calf from the effects of the exposure.

## White Learns That Coming Back Is Hard

Chicago, (AP)—The heart was there but the old ability was lacking and Charlie White knows now that "they never come back." As great as they came when he was fighting such fellows as Benny Leonard, Freddy Welsh and Ritchie Mitchell a decade ago, White believed until Friday night that he could be the exception. But young Henry Perlick, one of the twins, knocked him out in two rounds to demonstrate that once a fighter, no matter how great, hangs up his gloves, he'd better leave them on the wall.

## AKERS TO BOX GRAHAM HERE WEDNESDAY

Promising a battle through every one of the ten scheduled rounds, Art Akers, Salem southpaw, and Eddie Graham, Portlander, who is also considered home talent, have signed their names to the dotted line for the main event in next Wednesday's fight card.

Akers, as everyone knows who has seen him in action, carries a dynamite wallop. He has been over-matched and out-weighted in virtually every scrap he has appeared in here, but nevertheless has carried on.

Graham is almost as well known here as some of the home town boys. He has shown twice against Teddy Fox and returned from the south this week. The re-matching of Jackie Woods and Jackie Wattenberger is causing more tongues to wag than any event in weeks. These two youngsters put on a slashing bout four weeks ago. The result was so close that the fans were about equally divided on opinion as to who had won. The six round match of the two lads Wednesday night should go a long way toward settling the argument.

Three four round matches will complete the card.

## PENINSULA ACES DEFEAT W.U. FROSH

The long range shooting proclivities of the Peninsula Aces of Portland stood them in good stead Friday night when they met and defeated the Willamette university freshman quintet, 26 to 23 in a game that hard fought throughout. The Frosh garnered seven points before the Aces realized they were in a real game. But they soon started clicking and shortly had the count on a more even basis. The first half ended with the yearlings boasting a one point lead with the count 15-14. The score tied 16-all at the three quarter post. The visitors won in the final minutes by sinking several from far away.

In that event, a tie playoff will be necessary.
