

ANDERSON AND MONROE SIGNED FOR NEXT FIGHT

Silverton Defeats Chemawa; Will Meet Dallas High

CLEVER BOYS BOOKED FOR 10 ROUND GO

Having fought through two 6-round bouts with neither one gaining a decision, Jimmie Anderson of Astoria and Frankie Monroe of Portland, have been signed by Matchmaker Plant to go 10 rounds here next Wednesday night in the main event of the regular bi-monthly boxing show.

Anderson and Monroe, featherweights, virtually stole the show in Portland Tuesday night, going through 6 rounds in slam-bang style. In signing these men, Plant is looking forward to the return of Ted Fox from the Philippines, who is expected home within the next month. Plant plans to have Anderson or Monroe built up to a point where a match with Fox would prove an attractive affair.

Monroe, who fought here a few years ago, proved popular at that time and from reports of recent appearances in coast towns, he has lost none of his drawing power.

Both men are reputed to be extremely fast and willing scrappers.

TROEH AND ARIE LEAD SHOOTERS AT DEL MONTE

Del Monte, Calif. (AP)—Two veteran trapshooters, Frank Troeh of Portland, Ore. and Mark Arie of Champaign, Ill., were expected to be leading contenders for honors in the grand Del Monte hundred and handicap match starting at the Del Monte gun club Thursday.

The tournament, which will last until Sunday evening, was expected to be one of the most fiercely contested in recent years.

Arie and Troeh shared honors in the practice day program Wednesday. They were tied with 99 out of a possible 100 in the 16 yard event, Troeh winning the draw and the trophy.

The men's handicap trophy was won by Dr. H. W. Armstrong of Los Angeles with 15 out of a possible 100 at 25 yards.

Mrs. E. C. Carratt of Oakland, Calif., won the ladies' low score with 83 out of a possible 100 at 17 yards. She broke the last 30 clay birds in succession.

The first 50 on the handicap was a cash purse donated by J. Painter, Jr., and was won by Dr. A. T. Monismith, of Fort Lupton, Colo., with a score of 48 out of a possible 50 at 21 yards.

Sport Slants by ALAN J. GOULD

Twenty-three years is a long time in baseball for any pitcher, especially a southpaw. Old Jack Quinn, a right-hander, has been in the game a little longer than that and still has some winning stuff saved for the Athletics but Richard (Rube) Marquard claims a record for pitchers, even though he will be obliged to spend his twenty-third campaign with Jacksonville of the Southeastern League. Rube will manage the Jaxons and, he says, take a regular turn in the box.

"It's been eighteen years since I won 19 in a row for the Giants but I still have some stuff in the old arm," remarked Marquard on a day he was visiting the Hialeah track at Miami. The Rube has a fondness for the races but it is not difficult to start him talking baseball.

"I haven't the high, hard one I used to have but maybe I can still fool 'em a little with some of the old stuff," he went on. "I haven't forgotten how it's done, anyway. I'm only around 40 now but the trouble is I got started too soon.

When the Giants paid \$11,000 for me twenty years ago it was a record price. That's just pit money now when you start talking about busy ball-players. Great Old Matty and the rest of us had a good time and won a lot of ball games but we lived before the big-money days."

Big Bill Carey likes the lights but the successor to Tex Rickard in the presidency of Madison Square Garden prefers to think and talk about building railroads in South America across a range of the Andes. He barely managed to get into the winter picture at Miami before packing up for a hurried trip to Bolivia, where he has had 8,000 men on the job of building a road from sea-level to an altitude of more than 14,000 feet in the mountains.

"The highest golf course in the world is at La Paz, Bolivia," commented Carey. "It is over 15,000 feet above sea level and the ball acts as though it would never come down sometimes, because of the rarefied air. People stop to lean up against a tree or a building every few steps they take in going about this town."

Nearly 294,500,000 pounds of peanuts were eaten in this country last year.

Phillies Loom As "Dark Horse" Prospect

The Old Guard of the National League may find trouble in 1930 if Burt Shotton, shown above with four of his flaming stars of 1929, succeeds in pitching up his pitching staff.

20 FOOT FALL KILLS FIGHTER

Washington (AP)—A fall of 20 feet from the steps of the treasury building during a sight-seeing trip here brought to an end the career of Bartley Madden, 41-year-old Irish heavyweight who became famous for his staying qualities against championship contenders.

Madden died in a hospital here Wednesday night, a few hours after he accidentally stepped off the landing. He had stopped for a day in the capital on his way to New York, from Miami, where he attended the Sharkey-Scott fight.

He came to the United States as holder of the Irish heavyweight championship and was considered a possibility for the world's heavyweight title. While he was not successful in his ambition, prior to 1917 there were few Americans in his weight who could knock Madden down, and in later years he was stood up against all of the heavyweight aspirants at one time or another. Recently he was characterized by Gene Tunney as one of the two greatest fighters the former champion had ever met.

JOURNAL CARRIERS DEFEAT TROJANS

The Capital Journal carrier boys basketball team Wednesday night defeated Parrish Trojans, 29 to 16. The game was a preliminary to the Parrish-Hill Military contest. The carriers led the Trojans 10 to 9 at the half. McKenzie scored 11 points for the winners, while Price connected for 6 for the Trojans.

The Journal boys will play a return game with Silverton junior high Saturday evening, the two teams meeting on the local Y. M. C. A. floor. Lineup:

JOURNAL	F	Shaffer
Witzel 5	F	2 Pense
Pickens 3	C	11 McKenzie
Brownell 2	G	2 VanBelt
Nicholson 0	G	2 Barnes
Price 4	S	3 Payne
Engle 1	S	

PERSISTENCE IS REWARDED AT LAST

St. Petersburg, Fla. (AP)—Jack Collins, the Journal boy who kept him playing tournament golf for 15 years despite the fact that he never won a tourney has been rewarded.

The 39-year-old Dayton, Ohio, pro, scored the first tournament victory of his career in the St. Petersburg open Wednesday, in a field which included Horton Smith, Gene Sarazen, and many other national stars.

Collins shot a 68 over the par 69 course of the Jungle Country club, with a 141. Horton Smith and Frank Wash of Chicago tied for second place with 142.

VOLLEYBALL TOURNEY SET FOR PORTLAND

Volleyball teams from Mt. Angel and Kimball school of theology will represent Salem in the small city community tournament which is scheduled for next Tuesday night at the Central Y. M. C. A., Portland. Teams from all parts of the state are expected to participate in the tourney. Last year Mt. Angel and Kimball placed first and second as a result of the state meet. This year's competition is expected to be very keen.

West Salem—Mrs. Will Gehrke of 404 and Mrs. W. R. Peterson of 1005 West Salem were Wednesday dinner guests of the Frank Malorys at Gravel.

Beaver Baseball Men To Play 16 Game Schedule; Coleman Back As Coach

Corvallis (AP)—Oregon State college will play a 16 game schedule in conference baseball this year, opening on its home grounds against the University of Oregon April 25, according to the schedule just released by Carl Lodell, graduate manager.

Pre-season games on dates not definitely set will be played with Willamette, Oregon Normal and Columbia university at Portland.

The conference schedule this year returns to the plan of several years ago whereby each of five northern division teams plays four games with each opponent just as was done this year with the basketball schedule. The change from the divided northern season as followed last year is made possible through the withdrawal of Montana from conference competition in these sports.

Ralph Coleman, former Pacific coast league player, is back as coach of the Angies this season. He has the reputation of developing more professional players than any other collegiate coach in the conference. Prospects are still uncertain for this year but material appears generally good.

The Oregon Agricultural schedule follows:

April 25, University of Oregon at Corvallis; April 26, University of Oregon at Eugene; April 30, Washington State at Corvallis; May 1, Washington State at Corvallis; May 5 and 6, University of Idaho at Corvallis; May 9 and 10, University of Washington at Corvallis; May 16 and 17, University of Washington at Seattle; May 19 and 20, University of Idaho at Moscow; May 21 and 22, Washington State at Pullman; May 30, University of Oregon at Eugene; May 31, University of Oregon at Corvallis.

Vocal Signals Possible With Luque, Lopez

Clearwater, Fla. (AP)—The Brooklyn Robins have discovered a battery that can get along without signals unless some undiscovered iceberg turns up in the National League. With ancient Adolfo Luque pitching and young Alfonso Lopez catching, the instructions can be passed in their native Spanish with no one present to hear them. The umpire is calling 'em without leaving the field.

Luque dropped into the Robins camp Wednesday, a trifle overweight but with most of his old time pitching form after a winter of baseball in Havana. Ray Moss, still a holdout but a rather doubtful one, and Jim Faulkner also arrived.

FRESHMEN DEFEAT M'MINNVILLE HI

McMinnville (AP)—Willamette university freshman basketball team defeated McMinnville high, 29 to 25 here Wednesday night. McMinnville held a 12 to 10 lead at the close of the first half, but could not hold it during the final periods.

The freshmen fought their way to a 20 to 20 tie at the end of the third quarter then won out and clinched the affair.

Coach Sparks' players left Thursday for Ashland where they will engage in a two game series with the Lithians.

CAMPBELL SCORES K. O.

Oakland, Cal. (AP)—His eleventh consecutive knockout was chalked up here Wednesday night by Frankie Campbell. Glen Park heavyweight who knocked out Nate Brown of Los Angeles in the second round of a scheduled ten round main event.

It is now possible to travel by train across Europe and Asia, from Calais, France, to Vladivostok, Siberia, a distance of 7,000 miles.

ALBANY COLLEGE TO SUPPORT BASEBALL

Albany—Coach Lloyd Helcon of Albany college met with 50 athletes this week at the college, who signified their intentions of turning out for baseball, track and tennis. Last year the college did not support a baseball team.

Spring football practice will start soon at the college, Coach Helcon stated. Last year the Albany Pirates' track team won the valley conference in track.

OLD BARN BURNED
Independence—A small fire of undetermined origin occurred in the north part of town Tuesday afternoon, and burned down an old barn, unused. Chief Woods and two of his lieutenants went to the scene of the fire with the chemical apparatus, to keep the fire from spreading to near-by buildings.

Games—The Bridgely club has resumed activities after a lull of several weeks because of cold weather and illness among members. Mrs. Robert Brown entertained members and their husbands with an evening of cards at the club room in the school house.

LONG DISTANCE SHOOTING PUTS INDIANS OUT

Cutting loose with a barrage of long shots during the last half which seemingly didn't miss, Silverton's high school basketball team Wednesday night earned the right to meet Dallas for the inter-county championship, when it upset the dope to beat Chemawa on Willamette's floor 39 to 24.

The Indians, visibly tired from their two strenuous games of Monday and Tuesday, failed to keep up the hot pace which they started in the first quarter and which resulted in keeping Silverton out of the scoring column entirely during that time.

Following the rest period Silverton changed tactics and instead of trying to penetrate the Indians' defense, started pouring the shots over their heads. Their system worked. The Silver Foxes closed the gap to 13 to 11 at half time.

Having discovered they were "hot" the Silverton players continued their long range tactics during the second half and soon had a substantial lead. The removal of Simmons, flashy Chemawa forward during the second half for too much personal contact, demoralized Chemawa's play to a great extent. But the way the Silver Foxes played during the second half, it would have been difficult for any team to have stopped them.

Perhaps the ending might have been different if Coach Downie had followed his best judgment and insisted on playing the game one day later instead of Wednesday night. Prettyman was suffering from "charley horses" while one of Simmons' feet went bad during the Salem game.

Silverton and Dallas will settle their troubles next Monday evening on a floor to be announced by the championship game of District No. 7 will be played March 14.

Lineup: CHEMAWA SILVERTON
Simmons 4 F 5 Davenport
Prettyman 10 F 7 Green
Marsden 6 G 7 F. Johnson
Vivette G 14 Harwood
Miller 3 G 6 E. Johnson
Smith 1 S
Referee, Ellis.

SAMPSON LOSES TO BARRACKMAN

Marvin Barrackman of Deep Water, Wash., took two straight falls from Bobby Sampson at the armory Wednesday night and thereby put a decided crimp in the latter's aspirations for the welterweight belt now being worn by Des Anderson.

The first fall came after 30 minutes and 50 seconds of wrestling, when Barrackman rode Sampson to the canvas for a body slam which knocked the latter cold. Apparently not entirely recovered from the first fall, Sampson was easy prey for his opponent in the second round which Barrackman took in one minute and 55 seconds with another body slam.

Ray Prisky of Albany and Cliff White of Lebanon, heavyweights, wrestled three rounds to a draw, while Norman and Jack Meiswender of Brownsville, put on an exhibition match for a silver shower.

STAYTON TO PLAY IN TITLE SERIES

Stayton—The Stayton basketball team defeated the Scio teams on the latter's floor Monday evening. The score in the boys' game was 23-13, in favor of Stayton. The girls' game was 34-15 in favor of Stayton. The girls played a game with the Halsey girls at the Scio gym Wednesday evening. This was the boys' last game. The boys will go to Corvallis Friday to play the winning teams of the championships in Lincoln, Benton and Lane counties. Scio is the winner of the Lin county class B championship. There will be no girls' tournament.

Baseball enthusiasts have been practicing on the school grounds the past week, and it is thought that both boys and girls will have good teams.

WRESTLING BOUTS WILL BE TALKED

Arrangements for the amateur wrestling tournament which will probably be held in the Y. M. C. A. during the first week of April will be discussed at a meeting to be held at the association Thursday night. The tournament was originally set for the last week in March but has been put off on account of spring vacation at Willamette. Several Willamette men will appear on the mat. There will be competition in eight weights, according to present plans, 112 pounds, 118, 126, 135, 147, 160, 175 and heavyweight.

RACE HORSE MEN MEET AT OLYMPIA

Olympia (AP)—Organization of the North Pacific Horsemen's association was perfected here at a meeting of 32 owners of harness horses in the old senate chambers of the state capitol building. It was the first race horse owners' organization in the northwest.

Officers elected were: Thomas Meyers, Tacoma, president; W. T. McBride, Elma, vice president; Kip Ward, Centralia, secretary-treasurer, and William Mowell, Canby, Ore., C. W. Wilson, Everett, and George Swisher, Graham, directors.

The association was organized after adjournment of a meeting of the North Pacific Racing association. It includes horsemen from Washington, Oregon, Colorado, Idaho, Utah, and Montana.

Just One Golf Handicap On African Course

Capetown, South Africa (AP)—Rules at a golf course in one of the rural districts near here have been amended to include the following: "A ball lying in a rhyolite's footprint may be lifted and dropped without penalty."

PARRISH LOSES TO HILL TEAM SCORE, 29-22

Putting up a strenuous fight against a much heavier team, Parrish junior high basketball squad Wednesday night went down to defeat before Hill Military academy of Portland, 29 to 22. Despite the fact that Parrish was playing without the services of Brownell, regular center, Coach Brown's players managed, through superior speed, to hold the visitors fairly even through three quarters of the game, the score being tied at 10-all at the half and at 17-all at the end of the third quarter.

The disparity in weight told in the final session, however, and Hill forged to the front.

Slater played a fine floor game for Parrish although his shooting was not up to standard. Frequently his speed made his opponents appear as if they were tied to the floor. Summary:

HILL	PARRISH
Luper 5	F 7 Kelly
Porlier 2	F 1 Wintermute
Woodard 6	C 3 Perrine
Maloney 13	G 8 Slater
Ward 2	G 3 Ellis
Fisher 5	S Wittington
Giffen 5	S Holt
Owens 5	S

Referee, Fleisher.

CASCADE CLUBS HOLD MEETING

Decision to divide the Cascade baseball league into two divisions—northern and southern—was reached Tuesday evening at a meeting of the directors of the association. The two sections, although playing their own schedules, will be under the same board of directors and president. At the end of the regular season, winners of each group will hold a championship series.

Turner, Stayton, Mill City and Jefferson have signed up for the southern division, with Mt. Angel, Donald, in the north. Prospects are bright for adding St. Paul, Scotts Mills, Silverton and Canby to the northern league.

E. L. Barrow of Jefferson, a former league umpire and a real baseball booster, was named vice president at the Tuesday evening meeting.

The schedule for season play will be drawn up at a meeting to be held next Tuesday evening.

Successful Way To Treat CATARRH

The Good Opex Formula's
Oil Eucalyptus—Eucalyptol—Ephedrine.
Menthol—Camphor—Thymol.
Oil Cinnamon—Oil Verbena.
Oil Cajuput—Mineral Oil

Insists His New Discovery Opens Up Catarrh Stuffed Nostrils In Three Minutes
Advices All Catarrh Victims to Treat Nasal Catarrh with Opex and Clean Out Unpleasant Mucus Quick

30 Days Free Trial Says Capital Drug Store

You get up in the morning with nostrils stuffed with mucus—you feel lousy—depressed.
Spray for a few seconds with refreshing, soothing, invigorating Opex and in three minutes your head is clear and clean every bit of mucus is out—you can breathe Nature's pure air through nostrils free from irritation.

There is nothing in Opex that can harm you—so use it freely night and morning and as many times through the day as you wish.

Opex is so helpful in Catarrh of long standing—the stubborn kind—that by using Opex faithfully for a month the worst symptoms of this humiliating disease are successfuly treated.

Singing and buzzing in ears when caused by Catarrh is lessened—what a blessing!

And here's something that will delight millions of men—after you spray refreshing Opex in nostrils and throat for 3 weeks you won't have that lump of mucus to hawk up in the morning—men have died from the terrible straining.

You can always get Opex at any up-to-date drug store—a bottle that will last about two months costs but \$1.00—if you aren't joyfully satisfied after using it for 30 days—get your money back.

Get It In New York Many stores and speakers away the West with Opex to subdue irritation and prevent headaches.
