

MOTHER OF TWO CHILDREN SENT TO LINN JAIL

Albany—Mrs. Hazel Moe of Crawfordville, is in the Linn county jail because she couldn't pay the \$300 fine assessed her in justice court Wednesday when she was found guilty of possession and selling intoxicating liquor to minors and adults and her two children 3 and 7 years old are in a detention house.

Boys and girls in their early teens were buying moonshine whiskey from Mrs. Moe and appearing in public places and at church in a tipsy condition when Crawfordville folk enlisted the aid of Linn officials in stamping out the liquor peddling of Mrs. Moe, who claimed she supported herself and two children by bootlegging. Her husband deserted her a number of years ago, she stated.

When the officers made the raid Mrs. Moe was running off a batch of brew and they also confiscated a ten gallon keg of whiskey, which she and an accomplice buried in the ground.

Albany, (AP)—The investigation of Mrs. J. E. Moe of Crawfordville, Ore., mother of two children, who placed her in the Linn county jail continued Thursday as reports drifted into the sheriff's office regarding children in various stages of intoxication who appeared in public places.

Sheriff Shelton said that many of the children had appeared in church under the influence of liquor. Following complaints of parents the sheriff arrested Mrs. Moe at her home where he confiscated a large quantity of home brew and alleged liquor.

THE SHOCK OF FACING
what your figure may become

"Coming events cast their shadows before"

AVOID THAT FUTURE SHADOW*
By refraining from over-indulgence

Men who would keep that trim, proper form, women who prize the modern figure with its subtle, seductive curves—eat healthfully but not immoderately. Banish excessiveness—eliminate abuses. Be moderate—be moderate in all things, even in smoking. When tempted to excess, when your eyes are bigger than your stomach, reach for a Lucky Strike instead. Coming events cast their shadows before. Avoid that future shadow by avoiding over-indulgence if you would maintain that lithe, youthful figure.

Lucky Strike, the finest Cigarette a man ever smoked, made of the finest tobacco—The Cream of the Crop—"IT'S TOASTED." Everyone knows that heat purifies and so "TOASTING" not only removes impurities but adds to the flavor and improves the taste.

"It's toasted"
Your Throat Protection—against irritation—against cough.

*Be Moderate! . . . Don't jeopardize the modern form by drastic diets, harmful reducing girdles, fake reducing tablets or other quick "anti-fat" remedies condemned by the Medical profession! Millions of dollars each year are wasted on these ridiculous and dangerous nostrums. Be Sensible! Be Moderate! We do not represent that smoking Lucky Strike Cigarettes will bring modern figures or cause the reduction of flesh. We do declare that when tempted to do yourself too well, if you will "Reach for a Lucky" instead, you will thus avoid over-indulgence in things that cause excess weight and, by avoiding over-indulgence, maintain a modern, graceful form.
