4-H CLUB WORK ON EXHIBITION AT WEST SALEM

West Salem—An interesting exhibit of the work of the 4-H cooking club was presented on Wednesday afternoon.

The exhibit was open to the public and a large number of the patrons of the school called.

Twenty of the pupils of the eighth grade, including both boys and girls, are members of the club. Thirty exhibits of foods cooked by the students were attractively arranged for exhibition. The students had also decorated the basement in laurel and evergreen boughs and daffodils and the emblems of the 4-H club under the supervision of their principal, Miss Bessie Shinn.

Under the state school law it is compulsory that eighth grade students do 4-H club work or take the interesting address training. Those taking the club work are not required to take this examination. Mrs. W. R. Peterson is the leader in charge of the group and one more lesson under her supervision will be required to complete the course, after which further work can be done by the students in their own homes.

Miss Helen Coggin, state club leader, was present and gave an interesting address stressing the fact that cooking clubs are being organized in many countries, even as far away as Africa. Polk county school superintendent, Josiah Willis, was also present and gave an interesting talk.

Demonstrating the fact that boys as well as girls can do sewing and fancy work, eight of the boys in the class had on display samples of their sewing, embroidery and stencil work, all of which had been nicely done and showed taste and painstaking work.

NATURAL RELIEF FOR MOST PREVALENT DISEASE

Kellogg's ALL-BRAN Is Eaten by Millions Daily to Prevent Constipation and Anemia

Constipation has been truly described as the curse of modern life. Its poisons cause countless ills—headaches, nervousness, indigestion—often serious disease.

Yet it can be relieved, and prevented in an easy, pleasant, natural way. Kellogg's ALL-BRAN, eaten daily, is guaranteed to relieve both temporary and recurring constipation. It adds the roughage to your diet that sweeps the system clear of all waste and insures regular elimination.

This delicious ready-to-eat cereal also helps prevent and relieve anemia. Scientific research shows that it is rich in iron—nearly all of which is absorbed, building red blood and bringing the glorious color of health to the complexion.

Isn't it much wiser to relieve constipation with this healthful cereal than to take pills and drugs that only give temporary help and are often dangerous?
