In an executive it's Leadership

in a cigarette it's Taste

KNOWING WHAT TO DO—and doing it—that's what carries a man up . . . and a cigarette, too.

PUTTING FIRST THINGS FIRST—good taste, uniform quality, aroma, flavor—Chesterfield's popularity is built on knowing what smokers want . . . and giving it unflinchingly.

TASTE—THAT'S THE ANSWER and that's what smokers get in Chesterfield in fullest measure—the flavor and aroma of mellow tobaccos, exactly blended and cross-blended, all to a single, satisfying end . . . "TASTE above everything."

We state it as our honest belief that the tobaccos used in Chesterfield cigarettes are of finer quality and hence of better taste than in any other cigarette at the price.
