

BANDIT LOSES GUN IN ATTEMPTED STORE HOLDUP

LINCOLN STORE OWNER BLOCKS PROWLING PAIR

Lincoln—Attempted robbery of the Lincoln corner grocery store was frustrated about 9:30 o'clock Thursday night when C. C. Grimm, proprietor, wrested the revolver from the would-be stick-up artist and fired two shots at the fleeing bandit who escaped with a companion in a sedan.

Grimm was getting ready to close his store for the night when a young man entered and tendered a bill in exchange for a package of cigarettes. When he thrust his gun in the direction of the store owner, Grimm wrested it from the man, who fled out the door. One shot was fired from inside the store, leaving a bullet hole in the glass. Grimm took a second shot at the disappearing machine. The gun is an old-style .32 calibre revolver.

The bandit is described as being in his early twenties, slight of build and wearing a grey suit and hat. While he was unable to obtain the license number of the machine, Grimm believes it to have been a late model Chevrolet and painted a dark green.

After notifying Sheriff T. B. Hooker, at Dallas, Deputy Sheriff Walter B. Gerth, at West Salem and the Salem police department to be on the look out for the sedan, which disappeared at a high rate of speed towards Salem, Grimm believes that the same car passed the store a few minutes later, headed north on the Wallace road towards Hope-well.
