Silk Dresses

Your Choice of One Big Group

\$10.

ONE GRAND PRICE!

If you have your mind made up to find good values in dresses... then come to this sale! Founder's Month Sale brings value to a point where the thrifty replenish their wardrobe for the summer days of July and August. Georgette, crepe de chine and flat crepe form the basis of these new summer fashions... while color runs rampant in the new prints, many are plain in such shades as Nile and Reseda green, royal blue, suede tan, pastels, tomato red and black. Fashions, of course, show the newest silhouettes with circular and pleated skirts, long, half, cap and short sleeves, new collars with trims of ruching, piping, bows, etc. The latest print designs such as dots, floral splashes are features of this Founder's Month sale!
