The Guaranteed Gasoline That Removes Carbon!

It's here... the famous Blu-Green Gasoline that has eclipsed all popularity records everywhere.

This is the first and only colored gasoline sold on the Pacific Coast that is positively Guaranteed to Remove Carbon. It eliminates 81% of motor troubles.

Gilmore Blu-Green is the highest quality dry gasoline that modern refining methods can produce. To it is added the Patented Blu-Green Formula... (U. S. Patent No. 1654259.) It dissolves the carbon while you drive... it keeps your motor clean without extra cost to you.

Gilmore Blu-Green is MORE ECONOMICAL. It gives added miles per gallon, besides eliminating many repair bills.

Gilmore Blu-Green is MORE POWERFUL... the patented formula releases every atom of power for your use.

Gilmore Blu-Green is ANTI-KNOCK... the Blu-Green ingredients cut out the "ping" caused by carbon accumulation.

Gilmore Blu-Green STARTS MORE QUICKLY... the exclusive chemicals cause perfect vaporization at low temperatures.

Gilmore Blu-Green makes older cars run like new... it is ideal for modern high compression motors, too.

Remember... this is the only premium quality gasoline that you can buy at the same price as ordinary untreated sluggish motor fuels.

Try Gilmore Blu-Green today... watch your car improve in form. You'll join the 150,000 motorists who insist on Gilmore Blu-Green Gasoline. Now you can buy it in this territory from the cream and red pumps with the Lion's Head trade mark at any of the Independent Service Stations listed below.
