

SCHMELING AGREES TO MEET SHARKEY NEXT FALL

GERMAN ASKS RELEASE FROM HIS MANAGER

New York (AP)—Apparently not satisfied with his questionable world's heavyweight boxing title, Max Schmeling has agreed to meet Jack Sharkey in a return bout at Yankee stadium in September under certain provisions.

Before he steps into the ring again against the man who gave him the championship on a foul in the fourth round, Schmeling says he must have an outright release from Arthur Buelow, German manager whom he disposed of over a year ago but whose contract does not expire until October.

The German heavyweight also says he will have no part of Gram McNamee as a radio announcer on grounds the National Broadcasting company's announcer was partial to Sharkey and made errors in their June 12 bout at the stadium.

As the Garden has already agreed to take care of the Buelow settlement as well as finding a suitable broadcaster, there appears no reason why the heavyweight title will not be at stake once more.

The proclamation of Schmeling, coming through Joe Jacobs, his manager of choice, follows close upon the New York state athletic commission's advice that Schmeling give Sharkey another bout before the end of the summer.

The state commission recognized the German as champion at its meeting Tuesday. Sharkey has already informed the commission he is willing to meet Max again on almost any terms.

FIGHTS PLANNED FOR WEST SALEM

West Salem's venture in the knuckle throwing game will be staged next Tuesday night with Mack Woods, promoter featuring Art Akers of Salem and Eddie Edleman, Alaska Ekimo in the 10 round main event. Originally scheduled for the Mellow Moon dance pavilion, plans have been changed with the result an outdoor arena is being constructed and will be used for the first time Tuesday. Seating accommodations for 1200 persons will be arranged, so constructed that virtually every spectator will have equal visibility.

The supporting card will bring together Freddie Stone of Los Angeles and Jackie O'Brien of Seattle, welterweights in a six round engagement; Jackie Young, the popular Siletz 118 pound scrapper, and John Snell of Portland, and one four round curtain raiser.

Wally Berger, new Boston Brave outfielder, pushes 198 pounds into a swing that has placed him in the race for home run honors in the National league.

Jones' Record During 1930 Perfect; Only Amateur to Win 4 Major World Crowns

London (UP)—Bobby Jones has succeeded in every objective of his 1930 European golfing invasion—the Walker cup matches, the British amateur and the British open—and Saturday was prepared to return to America, where he hopes to clinch his campaign with victories in the open and amateur championships.

Bobby established three all-time records and tied a fourth, during his British campaign, when he declared probably will be his last visit to England, "at least for a long time to come." By winning the British amateur he became the only golfer who ever won the world's four major golfing crowns—the British amateur and open and the United States amateur and open.

Winning the British open made Jones the only golfer to hold three of the major crowns at the same time, and gave him a total of 11 major championships since he won his first open tournament in 1923.

Jones' victory Friday was less spectacular than any of his previous triumphs here and failed to arouse the enthusiasm which greeted his victories in past years. Jones' score of 291 was 10 strokes below the winning score made in any previous open at Hoylake, but Bobby saved his two worst rounds until the final day, a 74 and a 75, winning the tourney only because the players who were within striking distance cracked in the final round.

The triumph was the seventh in a row for the United States and gave the invaders a record of nine victories in the last 10 British opens. It was the second consecutive year that the Americans have finished one-two-three. Five of the invaders who reached the final round finished among the first six.

Young Don Moe failed to get in the "first 10", finishing in a tie for 13th place with a total of 303, but defeated all of the amateurs except Jones, to complete the finest record ever made by an American amateur on a first trip abroad. Moe won two matches as a member of the Walker cup team and reached the second round of the British amateur.

This Game of GOLF

BY O.B. KEELER

London—I told the British golf writers about Don Moe, the 1930 infant of the American Walker cup outfit, and they were very polite but they did raise their eyebrows.

The inference was that Don was not as good as I said he was, and, furthermore, he could not be as good as I said he was, nor could anybody else.

So I just said no more about it, and at luncheon Friday, when Mr. Stout was 4 up on Don, I continued to say nothing more about it, but a number of the working pressmen made a point of saying something about it to me.

So we went out on the Sandwich golf course, and what did Mr. Stout do but start 4 up against Mr. Moe and go 3-3-3 on the first three holes of the afternoon round. And of course I did not want to see any more of that, so I went over to see another match, and had a talk with the Hon. Ted Blackwell, who once drove over the 18th green at St. Andrews, a matter of 300 yards, with the gutta-percha ball.

And the next thing I heard, Don Moe had won a match with Mr. Stout, after being 7 down with 15 to play. Don had done a 67, at Sandwich; the finest round of the match, and I believe, the most spectacular bout ever pulled off in the Walker cup event. His last round shot was a classic. After a good big drive at the home hole—the hole is of 441 yards, and his drive must have been at least 200 yards—he found the ball on a down-slope, a wretched, hanging lie, from which he squared around, holed the club, turned fast upon the stroke, and smacked it almost into the hole with a dragging finish. It was a sure birdie 3 and the match.

I could not help accepting some of my British friends among the working pressmen—I being one of the clan and very proud of it:

"Well, boys, what do you think of the infant, now?"

I will say for the British golf scribes—they know how to take it. Their eyebrows remained in place, this time. But their hats came off.

"Are you never going to let up on us?" they asked. "What use to murder Bobby Jones, when you have this young prodigy? What does Bobby think of him?"

"Well, that was the first comment Bobby made, after the match was settled.

"Wasn't Don Moe wonderful?" he said. And then, "Too bad about Glenna. I felt sure she would win, at Forbury, after she got by Miss Gourlay and Miss Wilson. Miss Fishwick must be awfully good."

Don was the first to eat at Douglas Fairbanks' beautiful dinner party at the Savoy Saturday night.

SPEED BOAT RACES SET FOR PENDLETON

Pendleton, (AP)—With an entry list of more than 30 speed boats from all sections of the state and northwest, the Pendleton American Legion Saturday opened its second annual motorboat regatta on McKay lake.

Prizes totalling \$1,000 besides several cups are offered to the dare devils of the midwest speed craft.

The race course has been changed so that spectators seated on the face of the dam and in automobiles on the western bank are enabled to see the entire race course of one mile.

McDONALD WINS

Klamath Falls (UP)—Shrimp McDonald, Lakeview, 1205, won a ten-round decision over Benny Dyson, Klamath Falls, here Friday night. At Trumans, San Diego welterweight, and Young Sam Langford fought a slashing bout until in the fourth round it was awarded to Langford on a foul.

WOODBURN—Mrs. Josephine Vilk of Chicago is a guest at St. Luke's rectory, where she is visiting her brother Rev. J. E. Rubis. Mrs. Vilk expects to remain several weeks.

When Doug, who had been shopping all morning, presented the Walker cup team members with watches, the kind you pull open and wind them at the same time, each engraved, "Bobby, from Douglas Fairbanks," and so. And a lovely hand bag or whatever they call it of the accompanying wives of the team members.

Mr. Fairbanks, you know, was appointed team mascot on the boat coming over. He certainly gave us the prettiest party I ever attended.

BRIDGE AND LUNCH ENJOYED, MT. ANGEL

Mt. Angel—Mrs. Emil Bochsler was hostess at bridge and luncheon in her home Wednesday evening. Pink and white sweet peas were used about the rooms. Three tables of bridge were in play during the evening, the high score prize was awarded to Miss Hilda Butsch, Miss Helen Keber drew the door prize.

MINE MAN IS BACK

Selo—K. P. Moore has arrived from Santa Rosa, Cal., and is again in charge as general foreman of operations at the Crown mine, according to announcement of R. E. Peery, manager of the mine. Moore was in charge of the mine for four years and is said to be a competent and reliable man in that capacity. He left here about a year and a half ago and has been engaged in mining in California.

Selo—"Aunt Becky" Motrie expects to go to Portland Sunday for a visit of three weeks at the home of her son, Ira.

PORTLAND BOYS MEET IN FINAL AT VANCOUVER

Vancouver, B. C. (UP)—Every year or so the name of a Portland boy rises on the horizon of golfing fame. Two of those boys are now far afield seeking greater laurels. One, Don Moe, was Friday in England referred to by Bobby Jones as "the finest amateur golfer on either side of the Atlantic." The other, Vincent Dolp, next week will seek to annex the collegiate championship in Pennsylvania.

Saturday night there will be the name of another Portland boy emblazoned in bright letters, for either Eddie Hogan or Johnny Robbins will be the champion of the Pacific northwest golf association.

Hogan, who is only 18 years old, put the invincible Frank Dolp out of running Friday when the youngster won two up and one to play.

Eddie's name, despite a few youthful mistakes, was a feature of the tournament as he played against one of the greatest match play golfers of the world. His terrific tee shots and accurate putting won the match.

Johnny Robbins, a veteran, 20 years old, put Al Duncan of Seattle, to rout winning 4 up and 1 to play, after a slow start.

Mrs. Vera Hutchings, the defending champion was playing Mrs. Fred Jackson of Seattle, in the finals of the women's division. Mrs. Jackson defeated Mrs. S. C. Sweeny one up and Mrs. Hutchings defeated Mrs. Brent Porter, San Francisco, 4 and 3 Friday.

SENATORS PLAY ALCOS SUNDAY

With the strongest lineup of the season available, Manager Edwards and his Salem Senators will go to Albany Sunday where they will play the Alcos in a game which will count on second half standings and will not alter the situation as far as the first half is concerned.

Eugene will entertain Corvallis on the Linu county diamond and this contest will count too, on the second half. However, the two succeeding games between Salem and Eugene, and Salem and Corvallis will revert back to the first half, since these clubs have played each other in the first half is concerned for three games around during each half.

Albany will be without the services of Jimmy Strimater, shortstop, Sunday. He sustained a broken finger here last Sunday in the fourth inning when he scooped up a hot grounder. The extent of the injury was not discovered until two or three days later.

WASHINGTON CREW MAKES TIME TRIAL

Poughkeepsie, N. Y. (UP)—Coach Al Ulbricksen Saturday prepared his powerful Washington crew for its first time trial over the Hudson river course where the Huskies will meet eight rival shells in the annual intercollegiate rowing association regatta, June 27.

The Huskies flashed sensational form in their practice spin Friday and the Badgers are expected to make a time trial Sunday or Monday, Cornell, Columbia, California, M. I. T., Syracuse, Navy and Pennsylvania also held brief workouts but none of the crews attempted record performances.

WORLD WIDE MOTOR VACATION PLANNED

Independence—A brother of Mrs. C. L. Carey, of Kelo, Wash., is visiting here at the Carey home this week. He is accompanied by his wife and they are just starting on a world wide tour, going by motor to New York, and embarking for the countries of the Atlantic. They will ship their car from New York so as to have it for travel in the foreign countries.

This will be his first visit to his native land since leaving there. He served in the American army during the World war but did not get to France. He expects to be some about two months and on his return will visit the southern states, coming north through the coast states to his home in Kelo.

Hayesville—Mr. and Mrs. Clark Ritchie's new home which was started a few weeks ago is progressing rapidly now. They expect to have it completed and ready to move in some time in late summer or early fall. The Ritchies had the misfortune to lose their home and all the furnishings in a fire early this spring. Other construction work in the neighborhood in the form of remodeling is being done by Mr. Keizer, C. E. Andresen and Mr. Teal this spring.

TEACHER SELECTED FOR TURNER CLASS

Turner—Miss Hazel Skidmore, recently of Sioux City, Iowa, has been appointed as the new teacher of the Junior league class of the Turner Methodist Episcopal church. She fills the vacancy left by the former teacher of the class, Mrs. Fred Williams, who is now enroute to her old home in Nebraska. The Junior league class has been changed from the usual meeting time of Sunday afternoons to Tuesday afternoons of each week during the summer months. Interest is growing and a large number of pre-school and school age children are now enrolled in the class.

Georgian Puts Von Porat Away in 1st Round at Chicago

Chicago (AP)—The angular figure of Otto Von Porat, Norway's heavyweight contribution, Saturday was out of the championship scheme—propelled there by the left fist of William Stribling of Georgia, U. S. A.

Two minutes and fifty seconds after they crawled into the ring at the Chicago stadium Friday night, Von Porat, the paralyser, was stretched paralyzed on the floor, by the same left hand that caused Stribling to ask postponement of the battle.

The ex-schoolboy from Marcon, fighting in a fastman that amazed a throng of around 25,000 persons, carried Von Porat off his feet from the start. None of the holding and mauling that has characterized previous Stribling engagements, were on display.

Stribling came out using everything and it was a thoroughly bewildered Von Porat who launched a right swing at Stribling's jaw—and ran into a left hook that dropped him like a rock.

Von Porat's head struck the canvas with a thud, and what the blow to his chin might have failed to accomplish, was finished when his head struck the floor.

Stribling not only battered Von Porat out of the heavyweight picture, but leaped into the center of it. He might have eliminated Von Porat by knocking out a decision in the well known Stribling fashion.

Unofficial figures on the box of office angle indicated the fight had created a new indoor attendance for boxing. Around 21,000 spectators paid more than \$80,000 to watch the stunning exhibition of what Stribling can do when he wishes.

Stribling had caused postponement of the fight from Wednesday to Friday night, pleading an injury to his left hand. An Illinois state athletic commission physician failed to find evidence of injury and Stribling was ordered to go through with the bout.

PORTLAND DROPS CLOSE CONTEST

San Francisco (UP)—Both the league-leading Sacramento Senators and second place Los Angeles Angels were stronger in their respective positions Saturday in the Pacific coast baseball league by virtue of Friday's wins.

Although San Francisco made a gallant effort to save the day by scoring three runs in the last inning, Los Angeles had too big a lead and took the contest, 7 to 4.

Sacramento, playing at night with Seattle, won the game in the second inning with two runs. Another in the third only served to counteract the Indians' lone score. The game ended with the capital city team winning, 3 to 1.

Hollywood trounced Missions, 19 to 5, and Oakland, overcoming an early lead of Portland's, won a close game 2 to 1.

TROPHY SHOOT TO BE HELD SUNDAY

Next Sunday will mark the resumption of the Salem Trapsshooters club's twice a month trophy shoots at their grounds in the southwest part of the city. Since the state shoot here two weeks ago, local shotgun men have been interested in the traps. However, with the soreness gone from shoulders, trigger fingers have begun to itch once more.

Sunday's program includes 50 sixteen yard targets and a 50 bird handicap.

ALBANY COLLEGE GYM TO BE STARTED SOON

The plans are being completed for the new woman's building and it is hoped that construction on both buildings will be started in July.

ATHLETICS WIN THREE IN ROW FROM CLEVELAND

Cincinnati gave the Brooklyn hopes a severe setback Friday by beating the Robins two star pitchers—Duzzy Vance and Adolfo Luque—and winning the first two games of the series.

Successive errors by Deberry and Flowers gave the Reds their only runs in Friday's 2 to 1 victory.

Walter Berger, Braves rookie, hit two home runs to take the National league lead with 20 for the season, but his mates were unable to solve Pat Malone's delivery and Boston lost a 7 to 3 decision to the Chicago Cubs. Kiki Cuyler and Woody English each hit a homer with a man on base.

Pie Traynor's double with the bases filled and Comorosky's homer aided Pittsburgh to score 6 runs in the sixth inning and defeat New York, 8 to 4.

The St. Louis Cardinals bunched 11 of their 13 hits in the third, fourth and fifth innings to score seven runs and defeat the Philadelphia Phillies, 7 to 5.

Philadelphia's world champion Athletics won their third straight from the Cleveland Indians, 8 to 0, and increased their American league lead to 2½ games.

George Earnshaw held the Indians to five scattered hits, while his mates pounded Brown and Miller for 13.

Ted Lyons outpitched Bump Hadley and Firpo Marberry and the Chicago White Sox defeated Washington, 2 to 1.

The Detroit Tigers pounded three New York pitchers for 11 runs in six innings and Vic Sorrell coasted through to an 11 to 6 victory.

Goose Goslin's seventh inning homer gave the St. Louis Browns the winning run in their 4 to 3 victory over Boston.

IMPERIALS LOSE TO STATE HOUSE

The Imperials of the Commercial baseball league, committing several errors, were defeated Friday evening 11 to 1 by the State House club which played airtight ball. Lyons, who started on the mound for the Imperials, performed the feat of striking out four batters in one inning. However, only one of them counted as outs since the catcher dropped the third strike on three of them, the batter legging it to first in safety.

Next Monday the Legion and Southern Pacific will play. The score:
