

COAST TEAMS MATCHED IN TITLE SERIES OPENER

SILVERTON AND LONG BEACH VIE IN SECOND GAME

Colorado Springs, Colo., (AP)—The western half of the United States Thursday set about choosing its champion junior American Legion baseball team.

Six teams, representing as many regions of the west, completed practice here late Wednesday. Several squads had come from the sea level, and were trying to adjust themselves to the mile-high altitude.

Coaches and team captains completed the drawings for the first day pairings at a meeting Wednesday night.

Denver and Enderlin, N. D., meet in the first game at 1:30 p. m. (MST). The two west coast teams, Silverton, Ore., and Long Beach, Calif., play the other game Thursday at 3 p. m.

New Orleans and Salina, Kans., both drew byes for the first day Friday. The winners of Thursday's games also will play Friday for the right to meet the winner of the New Orleans-Salina game for the championship, Saturday.

The winner of the all-western tournament then will journey to Memphis, Tenn., next week to meet the eastern United States representatives in the "Little World series."

Russell Cook, of the Legion Americanism commission, will officiate at the tourney here.

JUCKS HANDED 10-2 BEATING BY LOS ANGELES

By the ASSOCIATED PRESS
A crowd of 12,500 persons Wednesday night saw the Hollywood Stars, leaders of the Pacific Coast league, defeat Oakland 6 to 4 to maintain their top position. Thursday the series ended, the Stars and Oaks were to get down to serious baseball, for if Hollywood loses and Los Angeles wins, the Stars will be tied for top by the Angels.

Los Angeles, only one game behind, stepped on Portland again and administered a 10 to 2 beating to the Ducks. Four Portland pitchers failed to stop the Angels' rush. The southern club, playing on its home grounds, has won both games of this week's series and is pounding the heels of the Stars.

Another drubbing was received by the Seattle Indians, tailenders in the league. San Francisco defeated the lowly Braves 15 to 7 at San Francisco Wednesday.

The Sacramento Senators, playing at home, white-washed the San Francisco Mission, 7 to 0, and thereby evened the series. Fay Thomas allowed the Mission but three hits.

Forest Hills, N. Y. (AP)—The scene at Forest Hills changes from one of friendly contests, with shrill cries of "Good shot, dear" and "So sorry, try it over," to the serious business of determining a successor to Helen Wills Moody.

Play has reached the quarter-final stage in the women's national tennis singles championship, with six American girls, three from Mrs. Moody's home state, battling the way to the foreign threats of Betty Nuthall, blonde, buxom English star, and the tall, swarthy Baroness Levl, of Italy.

Miss Nuthall, whose play has been the most impressive of any of the contenders for the title, is favored to win. Before she does so, the English girl must conquer little Dorothy Weisel, 17 year old junior champion of California, in Thursday's fourth round match, and probably Marjorie Merrill of Boston, in the semi-finals.

Baroness Levl, drawn in the lower bracket, meets Penelope Anderson, of Richmond, Va., Thursday afternoon.

Miss Morrill meets Ethel Burkhardt of San Francisco and Mrs. L. A. Harpur plays Mary Greef, blonde youngster from Kansas City.

CANZONERI SIGNED TO FIGHT AL SINGER

New York (AP)—Al Singer, lightweight champion, and Tony Canzoneri, Brooklyn contender, who will meet in a title bout at Madison Square Garden November 14, both have been signed for bouts on September 11. Singer will meet Jimmy McLarnin in a non-title bout at Yankee stadium, while Canzoneri will box Billy Petrolle, the "Pargo Express," on the Paddy Harmon benefit card in Chicago.

HAGEN LOOMS AS FAVORITE WITH SUB PAR SCORE

Orion, Mich. (AP)—"The Hail" isn't through yet. Suddenly reversing the form that threatened to topple him once and for all from his pedestal as one of golf's greatest stylists, Walter Hagen once more stood out as one big threat in one of the favorite tournaments of his long career, the western open championship.

A record-breaking 67, five strokes under par, in the 18 hole qualifying round over the championship Indianwood country club course Wednesday and a 66 in the practice test the day before, was Hagen's signal of his promised comeback.

The rounds shattered the course record and again placed him as a marked man in a championship struggle.

Hagen appeared the Hagen of old. He snatched his shots with his old time accuracy, snared an eagle and four birdies on his triumphant round and lost only one decision to par—on the short thirteenth, where a short approach and rimmed putt forced him to take a four against a par three. It was one of the best rounds he has ever carded and that included the many he failed in the triumphant seasons that have been his.

Without, Hagen faced spirited competition and a big fight from a brilliant field as the big push-off in the 72-hole medal drive for the championship opened Thursday.

Chief among his rivals were Tommy Armour, the defending champion from Detroit; Horton Smith, and "Wild Bill" Mehlhorn, who did not lose a hole in his 72-hole round in last year's championship. Then there was Johnny Farrell, the former national open champion from New York who finished one shot behind Hagen in Wednesday's 18 hole qualifying test with a brilliant 68; Al Watrous, Detroit pro, who scored a 71 and the two Espanola brothers, Al and Abe, from Chicago, both good campaigners in medal play.

TENNIS STARS SETTLE DOWN TO SERIOUS SCRAP

Forest Hills, N. Y. (AP)—The scene at Forest Hills changes from one of friendly contests, with shrill cries of "Good shot, dear" and "So sorry, try it over," to the serious business of determining a successor to Helen Wills Moody.

Play has reached the quarter-final stage in the women's national tennis singles championship, with six American girls, three from Mrs. Moody's home state, battling the way to the foreign threats of Betty Nuthall, blonde, buxom English star, and the tall, swarthy Baroness Levl, of Italy.

Before she does so, the English girl must conquer little Dorothy Weisel, 17 year old junior champion of California, in Thursday's fourth round match, and probably Marjorie Merrill of Boston, in the semi-finals.

Baroness Levl, drawn in the lower bracket, meets Penelope Anderson, of Richmond, Va., Thursday afternoon.

Miss Morrill meets Ethel Burkhardt of San Francisco and Mrs. L. A. Harpur plays Mary Greef, blonde youngster from Kansas City.

In the absence of Mrs. Moody, the attendance at Forest Hills continues most unsatisfactory. About 300 spectators, many of them on the free list, attended Wednesday's third round matches.

Three of America's first 10 women players were put out of the championship in the third round. Miss Nuthall defeated Edith Cross of San Francisco, ranked No. 3; Baroness Levl, the former Maudie Rosenbaum of Chicago, disposed of Josie Crutchfield, No. 10; while Dot Weisel, in a stirring three set match, eliminated Sarah Palfrey, of Boston, No. 4.

Turnstiles Click As Gotham's Jews Cheer For H. Rosenberg

San Francisco (AP)—Every rookie dreams of the day when he will be a headliner under the big baseball tent of the major leagues. A few succeed, more fail. Harry Rosenberg, young Jewish outfielder who went up to the New York Giants after three months of professional ball with the San Francisco Missions, is one recruit who will be given every chance to make good.

A few million Jewish citizens of the big city have waited long for one of their descent who could step up to the plate and belt out home runs, a la Babe Ruth.

In his first letter home, young Rosenberg unknowingly reveals why Mr. McGraw was so anxious to obtain his services. He says in part: "This is some town alright. I never saw so many Jewish fans in all my life. I'm going over with them and they wait after the game, thousands of them to look at me. It is a lot different up here. We have to punch the clock in the morning before 10 o'clock and McGraw comes out just when the game starts and runs the club with a white collar. What a man! You can hit two or three over the fence and he won't look at you but make the least 'boner' and he will bawl you out. They (the players) have to answer 'yes sir' and 'no sir.'"

Charge an error against Shakespeare who wrote: "What's in a name?" etc.

And so, readers, Reed Moana, the Hawaiian heavyweight, walked out of the gymnasium and we haven't seen him since. His ideas on training, didn't coincide with those of John Burdick, old time conditioner. Moana seeking a fight, strutted into Tausig's gym and wanted to train. He had no trunks, shoes or other equipment. Burdick said "I'll tell you how to train without any paraphernalia. Go out to Golden Gate park and run ten or fifteen miles every day." Moana reflected, then remembered he would have to use his own feet for the running. Exit Moana.

Doedling, Austria (AP)—The dog has the right to decide for himself, was the verdict rendered by a Doedling magistrate after hearing the pleas and counter-pleas of two women. One of them had owned the dog but had turned it out to starve and the other, finding the dog lying exhausted in the hall-way of her house, restored it to health with food and kind attention.

Suiting his actions to his words, the magistrate released the dog in the middle of the court after placing the two women at opposite ends of the room.

The dog chose his benefactress.

Unlovable—Dorothy Launer, 5, daughter of Mr. and Mrs. Victor Launer, is suffering with a form of stomach trouble that the attending physician said is caused from eating fresh fruit.

DETROIT TO DISCARD LENTEN OBSERVANCE
Detroit (AP)—The last major city in the United States to observe the three-hour cessation of activity on Good Friday will discontinue the practice next year during the Lenten season.

Since 1918 Detroit stores and theaters have observed the period of mourning but recently it was found that this closing of all business houses was a great inconvenience to Easter shoppers and that many of the employees given this three hour respite to attend church services went elsewhere anyway.

ROSEBLOOM TO MEET LOMSKI IN ABERDEEN RING

Aberdeen, Wash. (AP)—Leo Lomski, the "Aberdeen assassin," will entertain several thousand of his "home folk," and also many from Portland, Seattle, Tacoma and other northwest cities Thursday night when he fights Maxie Rosenbloom, world's light heavyweight champion, at the baseball park.

The bout is a no title affair, it being stipulated that Leo enter the ring over the 175-pound limit.

The hall park has a seating capacity of 7,000 and Bill Daniels, chairman of the Legion boxing committee, believes that there will be few vacant seats.

ATHLETICS HAVE WAY INTO WORLD SERIES PAVED

By ASSOCIATED PRESS
While the National league pennant race goes merrily on without getting very near to a decision, the Philadelphia fans are about ready to hear the news that the Athletics have clinched the American league title for another year.

It will require an amazing winning streak on the part of Washington or the New York Yankees combined with a wholly unexpected slump on the part of the A's to keep the world's champions from capturing another American league flag.

After Wednesday's 10 to 6 victory over Detroit, the Athletics had only 31 games left to play and a margin of 8½ games over Washington. If Philadelphia slumps so far as to lose half of its remaining contests, winding up the season with 98 victories and 35 defeats, Washington must win 25 of its remaining 34 games to tie the Yankees, now ten games behind, could lose only seven of 33 games.

The Senators continued their chase Wednesday by trouncing the St. Louis Browns, 14 to 4, scoring a ten-run burst in the fifth inning which went a long way toward avenging the indignities suffered in St. Louis, but Washington's 18-hit assault brought no gain while the Athletics were giving Bob Grove his usual backing.
