YOU CAN'T AFFORD IT

NO MATTER how many fine silks and woolsens you own, you can't afford to wash them in hot water. Because, even if you have the price of new ones, you can't renew the tender skin of hands that emerge red and swollen from hot wash basins.

If you think that only hot water can get clothes clean, here's news for you! White King Granulated Soap, a pure vegetable and nut oil soap, will yield quick, cleansing suds in cool or lukewarm water. Gingham and linens will stay bright, white goods wash whiter, and your hands will remain smooth and soft.

White King Granulated Soap is condensed. You will be surprised to find how little is required. It's the safest and yet the most economical soap you can buy. Have you tried it? At your grocer's.
