

MUCH DELAYED BATTLESET FOR WEDNESDAY NIGHT

WASHINGTON TO SHOW STRENGTH AGAINST BEARS

Seattle (AP)—Bad news for California. The Washington Huskies will virtually be at full strength for their football game with the California Bears here next Saturday unless, of course, injuries crop up this week. The men of the north came out of the Oregon tussle of last Saturday in good shape.

Two regular ends—Bob Lenfesty and Clarence Pautzke—who were unable to get in the Husky-Webfoot game because of injuries will likely be in condition to play against the Bears. Pautzke has had a bad knee and is the only doubtful starter of the Washington regulars.

Merle Hufford, all coast halfback, who spent two weeks in a hospital with an infected leg is fast recuperating and is expected to be in good condition.

Hufford was sent against Oregon for a quarter but he was not himself. With another week's rest, however, Coach Jimmy Phelan figures that he will be in tip-top shape.

GERMAN BOXER DEAD AFTER BOUT

New York (AP)—Warren Hogan, New York Negro light heavyweight, was under arrest on a technical charge of homicide Tuesday in connection with the death of Carl Baldus, German boxer. Baldus collapsed and died in the ring of the New Lenox Sporting club Monday night.

Baldus and Hogan were matched in one of the four round preliminaries and had put up an even battle for two rounds. In the third round, Hogan landed a hard right to the heart that hurt the German although he was able to raise his gloves in defense. Before another exchange of blows, however, Baldus slumped to the canvas and was counted out by the referee, Mike Hyias. Unconscious, he was carried to a dressing room and the club physician summoned. After an examination he was pronounced dead.

DUNN ANNEXES HORSE SHOE PITCHING TITLE

Dallas—The honor of being the horseshoe pitching champion of the county was annexed this year by Allan Dunn of Dallas who ran up a total of 147 for 100 shoes pitched, and was a full thirty points ahead of his nearest competitor, Hubert Dunn, also of Dallas, who scored 116 for 100 shoes. Lester George claimed 109 as his score, winning third place. The tournament was conducted in all details by Tom Bowman.

HUNTERS RETURN
Woodburn—Eugene Courtney, Ray Ghatt, John Ramage and Jake Miller returned Saturday morning from southern Oregon where they spent a week deer hunting. Ramage and Courtney each succeeded in bringing home a deer.

Unless one of the principals breaks a leg or gets a serious case of tonsillitis or some other ailment, the much-heralded fight between Ted Fox and Joe Marcus will be put on Wednesday night at the armory. Twelve postponed, it began to look as if devotees of the fistcliff game would not get a chance to see this famous duel. However, Matchmaker Plant received word from Ted Saikald, manager of Marcus that his boy would be here Wednesday afternoon to weigh in at 2 o'clock.

Fox wound up his heavy work Monday night and appeared in excellent condition. Some fans are questioning his ability to travel 10 fast rounds since he has been out of the ring for several months while Marcus has been fighting nearly every week or so some time.

In his workouts Fox shows that he continues to pack a terrific sock and Joe realizing this may be induced to climb on his bicycle. The entire group of Salem fighters who will be in the ring Wednesday night—Fox, the Ambrose twins, Fallon and McRae have worked strenuously for the show and promise to do their best to make the affair an entire success.

"Just a Little" Training Puts Fighter in Jail
Indianapolis (AP)—Charles (Chuck) Wiggins, local heavyweight boxer whose pugilistic ability has brought him fame and at times misfortune, sat in solitary confinement in the city jail Tuesday as the result of "a little training."

He was arrested late Monday night after he was alleged to have "cleaned out" a restaurant, chasing patrons into the street. Police said he gave them no trouble although on a previous occasion he soundly drubbed three officers who attempted to arrest him in a northside hotel lobby.

"Just getting a little training, that's all," Wiggins remarked as he climbed into the patrol wagon. After he had fought three prisoners in the city jail, he was removed to solitary confinement.

HUNTERS RETURN
Woodburn—Eugene Courtney, Ray Ghatt, John Ramage and Jake Miller returned Saturday morning from southern Oregon where they spent a week deer hunting. Ramage and Courtney each succeeded in bringing home a deer.

FOOTBALL AT LIBERTY
Liberty—Football is being agitated at the Liberty school. Mr. Meyers, principal, is coaching the boys. This is the first year football has been encouraged at the local school.

Trojans Given Stanford Play To Work Over

Los Angeles (AP)—The 76 will be a long scrimmage season within the fettered walls of Troy Tuesday, the reason being the pending renewal of the football feud between the University of Southern California and Stanford.

Coach Howard Jones returned from his personal inspection of the Cardinals Monday and set up his defense accordingly in a dummy scrimmage at Boyard field and Tuesday afternoon he proposes to test that defense, as well as a few of his own pet formations as yet unrevealed.

All this will be for the edification of no one except the team itself. The public demonstration takes place at Palo Alto Saturday. Just to be sure, the Trojan head man contemplates another scrimmage of slightly less intensity Wednesday with a final workout Thursday before the team moves north.

That a goodly share of Southern California's populace will also move north is indicated by the announcement that nine special trains have already been scheduled, not to mention the exodus by automobile, airplane and boat.

This is not without cause, for the same will provide a perfect climax. Coach Glenn "Pop" Warner and Head Man Jones had words about their teams as the season opened, since then the silence has been ominous.

Skits and Scratches

SKITS AND SCRATCHES
"The best end in the northwest," was the compliment paid to Ray Haldeen, flanker on the Willamette team, upon the return to Salem from Caldwell. "My, how that boy took care of the tackles! He took them out of there every time and in no uncertain manner."

The victory over the Coyotes was not without its cost. Pete Gretsch, one of the best backs on the team, is in the hospital with a badly bruised shoulder, while John Cottrill occupies a nearby bed nursing a sore knee. Neither is seriously hurt. On top of this, a half dozen others took cold. Even the coach is packing a half dozen handkerchiefs.

Coach "Nibs" Price of California seems to be considerably upset over the Nick Bican incident. Nick, who played a year with Willamette and then transferred to Sacramento junior college, was one sweet player.

Trainer Loses Front Tooth as Sub Lets Fly

Madison, Wis.—Billy Fallon, University of Wisconsin athletic trainer, has several appointments with a dentist this week, as a result of the Badgers' victory over Pennsylvania Saturday.

Fallon qualified as a dental patient just about the time Jensen caught a pass from Bill Lussy for Wisconsin's second touchdown. A substitute sitting next to the trainer let fly with a fist in his excitement over the play, smacking Fallon in the mouth and knocking out a front tooth.

Coach Kenne Price accuses Pop Warner of being responsible for the baring of Bican from the California team as an ineligible. Too many years of play is the reason. Probably Pop will come back with a hot reply. The whole incident should stir up a rumpus which will result in the Cards and Bears playing before packed stands later in the season.

How those Ambrose twins dialike having their names confused. If you want to insult one of them just give the other credit for winning a fight which should have gone to him. Both of them were introduced from the ring at the last boxing match and even Harry Levy, the announcer had to ask them which was which. It might be a good idea to have their names tattooed on their chests.

The Y. M. C. A. is gaining considerable publicity in one of the large sporting goods company's 1930-31 basketball guide. Pictures of two groups of local players are contained therein. One of them shows the champion Anderson basketball team consisting of Gleinke, Flake, Ward, Perrine and Higgenbotham. The other gives the senior Y. M. C. A. Sunday school league team.

Fans who quite often just drop in for the main event at local boxing cards are likely to miss a treat Wednesday night if they are not in their chairs at 8:30. For after a curtain raiser, Dave McRae and Joe Fallon are scheduled to put on their act. Ted Fox sold Monday night after his workout that he wouldn't "miss the McRae-Fallon bout for \$20."

Monmouth—The baseball field of the Monmouth high school has been burned over and worked down and with a little additional labor will be in tip top shape for the coming spring baseball practice and games.

The high school boys are doing the work. The field was bought in 1920 from J. E. Winegar for \$1,600 and was paid for by the various classes. Each class was pledged for \$100 a year until the field was paid for.

Angel Infield Crippled For Coast Series

Los Angeles (AP)—A crippled infield will handicap the Los Angeles Angels in their coast league play-off series opening here Wednesday with the Hollywood Stars.

Frank Sigafos, hard-hitting second baseman, apparently is out for the series, club trainers announcing he has water on the knee. Young Art Parker will fill in for him at the keystone sack.

Fred Haney, third baseman, is limping around with a pulled tendon and may or may not be able to play. His place will be taken by the Angel's flashy outfielder, Arnold "Jigger" Stutz, if necessary. Stutz has performed very well around the hot corner in recent weeks.

Injuries may handicap the Stars also, although to a lesser extent. Mickey Heath, fence-breaking first sacker, whose foot caught a foul tip off his own bat, was out of Sunday's doubleheader and was limping about the field Monday while his team mates were working out.

With Sigafos out and Haney doubtful the men who say it with money are picking the Stars to win, although there is considerable difference of opinion.

POP PASSES BUCK IN BICAN MATTER

Stanford University (AP)—Head Football Coach Glenn Warner, replying to an attack made on him by Coach "Nibs" Price of California, accusing Warner of having Nick Bican, California tackle being declared ineligible, denied having had anything to do with Bican's disqualification.

Warner declared one of the men on his squad had played with Bican at Willamette university in 1926 and that this player had brought the matter before Professor William Owen of Stanford, head of the Pacific coast conference. Professor Owen in turn called the matter to the attention of California officials.

Coach Warner expressed the opinion that Price was merely trying to whip his players into a fighting mood for the Stanford-California game November 23 with his statement.

FOLLOW TROJANS
Palo Alto (AP)—Unless the Stanford team pulls itself together, it runs the chance of suffering an overwhelming defeat next Saturday when the Cardinals meet the Trojans from University of Southern California, according to followers of football along the Pacific coast Tuesday. U. S. C. has become a big favorite to win.

Dempsey Heads New Resort at Ensenada, Mex.

Ensenada, Mex. (AP)—Jack Dempsey, former heavyweight champion, had a new job Tuesday, that of president of the newly formed hotel and Casino Playa Ensenada.

Dempsey was elected by directors of the concern, which will open a large hotel and casino in competition with the famous Agua Caliente resort on October 31. The company will also operate a steamship line from San Diego, California.

Dempsey left Los Angeles for Ensenada immediately after his election in company with Spencer Penrose, owner of the Broadmoor hotel at Colorado Springs, Colo., another large stockholder in the Ensenada enterprise.

MOE PLAYS ON SHANGHAI LINKS

Shanghai (AP)—Donald Moe, outstanding amateur golfer of the Pacific coast, and resident of Portland, Ore., arrived here Tuesday aboard the steamer President Cleveland, on which he is traveling as a cadet.

E. W. Norris, outstanding local professional, was Moe's partner Tuesday afternoon against H. S. Mitchell, 1930 open champion of China, and M. W. Budd, three times open champion of the far east.

Moe and Norris lost three up and two to play to their opponents, as a large crowd watched them on the local links. The Portland golfer's playing was outstanding. He made eighteen holes in 68, par being 71.

HANAUSKAS HAVE GIRL

Woodburn—Mr. and Mrs. A. F. Hanaukas are the parents of a daughter born Thursday. This is the second daughter in a family of four children. The little miss has been christened Catherine Ann.

BAIN NO MENACE TO MAXIE'S CROWN

New York (AP)—Maxie Rosenbloom's defense of his light heavyweight championship against Able Bain of Newark in Madison Square Garden Wednesday night serves as an excellent proof of the scarcity of first-class 175-pounders at the present time.

Bain is a fair workman but he does not appear to have a chance against Rosenbloom, a canny veteran who has slapped and roughed his way to victory over most of the good light-heavyweights in the last two or three years.

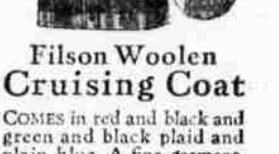

The Bain-Rosenbloom bout is at the championship route of 15 rounds. Joe Scalfaro, New York bantam, tackles Pete Sanstol of Norway in the 10-round semi-final. In the opening ten, Willard Dix, of Bellingham, Wash., meets Bob Olin, New York heavyweight.
