

FATHER FEEDS POISON TO BOYS AND BEATS THEM

Long Beach, Cal. (AP)—Wandering back from the borderland of death, three small boys told a story of a brutal attack at the hand of their father, Richard C. Frost, naval petty officer, which resulted in a warrant being issued Friday for his arrest on charges of assault with intent to commit great bodily harm.

The children, Jack, 10, Freddy, 7 and Torrance, 5, were taken for an automobile ride Saturday night by their father, who came from San Diego to visit his children in the home of their uncle, Frank McGuire.

Frost, the children said, gave them poisoned candy, and when they became ill, he ordered them out of the automobile, pushed them into a muddy lot during a heavy down-pour. When they became unconscious, he beat them unmercifully with a plank ripped from a fence, and drove away, the boys related.

Jackie staggered home with Torrance in his arms to inform his uncle, still unconscious, in the vacant lot. He still is suffering from concussion of the brain and may not live, doctors said.

Jackie had a six-inch scalp wound and body bruises, while little Torrance was badly battered about the body and head.

Details of the attack were learned when Mrs. McGuire signed a complaint against Frost, who was not located by San Diego police. Officers at the naval air station said that Frost had not returned to his post since Saturday.

Hayesville—An important and essential project has been initiated in the Hayesville school within the last few days. This is the directing of the school children traffic on the highway going to and from school as outlined and instructed by the State Motor association, with the assistance of local traffic division. Practically all schools located on the main highways are using this system very successfully.

A captain, lieutenant and patrol leaders are chosen by the teachers from among the students. It is considered an honor to be selected as conductor and good grades in the school room are taken in consideration. These officers are furnished with a badge and belt by the association and are to watch and keep the students off the highway going to and from school. All disorder of any nature to be reported to the teachers at once. Further instructions and advice will be furnished by the traffic division from time to time.

The north patrol officer guarding the first and second grade pupils getting out at 2:30 o'clock, is Monte Christofferson and the south patrol for the same hour is John Reynolds.

The north patrol for the 4 o'clock dismissal is Bobbie Ratzburg and George Ishida, while the south patrol is Jack Fasset and Edwin Davis.

State Garden Club President Speaker

Mill City—Mrs. F. R. Olin was hostess at her home Tuesday afternoon to the guests and members of the Mill City Women's club. As this was the club's garden meeting, the women were especially fortunate to have Mrs. Landers, president of the state garden club association to talk to them on gardens.

Among some of the things which Mrs. Landers emphasized in her talk were: how gardens helped to beautify the homes; the effects of bill boards along the highways; conservation of wild flowers; and the need of flowers around the school buildings. Special music furnished by Mrs. Nina Kahler during the afternoon.

Refreshments were served to the following guests: Mrs. George Lettler, Mrs. James Swan, Mrs. A. C. Bates, Mrs. Richard Turpin, Mrs. Clyde Thomas, Mrs. E. C. Gordon, Mrs. Wilbur Chestnut, Mrs. O. C. Dike, Mrs. Velma Pearson, Miss Lubelle Dunvan and Miss Ethel Hickey. And the members present: Mrs. T. J. Means, Mrs. W. W. Pratum—The Ladies' Aid of the Methodist Episcopal church was entertained Wednesday at the country home of Mrs. Lydia Meyer east of Pratum. There was also a miscellaneous shower for Mrs. Meyer's daughter, Edna Meyer Hansen. She received a large number of gifts.

The Aid meeting was called to order by the president, Mrs. George Kleen, who led the devotionals, followed by reading of minutes of last meeting, roll call and payment of dues. Then the bride was called to the center of the room where a large clothes basket piled high with gifts was placed.

A lunch was served by the host-

DON'T ENDURE TORTURING PILES USE RESINOL

if only a few of those who have used Resinol Ointment could tell you of the immediate relief it gives from itching, bleeding, painful piles, you would be convinced how unnecessary it is for you to suffer. So gentle and healing, it can be used safely on the most inflamed parts. Many women find Resinol invaluable for relief of local itching caused by acid or irritating secretions.

Western Mother Solves Problem

"MY little daughter, Aleta, caused me many anxious moments," says Mrs. H. I. Davis, 2931 N. 12th St., Kansas City, Kans. "She was underweight, didn't want to play and had very little appetite. "She suffered constantly from colds until I thought about California Fig Syrup and decided to give her some. Fig Syrup helped Aleta remarkably. She is now strong, able to avoid colds, has a good appetite and digestion; is quite the picture of health as you can see."

For over 50 years, California Fig Syrup has been helping bilious, headachy, weak, constipated babies and children. Doctors by thousands recommend this pure vegetable product. Children love its flavor. It acts gently to open the bowels in colds or children's diseases. It cleanses a child's system harmlessly and in a hurry. Bowels become regular with its use and remain so, because they are toned and strengthened by this wonderful combination of pure fig syrup and drier of senna.

Look for the name California when buying. That marks the genuine.
