

REAL GAME IS PREDICTED FOR SWEETLAND FIELD

WHITMAN AND WILLAMETTE CARRY STARS

Football fans of Salem and surrounding towns had their eyes turned toward the capital city Friday, for the classic of the Northwest conference, the annual tilt between Willamette university and Whitman college was scheduled to get under way on Sweetland field at 2 o'clock Saturday afternoon. Upon the outcome of the struggle depends, to a great extent, the championship of the circuit. The Bearcats took the title from Whitman last fall in an epic struggle at Walla Walla. Whether they will continue to remain at the top of the heap seemingly depends upon their ability to play through an afternoon of real football.

Psychologically the odds are in favor of the Missionaries, since Willamette has the burden of defending its reputation of not having been defeated by a conference rival in two seasons. In reality, taking into consideration all scores of the year, it appears the battle should be approximately even, with perhaps the "breaks" deciding one way or the other.

While Willamette defeated College of Idaho 34 to 14 and Whitman was only able to edge out a 7 to 6 victory in the last minute of play, it is pointed out that Idaho was leading Willamette 14 to 13 at the half. The Bearcats then scored an earned touchdown, giving them the lead. The Coyotes, throwing discretion to the breeze, began tossing passes. Ed Cardinal intercepted two of these, each one resulting in a touchdown. So it all slumbered down to about a 7 to 6 win for Willamette.

Coach Borleske will bring with him an extremely versatile backfield. It consists of the elusive Buddy Applegate, who was responsible for the Coyote defeat; Gilson, the punting quarterback, who was a star on The Dalles' basketball squad; Council and DeVany, speedy halfbacks and Sutherland, pass-throwing and line plunging fullback.

Against this bunch of stars, Coach Keene will pit Walt Erickson, the Washington fullback, whose long jaunts down the field have been the sensation of Willamette football history; Charles DePoe, cool pass thrower and ball carrier; Red Lang, who seldom falls when called upon for a few yards through the line; Louie Johnson, playing his first year for Willamette but one of the best interference runners on the squad; Leo McEweny, long distance punter and Julian Smith, open field runner.

In games played this year the Bearcat squad, and especially the line, has been criticized for not putting their best into the entire game. It is pointed out, however, that there has been no particular incentive. For the most part the games have been coached in the first few minutes of play. Persons who have been following the squad closely predict that if it is faced with a real tussle the players, individually and collectively, will battle to the last gun.

With one exception, Willamette's line is made up of veterans. Fred Smith, Salem high school graduate, has been playing such a hard game at guard that in spite of the fact it is his first experience in fast company, he is assured a permanent berth. The remainder of the line: Haldane and Cardinal, ends; Carpenter and Jones, tackles; Philpott, guard, and Ackerman, center, played sensational ball against the Missionaries last year and are expected to repeat Saturday.

Coach Borleske, stung with defeat last fall, immediately began plans for bolstering his forward wall and from all reports has succeeded admirably, with such outstanding men as Captain Lindman, Terrell, Phillips and Gagenbackler given prominent mention.

Shy Huntington, former Webfoot coach, Ralph Coleman of O. A. C., and Strimmarer, will do the officiating.

VALLEY BASKETBALL LEAGUE MAY FORM

Formation of a basketball league by various towns of the central Willamette valley district is being considered. It is understood, a meeting will be called soon to make final decision on the matter. To date at least five "town teams" have signified their willingness to participate. They include Turner, Stayton, Jefferson, Aumsville and Mill City. Other teams are invited to join. Those desiring further information regarding the circuit should communicate with George Cadwell, at Anderson's sporting goods store, Salem.

PARROT BRINGS \$140
St. Louis (AP)—A red-headed parrot with a vocabulary too vigorous for the St. Louis zoo has been bought by Jasper Bayne of New York for \$140. He bid the highest of 619 applicants.

ATTENDS BROTHER'S FUNERAL
Turner—Mrs. H. S. Bond attended the funeral Tuesday of her brother, Riley Walker who died Sunday morning at his home in Albany after an illness of several months. Interment took place in the family vault in the Lee cemetery in Salem. Besides a daughter and son, the deceased leaves an aged father, Orrin Walker, all of Turner, and other relatives and friends.

Solo—George Griffen has practically recovered from injuries sustained when an infuriated bull charged him some time ago at the farm a short distance south of Scio.

"Whale Whitman" Is Battle Cry Of These Lads

Here's the whole Willamette squad. Reading from left to right, beginning with the bottom row: French, assistant coach; Haley, Getsch, Ferguson, Chipley, Erickson, Haldane, Smith, Kaiser, Girod, Paul "Spec" Keene, head coach; Drager, Almond, Houch, Lange, McEney, Woolly, Gill, DePoe, Gribble, Johnson, Philpott, Hauser, assistant coach; Sparks, assistant coach and trainer; Woodworth, Felton, J. Carpenter, Jones, Mohr, Sinclair, Gottfried, F. Smith, P. Carpenter, Cardinal, Ackerman, Baldwin, and Cranor, assistant coach.

ANNUAL OREGON GOLF CLASSIC GETS UNDER WAY

Portland (AP)—Ninety golfers, including internationally known professionals and amateurs, were ready here Friday for the opening of the annual Oregon open tournament.

Prizes at stake in the three day tournament are \$2500 for the professional and valuable trophies for the amateurs.

The program will include 18 holes Friday and Saturday and the 36-hole final round Sunday. Low scores on the 72 holes will determine the winners.

Horton Smith is here to defend the Oregon title which he won last year. Leo Diegel, 1929 champion of the Professional Golfers' association, and Leo Gene Sarazan, former national champion, are among the other players of international experience. This will be the first appearance of Diegel and Sarazan in Portland.

The amateur division is led by Dr. O. F. Willing, Frank Dolp and Eddie Hogan.

The Columbia course, where the tournament will be played, is rather heavy but little rain has fallen recently and some record scores are expected in both divisions.

Frank Shafer, Jr., of the Illabe Country club, Salem, was scheduled to participate with the first group to tee at 10 a. m. He was paired with C. L. VanDerford, Inverness country club, Portland, and Jack Hutchinson, Portland.

NORMAL LOOKS FOR HARD GAME

Monmouth—Normal classic, better known as evening, will be held on the O. N. S. campus Saturday. On Friday evening the annual trophy awards will be contested for by all the student organizations, with floats and stunts figuring in the points for leadership, and these will be followed by the pep rally and burning of the effigy of Saturday's football rivals, the eleven of the La Grande normal.

Should the locals win Saturday's game, they will be eligible to claim the championship of Washington, Oregon and northern California normal schools, having won consistently throughout the season. It is expected that this game will be the hardest fought one of the year, and although a poor start was made by the eastern Oregon normal, the first of the season, they have worked up a formidable squad.

Oregon normal has featured a fast and tricky offensive, which has consistently gained touchdowns this year and against the hard-hitting, battering type of play used by E. O. N. S., should make an exceptionally interesting match.

At present, O. N. S. has a total of 108 points to six against it, and has defeated admittedly tough teams with comparative ease.

TEACHER IN HOSPITAL
Dayton — Mrs. Vernon Foster, teacher of the Webfoot rural school, underwent an appendicitis operation at the McMinnville hospital Tuesday morning. Dr. W. H. Barendrick was the attending physician. Miss Esther Nichols is the nurse. Mrs. Foster (Elizabeth Sims) lived for a time at Wheatland and in Salem. During her illness, Mrs. Clark Foster will be substitute teacher at Webfoot.

DAVIS' HAVE GIRL
Silverton — An eight pound girl was born to Mr. and Mrs. Homer Davis of near Marquam at the local hospital a few days ago. This is their third child, the other two being boys.

Rockne Sings His Blues, Hanley Due For Hectic Time

Chicago (AP)—That interesting midwestern discussion, concerning the comparative strength of good Notre Dame football teams and the Big Ten championships, will be settled—among other things—when the Irish and Northwestern meet at the western conference championship.

There is no reason for doubting Notre Dame's 1930 eleven is not just about as good as ever represented the South Bend institution, and Northwestern is at least a co-holder.

Coach Knute Rockne Thursday started singing in a minor key—Notre Dame is ready mechanically, but he is a little afraid the rigors of murderous schedule has taken too much out of his men, and they will not have the edge necessary to slice through the bigger Northwestern eleven. All of which bodes no good at all for Northwestern, for whenever Rockne has sung blues this season, Notre Dame's next opponent took a licking.

Out at Northwestern the boys continue to believe Rockne has a right to be worried. Coach Dick Hanley says his teams go Saturdays as they go in practice during the week. And he has described this week's drills as immensely better than any others of the year.

BUCKS DEFEAT TACOMA TIGERS

Portland (AP)—The Portland Buckaroos Friday were at the head of the Pacific Coast Hockey League standings as the result of their 3 to 1 victory over Tacoma here Thursday night.

Portland ran up a three point lead in the first period. They were unable to get past Goalie Robertson again but that was enough. The Tigers made their lone tally early in the second period.

The game was ragged and slow. There were spurts of brilliant play by both teams, however.

The new offside rule that players must not advance ahead of the puck in crossing the blue line slowed the game more than anything else. The whistle was blown 52 times and 32 blasts were for infraction of the new rule. The fans did not hesitate to express their disapproval of the rule.

COCHRAN HOLDS BIG LEAD OVER CHAMPION

New York (AP)—Wesley Cochran was leading Willie Hoppe 2400 to 1429 when they began play in the ninth block of their 12-block match for the 181 ballline billiard championship.

Hoppe won his first block of the match Thursday night by a score of 350 to 300. The defending champion's high run was 103, to one of 127 for Cochran.

BEAVERS MEET SOUTHERN BEAR ON GOLD FIELD

Los Angeles (AP)—Making its second bow here this season, a much improved Oregon State football team fresh from a triumph over the traditional foes from Oregon university Friday night clashed with an equally rejuvenated university of California at Los Angeles aggregation.

On the first visit at the start of the season Coach Paul Schiesser's Beavers lost to the University of Southern California. They will entertain for Chicago Saturday morning where on Thanksgiving day they play West Virginia.

The playing conditions will be more to Oregon State's liking than the first visit with the weather near freezing.

LA GRANDE GIVEN COMMERCE CONTEST

Portland (AP)—La Grande high school of eastern Oregon and the high school of Commerce will meet at Multnomah stadium field here Thanksgiving day in a football game for the benefit of the unemployed.

The game was assured Thursday when the board of control of the Oregon state high school athletic association waived the rule of the state association prohibiting member teams to play against teams whose players are over 20 years of age.

The high school of Commerce champions of the Portland interscholastic league, has four players over the age limit.

FREBURG WINS

Vancouver, B. C. (AP)—John Freburg, Chicago heavy, was awarded the bout here Thursday night against John Erko, Croatian champion, who failed to respond to the bell in the sixth round of the main event of a wrestling card.

In the semi-windup Harry Demetral, Chicago light heavy, won from Eddie Wirth, Kansas City, taking the only fall in the final round, by a reverse body slam.

HOOP GAME STARTS

Scotts Mills—A double header basketball game will be played here at the school gymnasium Friday evening. Both high school girls and boys will play, the visiting teams being from Aumsville high school. This will be the first game of the season with out of town teams.

LOUD SPEAKER TO ADD MUCH TO GRID GAME

Fans who have often been puzzled about off-side plays, clipping, holding and other infractions of football rules while watching contests on the gridiron, will have an opportunity to follow a game in an intelligent manner Saturday afternoon at Sweetland field when Whitman and Willamette clash in their annual struggle.

A play by play description of the game will be given to those who are inside the enclosure through use of the Standard Oil company's huge speaker system. The outfit will be set up on the ground while George Austin, who has charge of the broadcasting will follow the game along the sidelines and with the assistance of two students, one from Willamette and one from Whitman, will give a complete analysis of the play.

The system has been an outstanding success wherever it has been used. In fact it was so successful during the Oregon-Oregon State game at Corvallis last Saturday that the authorities at the latter school dropped their plans for an installation of their own and will depend upon the traveling outfit exclusively.

The machine will be put into use Friday evening when a rally on the downtown streets will be carried out. Saturday noon again the "big noise" will be placed at State and Liberty to inform citizens that a real football classic is at hand.

Demand for tickets has been brisk. In fact it was found necessary to bring in bleacher seats from Portland to accommodate 1000 spectators. These have been erected at the west end of the playing field.

The grounds will be amply policed by students who have been deputized to arrive officials.

ARRIVE FROM EAST
North Santiam—George Nevin, with his family arrived here from Indiana. They have moved into the place recently vacated by Mrs. Emma Hinkle. Mrs. Nevin is a niece of Mrs. C. W. Hinkle of this place.

Uniondale—E. M. Alderman and son Urie left Wednesday to attend the national potato show at Spokane, Wash.

Wildecap Captain Yearns For Win

Evanson, (AP)—No member of the Northwestern football team wants a victory over Notre Dame Saturday more than "Hard Luck" Hank Bruder, Wildecap captain, who will play his last college game on his twenty-third birthday.

"I've had some bad breaks," Bruder said, "but if we win this one, it won't be hard to forget the tough luck."

Coach Dick Hanley of Northwestern was 35 years old Thursday, but deferred his celebration—if any—until Saturday night.

COLUMBIA AND LINFIELD MIX

Portland (AP)—Columbia university's freshmen play their last Northwest conference football game of the season here Friday with the Linfield Wildcats.

The game is an annual battle and for once Gene Murphy's Irish eleven is the favorite. Columbia has lost one and won two conference games this season, defeating Pacific, 13 to 6, and College of Puget Sound 7 to 0. College of Idaho, with a fierce aerial attack, broke a 6-all tie in the last quarter and beat Columbia 20 to 6.

Henry Lever is serving his first year as coach at Linfield and has a combination of freshmen and sophomores that has been showing promise. Linfield, however, has scored but one touchdown this year.

FRANKLIN BEATEN

Portland (AP)—Wade Williams' light but classy Lincoln high school team beat Franklin high school 6 to 0 in a Portland interscholastic football league game Thursday. Bob Patrick tossed a 25 yard pass to his brother, Bill Patrick, and then smashed tackle for a touchdown. Hobbs missed the conversion.

STANFORD AND BEARS READY FOR BIG GAME

Berkeley (AP)—California's Golden Bears and Stanford's Cardinals waited in their retreats Friday for the call Saturday which will bring them together for their 36th "big game".

The Bears pin their hope on their forward wall and the ability to block a passing attack—a defense they have seldom shown this season. If the line can hold the driving Cards, and the secondary defense can function against an aerial barrage, dopsters say the Bears will have an even chance. But if either defense fails, it will be just "too bad."

The weakness of the lines of both teams is expected to turn the game into a battle of the air, which, previous showings indicate, would give Stanford a distinct advantage.

The Cards haven't appeared as a strong team. But their one defeat, 41 to 12 by Southern California, looks like a victory compared to California's 74 to 0 beating by U. S. C. Washington State and Washington, have added in ruining the appearance of the Bear eleven.
