GAMES USHER

nday.

following the vacancy caused by the death of Dr. W. Carlton Smith, for some years county physician. Dr. Douglas had charge of the health work in connection with the health work in connection with the health work in connection with the mem to patients coming under the county poor list and requiring free medical attention from the coun-ty. In addition there were other duties involved such as examina-tion of patients for shalth a phy-sician was needed. "We haven't discussed the mat-scale and the stated there was no foundation for a report as far as he knew that Dr. Douglas that of a successor to Dr. Smith," is stated Judge Slemmund when quer-ied in regard to it. He stated there was no foundation for a report as far as he knew that Dr. Douglas that of a successor to Dr. Smith," instate of combining the work of Dr. Douglas and that done by Dr. Smith all under one head and turn-ing it over to Dr. Douglas the tast of a such a bing to him. It is known, however, that the matter of combining the work of Dr. Douglas and that done by Dr. Smith all under one head and turn-ing it over to Dr. Douglas heen riven consideration in the mind of at least one member of the county roourt and some such solution of the county physician problem has been discussed as a possibility from time to time among court members during the past year or two. Dr. Smith had intimated a time or two before his death that the **DECLARED VALID** Boston, (2)-United States Judge James A. Lowell Interrupted the argument of counsel assailing the constitutionality of the 16th amend-ment and said that the supreme court niready had decided that the amendment was legally proposed and adopted. Judge Lowell halted a lengthy argument by Easex Abbott, a for-mer United State attorney, who was urging the quashing of a li-quor indictment on the ground that the 18th amendment was uncon-stitutional, and said that the su-preme court already had ruled on the point.

"That is my master's voice," Judge Lowell said, "How can I rule

IUTALK BUJUST. A special meeting of the county health unit offices on North High arrest to discuss and make this the health unit offices on North High arrest to discuss and make filling arrangements for the 1931 budget Apportionment will be made to budget that receipts for the 1931 budget that receipts for the soming receives a single than during 1830, the difference be tween the 1850 and the 1931 sub addy provided by the Common mealth find of New York City. The city of Salem, the county fourt and the same appropri-nations as during 1830. There is probability that the fundating 1800. There is a budget from the state board is expecting to the fundating 1800. There is probability that the fundating 1800. There is a conta suble bearth services a simpli-tist the board is expecting to the states board will share. The acceptance and the part subtory from the state board is expecting to the state board will share. The acceptance and supplies and the state board will share. The difference and supplies and the state board will share. The acceptance and supplies and the state board will share.

Dr. Smith had intimated a time or two before his death that the state of his health might result in his resignation before any great length of time and as a result the malter of a successor or some other disposition of the office had been resually referred to. It is quite certain when the members of the court get together to discuss the matter of a successor for Dr. Smith that the plan of consolidating the work with that of Dr. Douglas will be brought up for consideration.

down on immunitation clinics, on travel expenses ad supplies will probably be effected in the budget by the committee members. The resignation of Miss Agness Campbell as nursing supervisor to lake a similar position in a Cali-lornia city is expected to keep the nursing staff intact as it atands with Miss Campbell's absence. No effort will be made to fill the po-sition for the time being. Miss Elinabeth Freeman is taking over Miss Campbell's absence. No effort will be made to fill dwork According to Dr. Vernon A. Doug-las, county health officer, some ad-justment will have to be made in this atrangement for the benefit of efficient service, as a nurse is need-**TEACHERS OPEN ANNUAL SESSION**
