

WILLAMETTE TO MEET WHITMAN AGAIN SATURDAY

MISSIONARIES TAKE 1ST GAME BY 38-35 COUNT

Although beaten in its first effort to place a strangle hold on the Northwest conference basketball championship when it met Whitman Friday night, Willamette university's hoop squad still has a chance to finish the season in first place. A win Saturday night over the Missionaries would mean that each squad had lost one game while Willamette had won eight and Whitman seven.

The Bearcats were unable to retain the eight point lead which they garnered during the first portion of Friday night's game and by the time the final gun had sounded the Missionaries were out in front with a margin of three points for a 38 to 35 win.

If the remainder of the squad had been able to convert their gift shots like Dwight Adams, the result would have been different. The Bearcats had 21 opportunities to collect points from the foul line but managed to drop the ball through the hoop nine times. Eight of these were made by Adams who had a percentage of eight out of 10. On the other hand Whitman converted six out of nine chances.

Willamette plainly showed the strain of the affair Friday night, displaying extreme nervousness at times, especially during the first half. The Bearcats managed to tally four field goals in rapid succession before Whitman could count, but then the Missionaries finally found the hoop and throughout the remainder of the evening showed superiority in shooting, especially from well back of the foul line and from the corners. Their defense was tight too.

The score at half time was 19 to 15 for Whitman. The Missionaries worked their lead up to nine points during the second half on two different occasions, once extending it to 11 points. Three times during that period Willamette staged rallies which came within three points of overtaking their opponents.

Two tough breaks fell to the lot of the Bearcats. One came when Percy Carpenter made good on a foul shot only to find that it did not count because time had been taken out. His second effort failed. Then near the end of the game a field goal by Carpenter was nullified because Referee Coleman had called a technical foul on Scaler.

Whitman showed that it had two good centers, although Klostra secured the tipoff during most of the game. West, Whitman's first center was taken from the game shortly after the start of the second half due to personal fouls. Mills who took his place, proved an adept at handling the ball, accounting for 10 points.

The preliminary game Saturday, which will be started at 7 o'clock, will be played between Willamette's freshmen and the Peninsula Aces of Portland. The fresh defeated the Aces in Portland early this season, but since that time Coach Sparks has had to rebuild his squad.

The second of the championship series is scheduled for 8 o'clock. A capacity crowd saw the game Friday night. The score:

THREAT TO AMERICAN GOLFERS

FRANCIS UPSETS EUGENE BATTLE DOPE TO BEAT CONTENDER SHEA

New York (AP)—Kid Francis, another of those well known underdogs, has overturned the dope in Madison Square Garden where short-enders in the betting have won with bouctious regularity in recent months.

The sumped little Italian, held on the short end of 8 to 5 odds, showed the utmost contempt for expert opinion by belting Eddie Shea, clinching Chicago featherweight, all over the ring Friday night and winning the unanimous decision of the referee and two judges.

Shea, returning to New York after an absence of six years and in the role of foremost contender for Bat Battalino's 126-pound crown, never could fathom Francis' increasing attack, won only three of the rounds, reeled under the kid's body attack in the eighth and tenth rounds and was completely exhausted by the time the final gong sounded.

Francis, who still can make the bantamweight limit, fought expertly on the offensive. Never taking a backward step, he marched in to close quarters, and belted Shea solidly with short jabs to the body that slowed the Chicagoan down to a walk.

Shea, at 126 pounds, had a four-round pull in the weights.

The battle was rough throughout. Firpo was given five rounds, with three even.

Stribling, Who Has Fought 280 Times, Is Lover of Speed

New York, (AP)—Bill Stribling has lifted his duked in professional combat 280 times. He has flown in 120 landings. And most serious accident he ever had was a fall from a bicycle. He was knocked uncon-

scious and badly battered. Stumbling down steps. Every time he gets his hands on the wheel of an automobile scuffle friends get out and walk. He drives as though he were trying to qualify for the championships at Indianapolis. He wants to try speedway racing some day. On the beach at Daytona, Fla., he shoved a stock car up to 115 miles an hour.

As a youngster in Macon, Ga., "W. L." rode a wheel furiously before he ever saw a pair of boxing gloves. When he got enough money together he graduated to a motorcycle.

Everything he does is in a hurry. He wears everyone out around him, runs up and down stairs, bounces in and out of chairs, rarely has the patience to read for any length of time. He is impatient just before a fight. Cautiousness in critical moments has cost him at least two championships. His father and manager, "Pa" Stribling, is white with anxiety during Bill's matches.

"Be careful, son, don't get hurt," he tells him between rounds.

Stribling loves any kind of a competition and hates to lose a game or an argument. He plays cards, checkers, dominos, and with nothing at all at stake, plays as though he were carrying brick. He argues over every point.

FRUITLAND WINS FROM JASON LEE

JONES WINS WHEN WILKINS IS INJURED

When Jack Wilkins of Texas was unable to come back after having been thrown by Henry Jones of Utah as a result of a shoulder injury, the latter was awarded the match at the armory Friday night. Although the first and only round of the affair went 39 minutes and 18 seconds, Jones had a good advantage all the way. Jones finally placed a hammerlock on his opponent which dislocated a shoulder blade.

Buddy Ambrose and his twin brother, Bobby, boxed a four-round exhibition which was declared a draw.

DEPUTY SETS RECORD IN DRY ENFORCEMENT

Seattle, Wash. (AP)—One lone deputy sheriff in King county has cost the bootlegging business nearly a quarter of a million dollars in the past three years.

Averaging an arrest a day during that period, the deputy never once used his gun or swung his blackjack over the head of a victim.

He confiscated and destroyed more than \$105,000 worth of liquor paraphernalia, and has earned for the state about \$115,000 in fines. Jail sentences meted out to his victims totaled 24,820 days.

PRO-WET FLOATS

Pasadena, Cal. (AP)—In a resolution passed by the local chapter of the Women's Christian Temperance Union and sent to the Fourteenth of Roses committee protest was made against the appearance of two "pro-wet" floats in the 1931 Tournament of Roses parade.

The resolution, passed by unanimous vote, declared that the floats were completely "antagonistic to Pasadena's high ideals and verged toward disrespect of the law."

One of the floats mentioned was entered by the Crusaders, an organization opposed to prohibition in its present form.

Miami, Fla. (AP)—Despite Primo Carnera's cracked rib and any other pains that may or may not exist in the area of the box office, Italy's gift to the heavyweight winter carnival will meet Jimmy Maloney of Boston, at the Madison Square Garden stadium here March 6—as scheduled.

The Miami boxing commission late Friday night decided against any postponement of the Carnera-Maloney show, supported by the request of Promoter Frank J. Bruen, after hearing conflicting reports about the big Italian's condition from four physicians, studying x-ray photographs and listening to a debate between the managers of the two principals.

Arrangements went forward under the direction of "Pa" Stribling for the first of the two winter fistic shows, featuring Mickey Walker and Johnny Risgo, next Tuesday night.

Max Schmeling was expected in Miami Saturday to help the bally-hoo for the Risiko-Walker bout. The German and Stribling are scheduled to box exhibitions on next Tuesday's card.

CHEMAWA DROPS TWO GAMES TO SALEM SQUADS

Salem high school's basketball teams won two games over Chemawa Friday night. The Indians were defeated 36 to 21 by the red and black first string, while a preliminary between B squads of the two schools resulted in a 23 to 20 win for Salem.

Coach Downie's men showed vast improvement over early season appearances and managed to hold the fast traveling Salem squad virtually even during the first half, which ended in a 19 to 15 lead for the winners. The score was tied 9-all at the end of the first period.

Bone, who was responsible for 9 points during the first half due to his ability to score on close in shots, tired during the second half and was replaced by Foreman. Coach Huntington kept his squad going at full tilt through three periods by alternating Esgmund and Graber at center. The final period found both sides tired which resulted in little scoring being done.
