

WILLING GIVEN NINTH PLACE GOLF SEEDED LIST

USGA PROPOSES ST. PAUL GOLFER AS HEAD MAN

New York (AP)—In the absence of Bobby Jones and George Von Elm, the United States Golf association has nominated Harrison R. Johnston of St. Paul as the top of the seeded list for the national amateur golf championship starting August 31 at the Beverly Country club, Chicago.

The first ten follow:

- 1—Harrison R. Johnston, St. Paul.
- 2—Eugene Homans, Englewood, N. J.
- 3—T. Philip Perkins, New York.
- 4—Johnny Goodman, Omaha, Neb.
- 5—Charles Seaver, Los Angeles.
- 6—Francis Oulmet, Boston.
- 7—Maurice J. McCarthy, New York.
- 8—George J. Vogt, New York.
- 9—Dr. Oscar Willing, Portland, Ore.
- 10—George T. Dunlap, Jr., New York.

Of these, only eight will be seeded for the first round of matches and if withdrawals or qualifying round failures cut so deeply into the first ten that fewer than eight are left when match play begins, the vacancies will be made up by lot from a second ten named by the U. S. G. A. as follows:

Fay Coleman, Culver City, Calif.; John De Forest, England; Frank DeLoe, Portland, Ore.; Charles Evans, Jr., Chicago; Jesse P. Guilford, Boston; John E. Lehman, Chicago; William Lawson Little, Jr., San Francisco; Max R. Marston, Philadelphia; Roland Mackenzie, Wilmington, Del.; and C. Ross Somerville of London, Ont., Canadian amateur champion.

NEW SWIM RECORD MADE BY GERMAN

Leipzig, Germany (AP)—A new women's world record for the 500 meter breast stroke swim was claimed for Heria Wunder, when she covered the distance in eight minutes, 32 seconds Friday. The former record, according to authorities here, was 8:33 2-10.

The A. A. U. athletic almanac lists no world's 500 meter breast stroke record for women nor does it recognize any American record for that distance in the breast stroke style.

This Game of GOLF

By O.B. KEELER

The fact that the Beverly Country club of Chicago, where the approaching national amateur golf championship is to be held, includes five holes rated as par three should not incline the prospective competitor toward a conviction that the short player is getting a "good break."

While, on the other hand, the collateral circumstances that of the four holes rated as par five one can be reached with the second shot, does not mean that the long hitter—who usually counts on birdie fours as a great help in time of stress—is going to be unduly discriminated against.

The Beverly layout will offer the contestants and the galleries something rather different in the way of championship tests. I think it will be interesting—perhaps acutely so. This same course—or, rather, a course at the same location—used to be regarded as one of the simplest and easiest in the Chicago district. It was called a "business man's golf course"—good medicine for the traditionally "tired business man."

Beverly is quite different nowadays.

EVERY YARD IS THREE FEET

Its tournament yardage, for the affair beginning Monday, August 31, is 6,700, and along well-watered fairways, never permitted to bake out, these yards are all of 36 inches. Thus the four holes with a par of five, the shortest one being of 545 yards, are going to require at least three strokes before the putting begins; and this circumstance, in a way, favors the accurate short player at the expense of the extremely long hitter, who won't be home with his second and may be in trouble with it.

JUNIOR BALL GAME SCHEDULED 5:15 P.M.

The baseball game between the Marion county and East Side Portland American Legion juniors teams is scheduled to begin promptly at 5:15 o'clock Friday evening at Olinger field, since it will be necessary to begin at that hour in order to complete the full nine innings before darkness.

If Harvey Zimmerman, the Hillsboro youth, appears to be in good condition, Coach Edwards will start him on the mound. Otherwise Johnny Perrine will get the call.

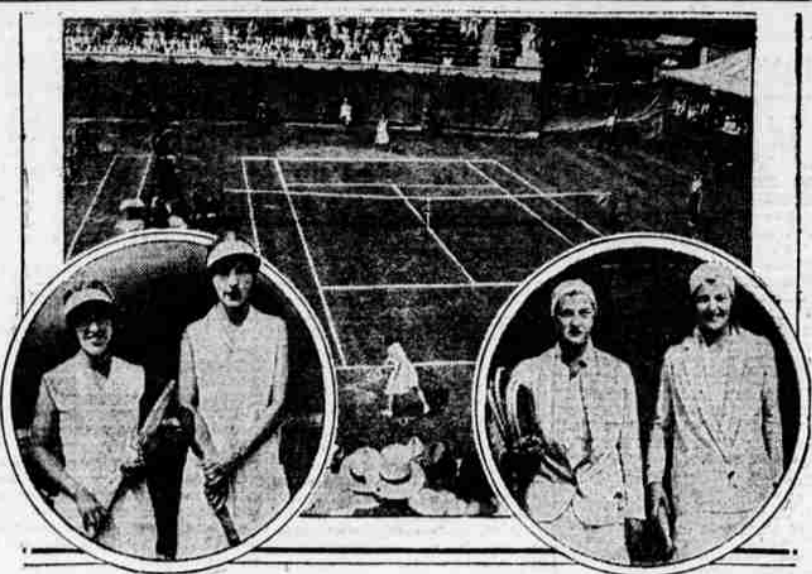

The contest will be the sixth between the two squads—Marion county having won three and Portland two.

WRESTLING RESULTS

Coliseum, New York—Ray Stele, Calif., defeated Al Pierotti, Italy; Dick Shikat, Germany, defeated Richard Stahl, Germany; Gino Garibaldi, Italy, drew with Sandor Zabo, Hungary; Sam Stein, Newark, threw August Benkert, New York; Kola Kwariani, Russia, drew with Steve Znoski, Poland.

London—The Whitewash Special makes a fast run every so often over the lines of the Great Western railway but carries no passengers. Observers aboard note every jolt on the track and drop a splash of whitewash to mark the spot.

AMERICANS WIN IN OPENING WIGHTMAN CUP PLAY

The American Wightman cup team beat back the British invaders and carried off the first ray of the international tennis series at Forest Hills, N. Y., with the loss of Phyllis Mudford (left), who was badly defeated by Mrs. Helen Willis Moody, who is shown with her. The chief thrill of the day was the victory of Helen Jacobs over the British favorite, Betty Nuthall. Miss Jacobs (left) and Miss Nuthall are shown at the right. Action picture shows match between Mrs. Moody (background) and Miss Mudford.

The football depression, such as it is, hasn't been felt by St. Mary's, the big little college founded in San Francisco in 1863, transferred to Oakland in 1889 and now located prosperously in the Moraga Valley, Contra Costa county, Cal., about 15 miles from Oakland.

St. Mary's has grown from a student body of only 62 in 1921 to an enrollment of 800 for 1931. It has developed correspondingly on the gridiron in ten years of coaching by Edward Patrick (Silp) Madigan, alumnus of Notre Dame. It has turned out all-American stars, major league ball players, it shows a big increase in football profits last fall than any other university in the far west.

There are a lot of other interesting facts about St. Mary's, all of which are easy to obtain, but it will

serve the present purpose to note that the "Galloping Gaels" open the coming football season against Southern California, meet California a week later and close with the University of Oregon and Southern Methodist. If they could get the game, they would be glad to play Stanford, too.

WELCH GETS POST

Football coaching ranks have recruited another all-American performer in Gilbert (Gibby) Welch, who won all-star recognition as a halfback with the University of Pittsburgh in 1927.

Welch is the new head coach at Morris Harvey college, Barboursville, W. Va. A West Virginia boy, Gibby has been welcomed to his first coaching post; given a squad of 60 men and a slate of 10 games, seven of which will be played at night in Huntington.

His knowledge of the Warner system as well as his experience on the professional gridirons should equip Welch for a good getaway.

ANY GOOD AT CROQUET?

West Virginia Wesleyan's chief offering for the gridiron spotlight this season will be Clifford (Gib) Batties, the halfback who ran wild last year over a considerable number of ten yard stripes. In fact, Batties reeled off more long gallops for touchdowns than any other player in the country, so far as records reveal, and was rewarded with honorable mention in the Associated Press All-American consensus of 1930.

From Robert H. Herzer of Wesleyan I have these further details on the prowess of young Mr. Batties: "He is 6 feet 2, weighs 195 pounds and punts, passes and directs the team. He is in my estimation the greatest all-around athlete West Virginia Wesleyan ever has had and will no doubt have a big year this fall. He has twice been captain of the basketball team, played on the undefeated baseball nine at first base, was No. 1 man on the varsity tennis team and ran the 440, did the hurdles, the high jump and broad jump in track. In addition he is instructor in golf and swimming."

All of which will do, as they say, until Wesleyan takes up the sport of rowing.

BENEFIT GAME TO BE PLAYED SUNDAY

Mt. Angel—The last baseball game of this season is scheduled for next Sunday at the Eborer ball park here, when Mt. Angel and Monitor, neighboring towns, will play a benefit game. The gate receipts will be divided between the two teams, Monitor to give her share to her two injured players, and Mt. Angel to split hers with the players.

The game promises to be an exciting one, as Monitor won the Marion county grange championship, and Mt. Angel was second high in the Cascade league, northern division.

Max Advised To Lay Off Boxing Until November

Berlin, (AP)—On the advice of his physicians, Max Schmeling, world's heavyweight champion, will do no boxing until November, his manager, Joe Jacobs, said Friday.

After some preliminary gymnasium work, the champion will appear in exhibitions in London and Paris, Jacobs said, with an eye to possibility of a title match with Mickey Walker either at Miami, Fla., or Atlantic City, N. J., in February.

BRANDT PITCHES 16TH WIN FOR BOSTON BRAVES

(By the Associated Press)

Ed Brandt, who has been pitching for the Boston Braves for several seasons without even threatening the 500 mark in the averages, not only has surpassed all his own hurling marks this year but has made himself one of the best southpaws in the National league.

Brandt turned in his 16th victory of the year Thursday when the Braves downed the Pittsburgh Pirates 2 to 1 in the ten-inning first game of a double header. He has lost eight contests, giving him an average of .667, which only Bill Walker of New York has beaten among the league's left handers. A year ago Brandt could win only four games out of 22. Now he has more games in the "won" column than any rival in the league.

Despite Brandt's victory, the Braves could not gain in their struggle with Pittsburgh for fifth place. The Pirates came back strong against Bill Shero in the second game and won 5 to 4 as Pie Trainer drove in three runs.

What gaining was done in the National league Thursday went to the credit of the New York Giants. Some timely hitting behind Carl Hubbell, with Fred Leach's homer as a climax, gave New York a 3 to 1 victory over Larry Benton and the Cincinnati Reds. This triumph put the Giants a full game ahead of the defeated Chicago Cubs and 8½ games behind the league leading St. Louis Cardinals, who were rained out in Philadelphia.

The Cubs could make no headway against Watson Clark of Brooklyn until the ninth inning and by that time, Brooklyn had come through with an eighth inning rally against Charley Root that netted them four runs and a 4 to 1 victory. Jack Quinn relieved Clark with the bases full in the ninth and checked a Chicago rally. The Cubs got only four hits.

Heavy hitting again played the big part in the American league program and with it came the broken record that has become almost a daily occurrence in the junior circuit.

Sarl Averil, Cleveland slugger, crashed his 27th home run of the year as the Indians made it three straight over Washington's second place Senators by a 10 to 8 count. The homer broke the Cleveland record set last year by Eddie Morgan, who also clouted a four bagger Thursday as one of the 17 hits off Marberry and Fischer.

This defeat, the fourth in succession, left Washington only 3½ games ahead of the New York Yankees, who used the home run route to a 7-3 victory over St. Louis. Lou Joe Sewell hit for the circuit, and Gehrig hit his 300th of the year, then finally Babe Ruth crashed out his 94th four bagger with the bases full in the ninth inning to provide the winning margin. Vernon Gomez gave the Browns only one hit in eight innings then weakened with the first Yankee shutout of the year in sight.

The Chicago White Sox won their third game in 17 starts against the Philadelphia Athletics by pounding Waite Hoyt and Eddie Hommel for 19 hits. The final count was 11 to 6 against the world's champions, giving the Sox another tie for sixth place. Boston dropped a 7 to 2 decision to Detroit as Art Herring's pitching kept them helpless.

PET SHOW AND CIRCUS GIVEN AT 14TH STREET

Pets, running in size from a water skipper to a horse were on display at the 14th street play ground Thursday afternoon when the annual pet show was held by the children of that district. Muriel Beckman, owner of the horse was awarded first prize for having the largest pet, while Betty Hurley, with a water skipper, placed first the smallest. A jumping bean was ruled out by the judges. To Melvin Larkins went the prize for exhibiting the most unusual pets. He entered sixteen, one and four days old and a moth.

With Tommy Williams acting as master of ceremonies four circus acts were presented following a parade of the pets led by Valeri Karr and a clown band. The acts included a "laughter" by Orvall Cooley; Hawaiian guitar, Pearl Royland; June Smith and Theodora Bouffeur, butterflies, and Jerry Slick, acrobatic frog.

Doris Marston, Margaret Tinnel, Wanda Loveland, Jean Bartlett, Nadine Conway, Laura Rettig, Bill Sexton, Julienne McCarthy and Joe Baker passed the junior lifesaving tests given during the afternoon. Maxie Langford and Esther Arnold gave the tests. Doris Hiday, Eileen Moore, Dick Hiday and Wilmer McDowell assisted the candidates in preparing for the examination.

Candy for the afternoon was furnished by playground instructors, Harold Hauk, Vivian Bartholomew and Esther Arnold while the Busiek market and Buster Brown company donated balloons and spring balls.

ENROUTE TO MEET

Amity—Clarence Hiel of Klamath Falls was a caller at the J. M. Umphrette home Wednesday afternoon. Young Hiel who was a graduate in June from the University of Oregon, was enroute by auto to Vancouver, B. C., where he will take part in a track meet Saturday. His brother, Ralph Hiel, will also run in the track meet.

Chicago (AP)—Tom Patrick, Los Angeles light-heavyweight defeated Baxter Calmes, Wichita, Kan. in a 10 round bout at Shewbridge Field Thursday night. Patrick weighed 171, Calmes 174½.

Fargo Express Wrecked By McLarnin, Smallest Crowd Sees Good Bout

New York (AP)—Jimmy McLarnin may never win the world's welterweight championship—an honor he has deserved for several years—but he promises to go down in history as one of the greatest welterweight fighters of all time.

McLarnin reasserted his right to ranking as the best welterweight in the ring and to a place with Dempsey, Leonard, Gans, et al. in that select group of stars recognized as the best fighters in ring history, with a decisive 10 round triumph over Billy Petrolle at Yankee stadium Thursday night.

It was unfortunate that the smallest crowd ever to witness a major outdoor boxing show in the metropolitan area was on hand to see the contest for McLarnin gave the most impressive performance of his career. Petrolle, a real gamster, extended his heavier opponent to the limit and the 12,000 spectators who paid an estimated \$35,000 for the bout witnessed a brilliantly contested battle.

McLarnin failed to score the knockout he desired to avenge a terrific drubbing from Petrolle last December but he won far more decisively than in the second match between the two last spring and removed all doubt as to his ability to whip the Fargo Express.

He dealt Petrolle a sound thrashing and several times had the westerner on the verge of a knockout.

CASCADE TEAMS PLAY 2ND GAME

St. Paul and Lebanon, winners of the north and south sections respectively of the Cascade baseball league will play the second game of the championship series on the Linn county town's diamond next Sunday afternoon. Although the north Marion county squad has Lebanon one down by virtue of its 5 to 4 win last Sunday, Lebanon feels that the series will be on an even basis after the next encounter. One or two of its principal players, including Lyle

PORTLAND DROPS ONE TO ANGELS BY 14-7 SCORE

From out of Novato, Cal., jail Thursday night there came the man who brought a 5 to 3 victory to Sacramento over the Mission Reds. It was Tony Freitas, Senator pitcher. His feet got too heavy on the throttle and the judge said he must spend five days in jail.

Sacramento, however, needed a victory, so a deputy sheriff escorted Freitas to the game and returned him to the battle afterwards.

Los Angeles defeated Portland 14 to 7, making just twice as many runs, hits and errors as the Beavers. A quartet of the Portland pitchers took the mound but none of them was able to stop the Angel hitting spree.

San Francisco's Seals went scoreless for eight innings, then put on a six run rally to defeat Seattle 6 to 3 in the tenth inning.

An other extra inning game brought the Hollywood Stars a 6 to 3 win over Oakland in the last half of the eleventh inning. The Stars had matters all their own way until the ninth when the Oaks tore loose with a five run spurge to tie the score.

Ex-Officer Dances As Gigolo in Juarez

Juarez, Mex. (AP)—A monocol gigolo and entertainer sings and dances in a honky-tonk at Juarez. He is Friedrich Wilhelm von Gersfeld, late of the Imperial German cavalry regiment. He recently was refused entrance to the United States again and he is exiled from Germany.

"For a year and a half I've tried to enter the United States, but they don't want me," he said. "I have gone through American bayonets and American trenches, but I cannot cross their bridge."

"Six months ago I went to work as gigolo and entertainer in the most notorious dive in Juarez because I was starving."
