### Eye Dont's

DON'T buy glasses as you would shoes; they should be fitted by a specialist.

DON'T wear other people's glasses; they were probably fitted for other troubles than yours.

DON'T let some cheap fakir tamper with your eyes; call on a legitimate specialist who has an office or a regular place of business.

DON'T wear blue or colored glasses; they may seem to give relief, but are really most injurious. The man who prescribes them should be able to give more beneficial results with clear glasses. WE CAN.

### Piles All Gone

Without Salves or Cutting  
Itching, bleeding, protruding piles go quickly and don't come back, if you remove the cause. Bad blood circulation in the hemorrhoidal veins causes piles by making the affected parts weak, flabby, almost dead. Salves and cutting fail because an emergency medicine can actually correct the cause of piles. Dr. J. S. Leonard discovered a new internal pile remedy. After prescribing it for 1,000 patients with success in 990 cases, he named it HEM-ROID. Capital drug store says one bottle of HEM-ROID cures and send your Pile misery or money back.
