

COOPER WINS FOURTH ANNUAL PASADENA TOURNEY

COX, VETERAN BROOKLYN PRO, PLACES SECOND

Pasadena, (P)—Those who favor the new heavier golf ball had Harry Cooper's victory in the fourth annual Pasadena \$4,500 open tournament Monday as proof of their prejudices. The confident Chicago pro took into himself first prize money of a thousand dollars Sunday by leading a field of 180 players by several strokes after the three-day, 72-hole contest which marked the first tourney test of the twentieth century.

Light Horse Harry, who rode out of Texas five years ago as an unknown youth with a strong belief in his own game to annex the Los Angeles open, set a burning pace of three strokes under par for the Brookside layout, shooting a 281 to outclass the field.

After trailing three strokes on the opening round with a 72, one over par, the professional from the Glen Oaks country club started the gallery and his opponents Saturday with a scolding 67 to take the lead he never relinquished during Sunday's 36 holes.

While exponents of the heavy ball may have their tinnings with Cooper as pro, his closest competitors, Whiffy Cox, veteran Brooklyn campaigner who placed second and Fred Morrison, powerful driving Culver City, Calif., pro, who placed third, saved the "balloon" pellet of 1931 origin from the arena.

Cox ran up a 288 total for the 72-holes, worth \$500 to him in prize money, while Morrison wound up with a 289, good for \$400 in the coin of the realm. New ball advocates took the next four places.

Ralph Guldahl and Walter Hagen, a couple of Detroit pros, tied for fourth with 290 strokes and collected \$255 while Ray Mangrum of Los Angeles and Eddie Loos, Chicago, tied for sixth to receive \$225 each. All played the ponderous pellet.

BASS AND LOMSKI FIGHT THIS WEEK

New York (P)—Henry Bass, Philadelphia lightweight, and Leo Lomski, Aberdeen, Wash., heavyweights, are the nationally-known figures on this week's fight card, the dulled of the year. Most boxing stadia will be closed on account of the Christmas holidays.

Bass will meet Prince Saunders of Eau Claire, Wis., in the eight round feature at Philadelphia Friday afternoon. Lomski tackles a Portland heavyweight, Danny Lenhart, at Portland, Ore., Tuesday.

SALEM QUINTET PLAYS ALUMNI WEDNESDAY EVE

With the score book showing one loss and one defeat so far this season, the basketball squad of Salem high will play its third game next Wednesday night when it engages the alumni team in an annual contest. Just what combination will face the high schoolers has not been determined since Bob Ashby, Dwight Adams, Trux Foreman and Bob Drager, all eligible for the alumni team will be facing Oregon State at the armory the game night. An effort was made to arrange a double header for the evening but this could not be accomplished. However, it is expected several outstanding players will be available to face Coach Huntington's team.

Following its rather overwhelming defeat at the hands of the veteran Benson crew Friday night Salem returned to Portland Saturday evening to beat Jefferson, last year's city champions, 18 to 13. Although the Jeffs did not have the lineup which they boasted last season, nevertheless three of the squad—Hergert, Penn and Woodman, who faced Salem Saturday night, played in the state tournament last March. Salem scored 7 baskets to five for Jefferson. Bone and Burrell each bagged two while Johnson, Sanford and Brownell each connected for one.

SCIO PLANS BENEFIT

On Tuesday night in Scio the firemen will be pitted against the local high school team. This is to be a benefit performance, the proceeds to be used exclusively for local relief, it is announced.

On Wednesday night at the Scio gym the local firemen will tackle a Turner town team, and basketball enthusiasts are looking forward to fast sport in that line.

ROBIN REED TO TACKLE ARTHUR HERE NEXT WEEK

Robin Reed, who recently returned to Oregon after a successful invasion of the east where he emerged victorious in his search for the welterweight championship of the United States, has been signed by Matchmaker Plant for a bout here Tuesday night, December 29. His opponent will be Ernie Arthur, Canadian grappler who proved popular with local fans during his appearances here last winter. It is not likely Reed's belt will be at stake since Arthur is not expected to make the weight required.

The bout will be in the nature of a benefit with Chief of Police Minuto's boarders having their larder enriched as a result of the muscle grinders' efforts. It was originally planned to stage the bout as a Christmas benefit but the wrestlers could not be brought here prior to December 25. However, Plant sweetened the pot over at the Hotel de Minuto with \$15, firmly believing wrestling fans will respond to the idea of the benefit.

Reed has appeared in two bouts since his return to Oregon, winning both of them. His campaign of 60 bouts in the east is said to have enhanced his wrestling ability to a great extent and a brilliant match is in prospect for the devotees of the game.

BEARS DETERMINED TO BEAT GEORGIA

Berkeley, Cal. (P)—The Golden Bears of California were en route to Atlanta Monday for the closing game of their season against Georgia Tech on December 26.

Emerging from a conference year of surprising success, the Bears were determined as a final gesture to even the score with Georgia Tech for marring California's other wise perfect inter-sectional record. "Navy Bill" Ingram, head coach, led a squad of 36 men on the trip south.

Included on the squad were all the men whose playing amazed western fans by a remarkable comeback after a disastrous season last year. Badly beaten in most of their 1930 games, the bears were turned into a band of fighters this season and lost only to the powerful Trojans of U. S. C., and then only by a 6 to 0 score.

Pepper Martin Singled Out As Individual Star In Nation Wide Poll

New York (P)—To John Leonard (Pepper) Martin belongs the distinction of turning in the outstanding individual achievement in sports for 1931, in the overwhelming opinion of American sports writers and editors.

With the same sort of speed that marked his sensational solo flight against the Athletics in the world series, the young St. Louis Cardinal outfielder romped away with the votes in a nation-wide poll conducted by the Associated Press.

Martin was singled out as the individual star of the year by 68 experts out of a total of 112. This was slightly more than 50 per cent, giving Pepper a clear majority over all other candidates combined.

Although they were outdistanced, Francis Outmet, the veteran who returned to the amateur golfing heights after 17 years, and Ellsworth Vines, 19 year old national tennis king, ran a close race for second place. Outmet finally won by the narrow margin of 11 votes to 10 for the California sensation.

Here are the results of the Associated Press poll:

Pepper Martin, St. Louis Cardinals 68.

Francis Outmet, national amateur golf champion 11.

Ellsworth Vines, national amateur tennis champion 10.

Lefty Grove, leading American league pitcher 6.

Billie Burke, national open golf champion 4.

Helen Madison, swimming champion and record-holder 3.

Max Schmeling, heavyweight boxing champion 1.

Howard H. Jones, Southern California football coach 1.

John Orsi, Colgate football captain 1.

Jules Ladoumergue (France) world mile record holder 1.

BEARCATS REST FOR WEEK; LOSE TO STATE, 42-32

With nothing on their schedule until New Year's day when they play a return engagement with Price's Florshelms, basketball men of Willamette university are taking a week's vacation along with their fellow students. Following the contest with Oregon State last Saturday night, which the Beavers won, 42 to 32, after Coach Keene's men had staged a spectacular second half rally which resulted in shortening a first half Orange lead of 15 points to merely two points, the Bearcat mentor told his casaba bounds to take the week off but come back early next week prepared for intensive work.

The Beaver first string of Fagan and Thomas, forwards, Lewis center, Merrill and Lenchitzky, guards, proved to be quite a high power organization, which soon had a sizeable lead over the Bearcats. This advantage the Oramenem stretched to 28 to 13 at half time.

Coach Gill sent in an entire new combination at the start of the second half. With the Bearcats clicking in first-class manner, and with scales finding the hoop with old time precision, the visitors' lead was soon whittled down until but two points separated the teams. At this point Fagan, Thomas and Lewis were rushed back onto the floor and, assisted by two foul shots soon boosted the lead again.

Coach Keene experimented throughout the contest, using 12 men in all.

IMPROVEMENT CLUB BUSY MAKING SOUP

Gates—At a special meeting of the Improvement club Thursday afternoon it was voted to place Mrs. Ruby Winters in charge of the soup-making for the school children during January and February. The president, Mrs. C. D. Johnson, appointed a committee to take charge of the project.

By capturing every one of the 16 free style official women's swimming records, Helen Madison was fully entitled to be conceded the outstanding individual performer of the year. "No other woman swimmer has ever done this remarkable stunt."

SHIRES MAKES GOOD ON BOAST

Chicago, (P)—Arthur (Wattman) Shires admittedly is a braggart, but unlike many athletes of his kind, the curly-headed Texan makes his boasts good.

When Shires, who talked himself into the bad graces of the Chicago White Sox and Washington Senators, was sent to the Milwaukee American association club last year, he announced modestly that he was "too good a ball player for the minor leagues."

"I'll show up this league," he said, "and I'll be back in the big leagues next year. These pitchers can't stop me."

How well Shires lived up to his promises is shown by official American Association batting averages, released Monday, which reveal the Milwaukee first baseman as champion batsman of the league.

Playing in 157 games, Shires pounded the ball for 240 safe hits and a .385 average.
