under the sales tax.

the county poor farm on Alver road. Before the \$300,000 sewer recon-struction fund, voted by the people about five years ago, was all ex-pended. a \$10,000 portion was set aside for the acquisition of a site for the plant. It was foreseen that the time is not far distant when cities located along the Willamette river will almost be compelled to quit using that stream for the dis-posal of sewage. At the last meeting of the city council three weeks ago that sub-ject was revived, and the commit-te instructed to locate a site. (Continued from page 1)

Among other important legisla-tion coming up tonight will be a bill referring to the people the question of establishing civil serv-19 years ago. That tax was designed to curl That has been able to be a set of the set of the set of a social and economic revo-lution carried to fruition by Wood-row Wilson. The sales tax, accord-ing to its opponents, will spread the tax burden, conversely, among the great consuming and producing masses

**OFFICES PROPOSED** 

(Continued from page 1)

main with the clerk. It was indicated during the day that the sewer committee would make a recommendation to the council for the purchase of a site for the sewage disposal plant which the city hopes to build some time in the not far distant future. While members of the committee ager dis-

nembers of the committee were dis-

used to be reticent on the aubject

was learned that the site which

the old Ford place, lying near e county poor farm on River

been found available is an 18 tract north of the city, known

question of establishing civil serv-ice for the Salem fire department. The bill was summarized in a re-cent issue of the Capital Journal, Routine matters before the coun-cil will include reports on a num-ber of bids for fire department and street supplies for the year. Its democratic and republican

WINTER BACK WITH PUNCH TO MIDWEST

(Continued from page 1) Chicago's two year old record of to-zero weather was being threat-

Its democratic and republican aponsors, sensing the rising under-current of opposition to this new principle, offer the sales tax merely as an emergency measure to last until July 1, 1934, with the argu-ment that it must be utilized be-cause of failure of the income tax to produce sufficient revenue in a depression era. The bill is a peculiarly hybrid measure. It embodies tariff feat-ures in the 42 cents a barrel tax on imported oil and gasoline and the countervailing section applying Storms that lashed the entire At Storms that inshed the entire At-lantic sendoard today caused il deaths by drowning when two boats capsized off Atlantic City. The vic-tims were coast guardanen. Five persons perished in the Washington, D. C. area, where the bicecard was the worst in verses. the countervailing section applying the two and a quarter per cent rate to all imports like in character

blizzard was the worst in years, Three persons died of exposure, a youth was killed by a falling tree

the bill vulnerable to all sorts amendments to include other p youth was killed by a failing tree and a truck driver was killed near Fredericksburg, Va., when his truck skilded from the road. The steamer Diske Arrow's "SOS" indicated she was in distress off Cape Henry, Va., her steering gear and engines out of order. The coast guard cutter Mendota had gone to her assistance. amendments to include other pro-ducta, which are expected to be of-fered in house and senate. The bill also is vulnerable to "wet" attack For it recognizes growth of the American "home brew industry." de-spite prohibition, by levying tax on mail, grape concentrates, and wort being widely used by the citizen to manufacture his own beer and wine In reaching beyond the income
