

SENATORS TO FINISH ON TOP, STATES BIG TRAIN

JOHNSON GIVES YOUNG HURLERS ALL ATTENTION

Biloxi, Miss., March 21 (AP)—Between practice the Washington Senators lounge on the hotel green, listen to the gulf waters smack against the seawall and dream of the American league pennant flying over their ball park at the end of the season.

They firmly believe they will cop the flag this year. They believe they can lick any team in the league if their regulars can stay on their feet. But old man accident stands in the background like an ogre.

For this team does not have strong reserve strength and their manager, Walter Johnson, has impressed upon

them the old baseball theory that "a ball team is only as strong as its utility supply."

"Bluege, Cronin, Kuhel, beat that for an infield," challenges Johnson. "But outside of Joe Judge, we have no utility infield."

"We are all right in the outfield with Manish, Reynolds and West as regulars with Harris and Rice to back them up."

"Our catching staff is satisfactory as we have Bolton and Berg to support Spencer. There is Gharriety in a pinch."

Then Johnson moves to the pitching box and there he pines for one more seasoned pitcher that he "ain't got."

The list shows two crack pitchers, Marberry and Crowder, and three fair ones, Brown, Fischer and Weaver, but five pitchers are not enough. Delaney, Friederich and Ragland are looked upon as possibilities but there is no doubt about the Washington Senators needing pitchers.

PETROLLE BOUT WITH BATTALINO THURSDAY NIGHT

New York, March 21 (AP)—The greatest fistic "natural" of the season brings together Billy Petrolle and Christopher (Bat) Battalino in Madison Square Garden's ring on Thursday night.

The Hartford youngster apparently can't lose in New York. He is a short-ender against Kid Chocolate and Fidel LaBarba as a featherweight; against Al Singer as a lightweight; and against Eddie Han as a welterweight. He beats them all.

The bout is at 12 rounds and thus favors Battalino, a slow starter.

Jack (Kid) Berg, British lightweight, makes the first start of his new American campaign at the St. Nicholas arena here tonight in a ten round bout with Buster Brown of Baltimore.

The feature on the west coast will pit Steve Hamae, Passaic, N. J., heavyweight, against Lee Ramague of San Diego at Los Angeles tomorrow night.

Jack Dempsey will continue his exhibition tour tonight, meeting Joe Doctor of Buffalo at Toronto.

Astoria Takes First By Beating Salem 32 to 29; Benson Wins Consolation

Astoria first, Salem second, Benson third, Medford fourth and Marshfield fifth. That was the way the first five teams finished Saturday night when the final gun sounded the end of the 13th annual state basketball tournament. The affair, the first in which 16 teams participated, is considered one of the most successful in the series. Whether any money was made or whether the affair broke even will not be determined until Leslie Sparks, graduate manager, can make a final check.

Showing the effects of the strenuous training campaign through which Coach Warren sends them, the Fishermen of Astoria fought their way to first place Saturday night by defeating Salem, high 22 to 29. Corvallis, not given much of a chance to place near the top, gave Benson high a terrific struggle before Coach Hobson's Techmen finally won 23 to 22 to take third place.

Coming, as it did after the Corvallis-Benson affair, the Astoria-Salem contest failed to arouse the enthusiasm usually brought out in a championship battle. Perhaps it was because Salem fans felt, after three periods of the game, that Astoria was going to win. However, if members of Coach Huntington's crew felt that way about it, they gave no sign, for they scrapped it out to the very last, cutting down a seven point lead held by the Fishermen to a bare three points.

With the exception of a short time during the second period, Astoria held the advantage throughout. At half time Salem was trailing 12 to 17 and at three-quarters 20 to 27. During the final period, however, Salem checked in nine points while the best Astoria could do in the final eight minutes was 5.

Benson had to overcome a 10 point lead to defeat Corvallis in the consolation. The Spartans went into the final period with a 21 to 11 advantage. The score failed to dampen the feelings of the Portlanders, however, and they held Coach Turson's men to two points until their own drive put them out in front just before the final gun.

PHAR LAP WINS AGUA CALIENTE RACE WITH EASE

Agua Caliente, Mex., March 21 (AP)—Phar Lap, just another piece of horseflesh which sold for \$800 four years ago, moved into second place among the world's leading money winners today.

In one great stride yesterday, the red ranger moved in past Gallant Fox to bring his total earnings in this quarter of years to \$32,750.

Like the flash of lightning his name implies, the giant gelding of chestnut hue thundered down the stretch yesterday to win the Agua Caliente handicap, with its \$50,050 first place money by two lengths in the track record time of 2 minutes 24-5 seconds.

Phar Lap had no equal on the track. The ease with which he left the other 10 starters in the wake of his flying hoofs set the 15,000 persons who jammed this Baja California track to wondering just how long it might be before he surpassed Sun Beau's \$376,744. It all seemed so simple, the way Phar Lap did exactly what his trainer, Tom Woodcock said he would do. There was no whispered huddle before the race with Billy Elliott, Phar Lap's Australian jockey. Woodcock broadcast to the world that the big six year old would hold back at the start, move out fast on the back stretch and then pull away on the home spur. He did just exactly that.

Two lengths behind finished Havelle Boy, after coming up strong off the start to challenge for an instant Phar Lap's authority to win.

Third, three lengths back, second place, came Scimitar, squire John Flores, a spirited young three year old, out of the show position.

PARRISH QUINT TO PLAY BALL WITH FACULTY

Having made such a success of the first mix, Parrish junior high school announced Monday that its basketball team would engage members of the faculty Tuesday night in a second game.

The regular first of Parrish high, White at center, DeJardin and Coons, Salstrom and White, forwards, will meet the faculty consisting of Flesher, Hauk, Gilmore, Dryan and Brown.

The faculty had the better of the first clash, winning 26 to 20. The juniors believe they were a little off form when they met the teachers before and expressed the opinion that the outcome will be different Tuesday night.

A capacity crowd witnessed the first affair. A like attendance is expected for the second engagement. Glenn Sanford, all-state guard will referee.

Sport Slants BY ALAN GOULD

The story was told with considerable detail last season, but the method by which Bill Killefer aroused the Browns to a real fighting pitch against the Athletics, with the result that the champions were whipped four straight, still stands as an example of what may be done on the ball fields with old fashioned methods.

The background was laid in an early season series when the A's became insultingly over-bearing in the process of taking the Browns over

Skits and Scratches

Coach John Warren of Astoria believes he is responsible for the selection of Robert Bergstrom as forward on the all state team over Walter Palmberg, his teammate. The Astoria mentor made this statement following the luncheon at Sped Keene's home Saturday, "I told Wally to feed the ball to Bergstrom whenever the latter had any chance at all to shoot," said Warren in commenting upon the Benson-Astoria game of Friday night. "Palmberg followed my instructions faithfully and as a result connected for but one basket while Bergstrom made 12 points."

While giving Bergstrom credit for being a good player, Warren says there is no comparison between the two men. Saturday night's performance of Palmberg would seem to bear him out. It also shows the futility of trying to pick an all-state team before the final game.

BLASTED GROVE

The Browns handed another wallop to the A's later in the season when they stopped Lefty Grove's record winning streak after 16 straight, with Dick Coffman in the box.

Coffman, a short time before had blanked the White Sox with one hit, a single by Kerr in the middle of the game. When the A's came to town and it was Grove's turn to pitch and Coffman personally asked for the assignment against the famous southpaw.

"I just felt I might as well take the tough spot while I was going good," recalled Coffman when I talked with him in the Browns' camp at West Palm Beach. "Grove pitched another great game but I had a little edge on him all the way, allowing only three hits. We might have been pitching yet, however, but for a misjudged fly that helped us get the only run of the game."

COFFMAN JINXES

I asked Coffman which of the big hitters he found the toughest to work against.

"Al Simmons and Babe Ruth are always tough," he replied, "because they can hit anything but the fellows who give me the most trouble are Alexander of Detroit, Larry of the Yankees and Cronin of the Senators. It seems to me I can never get that Alexander out. Cronin is one of the smartest hitters in the game, always dangerous, especially in a pinch."

Liquor Possession Lands Two in Jail

Dallas—R. T. Roche arrested Friday night on a charge of reckless driving, transportation and possession of liquor appeared in justice court Saturday afternoon. He pleaded guilty to the charge of possession and was fined \$50. The reckless driving and transportation charges were struck out on the understanding that he would pay for the damages on the Frack car. Roche was lodged in the county jail pending payment of the fine. C. P. Allen of Corvallis picked up Friday night while driving with four persons in his coupe and found to have some liquor in his possession also appeared Saturday afternoon and was fined \$50 on the possession count.

TEACHERS ARE REHIRED

Hazel Green—The school board which includes John Lehrman, chairman, Ralph Gibut and Edward Dunningan, Jr., held a business meeting at the home of the clerk, Louis Wampler. At this time several matters of importance were decided among them being the rehiring of the present teachers, Mrs. Vida Miller, principal and Miss Margaret Borquist, primary instructor.

MOVE NEAR MOLALLA

Orchard Heights—Mr. and Mrs. Charles S. Matthews and family who have lived at Summit for a number of years, moved last week to a farm at Molalla, having been forced to move because of the fact that the place they've been living on has been sold.

SALEM PLACES 2 ON ALL STATE

Jim Burrell and Glenn Sanford, center and guard, respectively for Salem high school's basketball quint, were named members of the all state team by coaches, officials and newspapermen Saturday noon during a luncheon tendered the group by Coach and Mrs. R. S. Keene. The selections, made before the final two games of the series, probably did an injustice to Walter Palmberg, Astoria forward, who was nosed out of a place by a teammate, Bergstrom.

The first and second teams, named after three ballots had been taken are:

First team: McLean, forward, Benson, Bergstrom, forward, Astoria. Burrell, center, Salem. Sanford, guard, Salem. Scheel, guard, Medford. Second team: Palmberg, forward, Astoria. Patterson, forward, Benson. Kebbe, center, Nehalem. Makela, guard, Astoria. Heiser, guard, Benson.

It was the third time Sanford had gained all state honors, the first time in the history of tournament play that any individual had accomplished this feat. His teammate, Burrell, although he was competing for the first time in past company, drew the attention of fans from all parts of the state from the start.

In addition to placing on the all state team, Sanford was the almost unanimous choice when a vote was taken to decide which of the 128 youngsters was the best sportsman, in addition to being the most help to his team.

Clifford McLean of Benson, was selected as the best "floor general."

2 MAIN EVENTS TUESDAY NIGHT

The first even of its kind having proven entirely successful, Matchmaker Plan has announced that a second double main event wrestling exhibition will be given Tuesday night. With the exception of one, the principals in this show will be the same as last week.

Each event will be for two out of three falls, with an hour and a half time limit.

Jones and Reed will meet in Portland Wednesday night with the latter's belt at stake.
