HUTTON PHOTO CEREMONY HAS GUARD TURNOUT

Silverton—In complimentary recognition of the honor conferred on the late Captain Harry Hutton by the men and officers of company I, 162nd Infantry, by the presentation of a bronze plaque in his memory, Mrs. Hutton gave a portrait of Cpatain Hutton to the company in a formal ceremony immediately following drill at the local armory.

The portrait was done in oils by June Drake of the Drake Brothers studio in Silverton and was 14 by 20 inches with a four-inch frame. The likeness was splendid and the three-quarter pose of the distinct type. The specially prepared frame, also done by Drake, was in blending shades of bronze and tan. An imitation plaque was placed to the side of the portrait bearing the following inscription in gold lettering:

Captain Harry Hutton, 1888-1931. Enlisted Co. I, 3rd Oregon April 2, 1917. Overseas service December 11, 1917 to July 8, 1919. Non-commissioned rank, Reg. Sgt. Major. Discharged July 8, 1919. Re-enlisted Co. I, 162nd Inf. August, 1919. Served in all non-commissioned grades until November, 1924. Appointed captain Co. I, 162nd Inf. Nov. 4, 1924 and served as such until his death. Presented by Mrs. Henry A. Hutton.

The ceremony of presentation was in the presence of the company brought to attention by the captain, Harry Riches, with Charles Johnson, an ex-service fellow of Captain Hutton, in charge. Billie Hutton, 5-year-old son of Captain and Mrs. Hutton, unveiled the likeness, stepped back a few paces and gave the military salute. Johnson reviewed the worth of men like Hutton to the company and to the world in general. Major General George A. White wrote a personal letter to Mrs. Hutton upon the fine and deserved tributes paid Captain Hutton, both in the ceremony Tuesday night and in the giving of the plaque at the Memorial Day services. This plaque was hung with a red poppy wreath presented by Miss Billie Johnson on behalf of the Silverton auxiliary to the American Legion and by a floral wreath sent by the officers of the 162nd Infantry.

Seconds with red ribbons came for fire by friction, tower building and transportation relay. The troop placed third on shelters and fireplaces. Werner Chilberg, senior patrol leader, introduced his fellow scouts to the visitors, and Glen Wahl closed the meeting.

Fat Men!
Take This Doctor's Advice

"Gentlemen: I've repeatedly read your ads quoting testimonial letters. I have one to offer which goes them all one better. On August 22, 1931, my physical condition forced me to seek medical aid. After being alarmed by a local physician I sought and found a doctor who rates one of the leading reputations in Hudson County. On the above date I weighed 242 lbs. (only 5 ft. 4½ inches in height). Also an advanced cardiac (heart) condition (valvnal) blood pressure 170. Only 36 years old.

After a thorough examination he instructed me thusly. One teaspoonful of Kruschen Salts in warm water every morning with a diet similar to yours.

This morning, October 21, 1931, less than 2 months I've lost 44 lbs. My present weight, 198 lbs., blood pressure 128 (normal). I feel better than in years and am told I look years younger." Bernard Shapiro, Brooklyn, N. Y., October 21, 1931.

Millions of men the world over are taking the little daily dose of Kruschen because they know it keeps them feeling fit and active—life really becomes a glorious adventure— well worth living.

Get on the scales today and see how much you weigh—then get a bottle of Kruschen Salts, which costs but a trifle and will last 4 weeks. Take one half teaspoonful in a glass of hot water every morning—cut down on sweets for a while—persist in this method every morning and when you have finished the contents of this first bottle weigh yourself again—and know that the six mineral salts of Kruschen have presented you with glorious health.

To take off fat harmlessly and SAFELY, take Kruschen every morning—don't worry—it's the SAFE way to reduce.

But be sure for your health's sake that you ask for and get Kruschen Salts. Get them at Perry's drug store, and the Capital drug store or any drug store in the world and if the results one bottle brings do not delight you—do not joyfully satisfy you—why money back. adv.
