

ODDS FAVOR GERMAN IN HEAVYWEIGHT RING FIGHT

SHARKEY SCRAP WITH TEUTON ATTRACTS FEW

New York, June 21 (AP)—For glory, honor and comparatively little cash, Max Schmeling and Jack Sharkey clash in a 15-round heavyweight championship bout in Long Island City tonight.

William F. Carey, president of Madison Square Garden which is promoting the match in the new outdoor arena on Long Island, predicts gross receipts in the neighborhood of \$400,000. Even that figure, staggering as it is in these times, seems trifling when viewed from the point of view of the million-dollar "rates" of the Dempsey era.

Plain Mr. Fight Fan was not particularly interested in the gross receipts beyond deciding how much he would contribute to them. He viewed the match as a duel of two closely matched gladiators and the betting fraternity supported him in that opinion. The odds continued at 6 to 5 with Schmeling a favorite although some betting commissioners were quoting 11 to 10 and take your pick. Odds against a knockout by either man were 3 to 1.

Both Schmeling and Sharkey came down from their training camps in upper New York state in excellent condition. Sharkey has been the more impressive during the training grind but the experts pointed out that Schmeling never has looked any too good in a gymnasium. He needs real competition to look his best.

The Teuton has come far since that June night two years ago when Sharkey battered him around for three rounds and then fouled him into the championship in the fourth. Then he was a green, game youngster, a powerful puncher with his right hand and possessed of all the stamina in the world.

Now he is a champion in fact as well as name, a punishing hitter with either hand, a much more elusive target than he used to be, and still gifted with amazing endurance. He stunned some of the experts with his masterly performance with Young Stribling last year in his first title defense, cutting down the rugged Georgian in the 15th and final round.

But if Schmeling is spurred on not so much by a desire to retain his title as to achieve vindication for his somewhat inglorious victory in 1930, there is desperation behind Sharkey's challenge.

A broadcast of the Schmeling-Sharkey fight is scheduled for the National chain some time between 6 and 7 o'clock Pacific standard time.

BULLDOG TO MIX WITH MR. JONES

The final local appearance before he enters the ring against Robin Reed at the fairgrounds the evening of July 4, will be made Tuesday night by Henry Jones of Provo, Utah. Jones will clash with Bulldog Jackson in the main bout of a three event card. Both men are expert in the art of working up a good "hate" business and as a result many fans are expected to attend the battle hoping that one or the other will be torn limb from limb. Since the national guardsmen are at their summer maneuvers, neither contestant is expected to go too far.

Preliminary to the main event will be the mix between Pete Axelman and Prof. Newton, and Joe Gardiner and Toughie Davis.

A ten per cent government tax will go into effect Tuesday night. Persons having passes will be compelled to pay the tax.

CHEMIST ENTERS GOVERNOR RACE

Columbus, O. (AP)—William (Fighting Bill) McAlpine, candidate for governor of Ohio on the progressive ticket, announced he is out to "defeat millionaire Ingalls and Governor White without a nickle in his pocket."

"Fighting Bill" is confident he will be given an occasional ring of sausage, that farmers will give him a drink of cream now and then and that gasoline stations may donate gasoline for a dilapidated automobile.

McAlpine's friends have donated him a house trailer and five gallons of gasoline to begin his campaign. He is looking for a chauffeur who owns an old car to pull the trailer and who can "ask for" food and cook it.

The holder of a Master of Arts degree from Ohio state, McAlpine has been a chemist for the Goodyear Tire and Rubber company.

DEAD CLIMBERS HONORED

Twin Mountain, N. H. (AP)—A bronze tablet has been placed on a rock here in memory of Ernest McAdams and Joseph Chadwick, Massachusetts youths, who perished in a blizzard while trying to scale Mt. Washington last winter. Friends of the victims set up the memorial.

GOLDEN BEARS FAVORITES TO ENTER OLYMPICS

Poughkeepsie, N. Y., June 21 (AP)—California's great varsity crew today was established as America's probable representative in the Olympic games at Los Angeles as result of its great victory in the Poughkeepsie regatta.

Coach Ky Ebricht's second "wonder crew" spread-eagled the field of eight in yesterday's 36th annual classic, and became odds-on favorites to win the Olympic assignment in eliminations at Worcester, Mass., next month.

An ordinary victory would not have made the Golden Bears favorites to rate the Olympics. Yesterday, however California was the winner, not after the four-mile grind from Krum Elbow to Blue Point, but had held a commanding lead after the first mile and increased it almost at will.

The real battle yesterday was the fight for second place between Cornell's big red crew and the Huskies of the University of Washington.

Both these crews knew, after two miles, that at least two California oarsmen would have to break arms or legs to keep the Bears from winning. So Cornell and Washington settled down to one of the grandest scraps for place position in Poughkeepsie history, and Cornell won it.

The lake is reported bank full with the water running over the rim. The trail is in excellent condition with no debris to fight. The road from Detroit to Woodpecker while somewhat rough is said to be passable.

Roger Cramer Hits Safely Six Times To Tie American Record

New York, June 21 (AP)—Connie Mack's Athletics, second to the New York Yankees in American league club batting, turned in another impressive display of heavy hitting yesterday to down the White Sox 18 to 4.

Roger Cramer, the A's rightfielder, tied the American league record for a day's hitting by connecting safely six times in six tries. Jimmy Fox, first baseman, blasted out his 27th home run of the season. The A's pounded five Chicago pitchers for 26 hits. Jimmy Fox placed himself six home runs ahead of Babe Ruth in the great four-bagger race of the major leagues. Ruth now has 21.

Cleveland's Indians tumbled from third to fifth place when they lost to the Washington Senators, 3 to 2, permitting the Senators to replace them in third position.

Detroit rose to fourth place by beating the lowly Boston Red Sox, 6 to 4.

Senor Lefty Gomez scored his 13th victory in 14 starts when he pitched the New York Yankees to a 3 to 1 win over the St. Louis Browns.

In the National league, a single by Wally Berger in the 11th inning with the bases loaded gave the Boston Braves a 3-2 victory over the Cincinnati Reds.

Brooklyn went into a tie with the Phillies for fourth place when the Dodgers defeated Pittsburgh's Pirates 2 to 1.

The Phillies downed the leading Chicago Cubs 7 to 5. They were the only games scheduled.

REED RATIFIES TITLE BOUT IN PHONE CONFAB

The last doubt as to whether the Robin Reed-Henry Jones world's championship wrestling match would be staged here the evening of July 4 was cast aside early Tuesday when Onas Olson, member of the Salem boxing commission held a long distance telephone conversation with the title holder who is at present in Columbus, Ohio. Reed gave his okay to preliminary arrangements for the bout and said that he would arrive in Salem July 1. This will give him plenty of time to rest up for his engagement with Jones.

Jones will post a forfeit of \$100 this week to guarantee that he will make the 145 pound limit. Reed will forfeit his belt if he fails to make the weight.

The bout will be the feature event of the American Legion Fourth of July celebration. It will be held directly in front of the state fair race track grandstand. Reservations for the event may be made now.

ECKHART TAKES DEMAREE PLACE BATTING HONORS

By Associated Press

The Coast league had a new leader in batting averages today. He is Oscar Eckhart, Mission outfielder, with an average of .410.

Eckhart displaced Al Demaree, youthful Sacramento star, who is now second with an average of .372. A Los Angeles outfielder, Arnold Stutz, stands third with .367.

Home run honors in the league are still held by Muller of Seattle with 16 circuit clouts to his credit. Base stealing honors are held by Fred Haney, Los Angeles, with 18 thefts.

Baseball wars of the Pacific Coast league shifted to new fronts today, with the Seals-Beavers series in Portland ticketed as the most important of the week with respect to percentage standings.

The Seals were within half a game of the first-place Hollywood Stars last Sunday morning but lost two games to the southerners that day, and are now in third place, a game and a half behind Portland. The series this week is not only a private scrap, but the winner will be in a position to challenge the league leaders.

The Stars will take on the Oaks in Los Angeles, and if form means anything, the league leaders should stay at the top and perhaps strengthen their hold.

The Missions come home to San Francisco from Los Angeles to take on the Senators in a daylight series. Los Angeles, fourth in the league standings, goes north to play Seattle, anxious to stay in the first division.

The games in the north and in Los Angeles this week will be under electric lights, while in San Francisco daylight ball will prevail.

AMERICAN NET PLAYERS BEAT FOUR OPPONENTS

Wimbledon, Eng., June 21 (AP)—Frank Shields of the United States Davis cup squad, with only one day's practice, today won his opening match in the English tennis championships, defeating Pierre Grandpierre of Egypt, 6-1, 6-3, 6-3.

Ellsworth Vines, United States singles champion, won his second match of the tournament but was carried to four sets before he managed to eliminate H. E. Burrows of England, 6-1, 6-2, 3-6, 6-3.

Vines made almost as many errors as in his first match yesterday but Burrows was unable to take advantage of the lanky American's many mistakes. With his English opponent leading 5 to 1 in the third set, Vines made an effort to rally but was unable to keep the ball within the court.

Wilder Allison, another of the American Davis cup team, had to go five hard sets to defeat G. K. Tuckett, unranked English player, in the second round, 6-3, 4-6, 6-1, 3-6, 6-2.

John Van Ryn, Allison's doubles partner, had easier sailing with C. H. Kingsley, well-known English player, triumphing, 6-3, 7-5, 2-6, 8-6.
