

# UPSETS FEATURE OLYMPIC FIGHT PRELIMINARIES

## PORTLAND MAN ELIMINATES FOE FROM SYRACUSE

San Francisco, July 21 (AP)—Out of a bombardment of leather gloves America's prospective Olympic boxer team took on a more definite shape today while on the back trail of preliminaries last night were counted two national A. U. champions and an international titleholder in the scattering of former contenders.

In an evening of six hours of steady boxing, which saw the pick of the country's amateurs start out in quest of eight places on the team, three such outstanding favorites as Dennis Flynn of New Orleans, Richard Carter of New York and A. B. Wertheimer of Buffalo, N. Y., were tumbled into the discard.

The upset of Flynn in the 166-pound division stood out in the opening of the three night program which will end Saturday. A. U. standard bearer in his class and ranked far above the rest of the field, Flynn lost on a second round technical knockout to Ray Bohannon of the U. S. navy.

The Annapolis man listed a terrific right hand punch as the chief item in his repertoire but it found its mark enough to floor Flynn three times and bounce the Loyola university boy into the ranks of the defeated. Game and willing, Flynn was a badly beaten fighter when the bout was stopped.

Carter, husky little negro who holds the 126-pound A. U. title, and Wertheimer, intercollegiate king in the same division, saw their chances skid away through defeats by opponents they figured to beat. Holman Williams, another dusky performer, from Detroit, took Carter's measure by passing out a first class boxing lesson. Wertheimer, a Syracuse university student, was eliminated by Fred Lynch of the Mull-nomah A. C., Portland, Ore.

## BOOTH PASSES UP MOVIES FOR GAME

Los Angeles, July 21 (AP)—Albie Booth, Yale's great halfback, has passed up the motion pictures for the demonstration football game which will be staged here on the night of August 8 as part of the 25th Olympiad.

The pocket-size ball carrier who flashed across the eastern gridirons for three years made this decision today. At the same time, Johnny Baker, University of Southern California guard whose field goal in the last few minutes of play beat Notre Dame last fall, announced that he would pass up the game to take a brief fling in the pictures.

Booth will play on the eastern team composed of Yale, Harvard and Princeton. Baker was to have been a member of the western team from Stanford, California and Southern California.

## Indians Start Playing Late In Season May Yet Get Into League Race

By The Associated Press

It is rather late in the season for the Cleveland Indians to start going somewhere in the American league—what with their being 9 1/2 games out of first place and a full game behind the second place Philadelphia Athletics, but the results of their recent tour of the eastern sector indicate that they still may make some progress.

The Indians, playing the road, outdone all rivals in both circuits in the inter-sectional series which winds up Thursday and with a few good breaks at home in the next week or two they stand a good chance of getting into the flight.

Three inter-sectional games remain.

## GIRLS BASEBALL TEAM DEFEATED BY SALEM, 8-4

As a novelty and as something out of the ordinary a girls' baseball team may be worth the forty cents which two or three hundred persons paid to gain admission to Olinger field Wednesday evening, but as real honest to goodness competition against the so-called stronger sex, it is a complete washout. This was amply demonstrated when the Salem Senators defeated the S.K.S.L. outfit, composed of five young women and four hard-working men, 8 to 4. The five women, two in the outfield and one on each base, put up a fairly good defense but in spite of the fact that Doble Wood just lobbed the ball over when they came to bat their attack work was extremely poor, although sax, playing first base, and Langford, playing second, managed to get a hit apiece. The women players credited with 20 times at bat struck just 14 times, for the most part they just stood up there and watched the ball go by.

The Senators got to Brady, the main pitcher for the visitors, often during the first few innings, rapping out nine hits, one of them a home run by Walt Erickson during the first five frames. After that although the locals hit in each inning they did not score with the exception of the seventh when two runs came home.

Smith and Coody, who alternated at center field for the travelers, might be termed "roving centers" for they swept over the entire outfield, in an effort to back up their two female companions.

Wood walked four straight in the third inning. His temporary spell of wildness, together with a passed ball enabled the visitors to score twice while in the fifth they dented the plate twice on three hits, one of them a double by Coody. The score: S.K.S.L. .... 002 020 006—4 5 3 Salem ..... 231 000 20x—8 12 1 Batteries: Brady and Flynn, McCallister; Wood and Bashor.

## MARION JUNIORS FACING TOUGH GAME SUNDAY

Woodburn—The Woodburn Legion junior ball team, district champions, face a hard contest next Sunday at Legion park when they receive the last Postoffice-Pharmacy club from Portland in a practice game. Although defeated by the Woodburn ladies earlier in the season by a 6 to 0 score, the Portland squad is a much improved team, having reached the Portland city championship finals, losing to the Lincoln Juniors. Miller or Evans, rated as two of the best hurlers in the city junior league, will probably start the game for Postoffice-Pharmacy, while Lefler, who has lost but one game out of 11 pitched, will be in the box for Woodburn.

The one game which Woodburn lost this season, out of 14 played, was to a team from Newberg, composed of much older and more experienced players. The Berry Center ladies have an exceptionally hard-hitting squad, and their hurlers have been given excellent support in the field. The same Sunday will have no bearing on the team standings, as the district championships are all settled. Woodburn will play in the state finals at Portland August 5-6.

Other results Wednesday:  
American—Philadelphia 4; St. Louis 5, Washington 4; Detroit 1.  
National—Pittsburgh 2; Philadelphia 6, St. Louis 16; Brooklyn 5, Chicago 1; New York 9.

**Olinger Boys Win First In 2 Events**  
Although O'Reilly, third baseman for the Lincoln playground ball team, hit a homer when all the bases were occupied, the squad was noosed out by their Olinger opponents Wednesday, 10 to 9. The lineup were: Lincoln—Horn 1b, McCallister c, O'Reilly 2b, Conatock 1b, Bertelone p, Kearns cf, Espin rf, McKay ss, Bainberg 2b, Ritchie lf, Olinger—Stubberfield 1b, Quesseth c, Mason 3b, Hermann 1b, Hoffer p, Williams cf, Seiwert rf, Robert ss, Black 2b, Causey lf.

## DUCK PITCHER BLANKS STARS BY 4-0 SCORE

By the Associated Press  
For the second time in a row Portland's Beavers demonstrated why they head the league, as Pitcher John Prudhomme blanked the second-place Hollywood Stars, 4 to 0, last night. The victory put Portland three games ahead of the challengers. Prudhomme allowed but four hits, while the Ducks gathered eight off Turner.

Ken Douglas pitched only three and one-third innings for the Seals against Oakland Wednesday, but it was long enough for the Acorns to build up a five-run lead to defeat San Francisco, 5 to 3.

Dolph Camilli, Sacramento first sacker, saved his team from a shut-out with a homer in the third inning, as Los Angeles cleaned the Senators the second time this week, 3 to 1. The Angels made all their scores in the sixth on two doubles and a pair of singles.

The Seattle Indians and the Mission Reds pounded opposing pitchers for ten hits each, the northerners nosing out a 3 to 2 victory.

## JACKSON BEATEN BY FORMER CHAMP
