POLK DEMOCRAT SELECT SAVERY; PICNIC PLANNED

Dallas—An enthusiastic meeting of the county was held Thursday night in the county court room for the purpose of electing officers and perfecting the organization for the coming campaign.

Officers elected were: chairman, Tracy Savery, Dallas; vice-chairman, R. W. Baker, Independence; secretary-treasurer, Alva H. Craven, Monmouth; state committeeman, R. R. Morris Christenson, McCoy.

T. D. Pomeroy was named as pre-elect committee man to fill the vacancy in 2nd Independence. It was reported that it is a well established fact that the republicans in the county are doing a lot of organization work in the various precincts with a view to strengthening their position but this move will be countered by the democrats who are naming a board of five members in each precinct to offset this latest move of the opposing party.

The Roosevelt club held a meeting immediately following that of the county organization and discussed and drew plans for a big picnic in the Dallas city park Labor day. This day is a tentative one at present, but it is expected that it will be definitely confirmed by the club president, Lyne M. Black, following his attendance at the state democratic central committeemen's meeting in Portland Saturday. Black will make an effort at that time to secure Walter B. Gleason as the main speaker for the occasion. A band will be secured and a full program of sports arranged. Plans are also being laid for the establishment of a Democratic headquarters in Dallas.

A number of candidates were introduced at the meeting. They included Ed C. Dunn, Dallas, for assessor; William A. Boydston, Dallas, for treasurer; R. H. Walker, Bicknell, for sheriff; H. G. Black, Dallas, for county clerk; Grove A. Peterson, Independence, for representative.

The next meeting, a joint one for both organizations, will be held on Friday, July 29 in the court house.
