Another trip was made by Cecil Shaer and Art Allen which was traversed on foot, the boys visiting Marion lake and the eight lake basin, a portion of the skyline trail being traversed, with Duffy Lake as the turning point. They report considerable travel over the skyline trail, a number of parties having 15 to 17 horses making the trip through from Portland to Grater Lake and the trail about the aims of having been used a great deal this year. They also found fishing to be splendid in the mountain lakes.

A group of folks from Gates, including Mrs. Clarence Johnson and Lyndes, county nurse, made the trip in to Marion lake July 27, where they are spending a week.
