GILMORE RED LION
THE NEW SPEEDWAY PERFECTED GASOLINE
ROAR with GILMORE

Gilmore RED LION Gasoline has been developed for you by a year of gruelling tests on the Speedways, to give you the thrilling race car performance you expect from premium gasoline. It is a multi-power gasoline that combines in perfect balance the full efficiency of High Octanes, High Gravity, Distillation, Boiling Points, etc. —yet it costs you nothing extra. More crude oil is required to produce a gallon of Gilmore

RED LION than to make a gallon of ordinary motor fuel. The loud knocking, hard starting, sluggish distillates and low grade fractions that are usually allowed to go into gasolines are completely eliminated from this new gasoline. This is the more costly method of refining, but other refiners will follow Gilmore again, sooner or later. ...and Ladies!... You'll appreciate the absence of disagreeable gasoline odors when you drive with this new Gilmore.
